

STAFF

CAMP DIRECTOR:

MARCUS SMITH

Coach Smith recently completed his first season on the California bench as the top assistant. Smith brings a great deal of experience and excitement to this summer's camp after serving on some of the nations top collegiate coaching staffs, including Division I Akron University where he coached All-MAC center Pat Forsythe and All-MAC Freshman guard Noah Robotham. Prior to Akron, Smith also worked at PSAC foe Seton Hill and DIII powerhouse, Thomas More, where he worked with PAC Player of the Year, D'Carlo Hayes.

Dear Campers,
"I hope you are looking forward to another exciting summer of hoops. Camp Excel is built on individual instruction and fundamentals. Our goal as a staff is to allow you the opportunity to become a better player. While basketball teams come together in the winter, basketball players are made in the summer."

From early in the morning until late at night campers have an opportunity to learn and improve under the guidance of the Cal Men's Basketball Staff. Every coach brings a wealth of experience and basketball knowledge to the court. Every camper will receive individual - 1 on 1 - instruction from the California University staff and other selected high school and college coaches, as well as current and former college players.
