## Notice of Re-employment of an OPERS Benefit Recipient

When hiring an age and service retirement or disability benefit recipient for employment, such employment must be reported on this Form SR-6 by the end of the first month of employment. Failure to give OPERS timely notice of reemployment will result in employer liability for overpaid benefits. If a benefit recipient is re-employed within the last 10 days of a month, call the OPERS Employer Call Center at the above listed number to provide immediate notice of reemployment; confirmation must then be made on a Form SR-6 within 10 days.
