September 3, 2016

Highlights of the Night

- ◆ Luke Del Rio posted joined Rex Grossman (2002) and Chris Leak (2005) as the only Gator quarterbacks since 1996 to complete 65 percent of his passes (minimum 25 completions and 40 attempts), throw two touchdowns and zero interceptions
- ◆ Eddy Pineiro made his first career field goal attempt, a 41-yarder, to put the Gators ahead, 10-7, with eight seconds remaining in the second quarter
- ◆ Pineiro also made 48- and 49-yarders in the fourth quarter, which was the longest made field goal by a Gator since Austin Hardin's 52-yarder at Florida State in 2014

2016 Florida Football Postgame Quotes

Jim McElwain, Florida Head Coach

Florida 24, UMASS 7

September 3, 2016

Opening Statement:

"Our fans, man, that was awesome.

The energy in there was really, really good. It started at Gator Walk. You know it was fun to get back after it and really get that taste of the last ball game we really played out of our mouth. Now, obviously as you watch the game we have a long way to go. Give UMass and Coach (Mark) Whipple credit, they stayed to their game plan, took the air out of the ball did a heck of a job and caused us some issues. You know, obviously, some 3rd and longs and some things that kept them on the field means we have to get organized. Not happy at all with the penalties, especially the three personal fouls. In one case their scoring drive was 35 yards and helped by unforced errors caused by us. That's not how you're going play winning football. That's a little bit disappointing, but with that, you know our guys played hard. I think Luke did some pretty darn good things as he took care of the football. I think that there are some real positives to take out of it. You know the turnover piece was something that I thought was really good as far as taking care of the football. That's how you become successful as a team. So, other than that, Eddy (Pineiro) kicked a couple which was good to see in a game situation. Explosive plays, not anywhere near enough. On the injury front, Dre Massey went down early. We're going to have to take a good look at that. Not sure what that's going to be. Duke Dawson went down with an arm injury. We'll get that looked at. We held him out. But it enabled us to get Chauncey (Gardiner), (Joseph) Putu and Chris (Williamson) in there at corner a little bit."

Redshirt junior LB Alex Anzalone

On his thoughts on Florida in its season-opening game:

"I think we started off kind of slow. There are a lot of things we have to clean up, but it's a part of playing our first game. We're not completely used to the speed, so we just have to watch the film and move on."

On his impression of UMass:

"We were prepared for what they had, but they played hard and they got us on a couple of plays, so you have to give credit to them."

Junior WR Brandon Powell

On how it felt to return healthy:

"It feels good to be back 100 percent, cutting how I want to cut and running as fast as I can run. I went the whole summer with no problems in my foot, so I wasn't questioning anything. It was just a matter of making a play -- that was all I was worried about tonight."

Redshirt sophomore QB Luke Del Rio

On today's game:

"We have expectations every game. We obviously want to score more points, but we got the win -- obviously that's the most important thing -- and no turnovers, so that's a big plus. We need to cut down with the penalties, but I thought we did a really good job as an offense."

On the lack of explosive plays by Florida:

"They (UMass) did a really good job of keeping everything in front of them. They wanted us to go the long way, and you saw that with the amount of yards we had, but it took us a lot of plays to get those yards."

Mark Whipple, UMASS Head Coach

Florida 24, UMASS 7

September 3, 2016

Opening Statement:

"We got into the fourth quarter and they (Florida) ramped it up a little bit and some of the young guys on our offense, just the speed, was a little too much and we made some mistakes. We made some adjustments that weren't great in the second half but I made a couple bad calls. Probably needed some big ones (plays), it's hard to drive the ball that far in a game. We got the ball out on them, ball was on the ground three times, we just didn't get it and they got it back. They had the momentum, but I'm proud of our guys and we just have to get ready for next week."

On poise during the game:

"We just couldn't make anything happen, our field position wasn't great...just couldn't get the right call in at the right time and that's on me."

Junior LB Da'Sean Downey

On the opportunity to play a team like Florida:

"As a team, we got the opportunity to play against one of the best audiences in the country. This is a big stage. As a team, I think we made a lot of improvements, and we can just keep going from here. Just keep fighting, keep crawling and digging -- anything was possible."

On the goal line stop in the fourth quarter:

"Once we made that play, that's when we felt like we could do it. We believed in ourselves. When you see we were making just as many plays as them, it just gave us the confidence, and we just have to keep rolling with it."

RS Sophomore QB Ross Comis

On his thoughts about how he and UMass handled Florida:

"I wasn't really as nervous as I thought I would be. I think we played hard. We didn't quit and we fought to the end. I think all of us believed we could win the game. Most times, we were one play away, and we'll learn from that. We have a young group. We're going to learn from this game and get ready for Boston College."
