

HUMANITIES AT RICE

Calling all Humanities majors and majors-to-be, in all years:

A new student organization is forming now to focus on the humanities at Rice.

- Do you want to discuss subjects of your choice with humanities faculty beyond the classroom?
- Do you want to know more about careers for people with humanities degrees?
- Do you want to know more about what is going on in the School of Humanities and have a voice there?
- Do you want spaces created by and for Humanities students?

Come to the first organizational meeting:

9:00 p.m., Tuesday, 15 September 2015, in Miner Lounge in the RMC
