

# SCHOOL report card 2013 2014

**Dear Parent or Guardian,**

I am proud to offer the 2013-2014 School Report Card. It shows useful information about each LAUSD school. It shows how well our schools and students are meeting the district's goals:

1. 100% graduation
2. Proficiency for all students
3. 100% attendance
4. Parent, student, and community engagement
5. School safety

The School Report Card also has resources you can use to stay informed and involved in your school and district community. This booklet has facts from many sources including what you told us in the School Experience Survey. It helps us to direct our attention, efforts, and celebrations. Please use the table of contents to quickly find what most interests you. Take the School Report Card to your student's school to discuss with other parents, guardians, and school staff. Please ask questions and make suggestions to your student's principal. You are our partner in the very important work of educating your child.
