- The safety that Florida recorded in the first quarter was the first since North Texas surrendered a safety on October 9, 2009 against Troy

- The Mean Green held to force a turnover on downs late in the first quarter, stuffing the Gators' RB on 4<sup>th</sup> and 2

- Freshman QB Mason Fine completed a 25-yard pass to senior WR Thaddeous Thompson on the first play from scrimmage of the second half

## 2016 Florida Football Postgame Quotes

Jim McElwain, Florida Head Coach

Florida 32, North Texas 0

September 17, 2016

### *Opening Statement:*

"It was a good win, not a great win. There were a lot of good things on defense; only giving up 50 yards is pretty impressive. Our energy was really good, we produced on offense, but we have to put points on the board when you're in the red area. We took a couple points off the board trying to make a statement, and I would do it again. We have to be able to punch the ball into the end zone."

### *On Luke Del Rio and injuries:*

"I obviously took that low hit on Luke personally. I told him after the game I'm sure the defender was just scrambling trying to make a play. I really care about these players, in more ways than them just being football players. It's my responsibility when their parents aren't here to be their parents. Each and every guy on this football team knows how much I care for them and I have their back. No bad blood at the end at all. Their guys were probably just trying to make a play."

### *On the play of the defense:*

"I saw a bunch of guys who did a really good job with film study. They're starting to understand the preparation it takes to help you play faster. There are some keys that the other team gives you based on the way they line up. Guys are starting to understand it's more than just the practice on the field, it's the cerebral practice it takes knowing your opponent and I think they did a heck of a job with that."

## 2016 Florida Football Postgame Quotes

Florida Players

Florida 32, North Texas 0

September 17, 2016

### Redshirt Senior QB Austin Appleby

#### *Opening Statement:*

"I've come to the University of Florida to play. That's ultimately why I chose to come here. I want to be a part of something special. I don't think you ever want to be someone's caddy. You want to be the guy that's got the ball in his hands. I'm excited about my opportunity. It breaks my heart that it had to come by an injury. I'm really hoping he'll be back with us and healthy as soon as possible. I'm ready to roll, we have a job to do."

#### *On preparedness and readiness:*

"The preparation doesn't change. I've prepared as a starting quarterback from the moment I arrived on campus whether I was number one or not. Preparation never changes. The process to get yourself ready to play never changes. The way that you study film, approach practice, and affect your teammates in a positive way - nothing changes, and nothing's going to change this week."

### Junior CB Jalen Tabor

#### *What is going through the mind of a player when you see your quarterback go down?*

"It's like what everyone else sees. The quarterback is the prime position on the field. You have to protect your quarterback and keep other teams from doing dirty stuff to your quarterback. You get frustrated because it's the position that is your team."

## 2016 Florida Football Postgame Quotes

Seth Littrell, North Texas Head Coach

Florida 32, North Texas 0

September 17, 2016

*Opening Statement:*

“Their players (Florida) played extremely hard, probably the best defense in the country, and they proved that tonight. We have to be much better, and I felt our defense and special teams got a week better. They (Florida) played extremely well for the most part, and our defense grinded it out but were left on the field too long. We weren’t moving the chains and getting anything on offense, so we have to get much better on offense. Those young guys have to grow up quick.”

*On Joshua Wheeler’s hit on Luke Del Rio:*

“He came on the blitz, came in tight and he tripped over the tackle’s leg and shot him down. He was playing hard trying to make a play, and didn’t mean to do it. We are not trying to take cheap shots here.”

## 2016 Florida Football Postgame Quotes

North Texas Players

Florida 32, North Texas 0

September 17, 2016

### Senior Wide Receiver Thaddeus Thompson

*On offensive struggles:*

"They (Florida) had too much penetration -- not giving the quarterback time for his reads, and the execution wasn't there."

*If scores could have changed the momentum of the game:*

"The defense comes with it every day in practice. They challenge us. Every day they come with that intensity -- if we scored, we could have made this a game."

*On the team's slow start on offense:*

"That is what coach preaches. It's our whole goal that we need to start fast, and we didn't do that tonight."

### Junior Defensive Back Kishawn McClain

*Thoughts on his play:*

"We came out, we battled, we took it down-by-down, play-by-play. We tried to make plays, and make things happen to get off the field fast. We gave it our all to get off the field"

*On fourth down stops:*

"They were big. That's what we worked on all week, to get off the field. We didn't care who the opponent was; just get our defense off the field and give our offense a chance."
