Voting Rights and the US Constitution:

The right of citizens of the United States
to vote shall not be denied

Jonathan Stein is a voting rights attorney, currently of Asian Americans Advancing Justice - Asian Law Caucus and previously of the ACLU of California. He works to increase access to California's democracy for historically disenfranchised communities. While receiving a joint MPP/JD from UC Berkeley, Jonathan served as the Student Regent on the University of California's Board of Regents, fighting for access, diversity, and affordability and advocating for the interests of the UC's students.

This event is free, open to the public, and all are invited to participate.
