

# WEST CAMPUS PARKING ~ REC HALL EVENTS

## **PARKING for PRACTICES and COMPETITIONS:**

**PARKING:** Visiting teams can park their bus (1) or vans (up to two) in the loading dock area at the front of Rec Hall accessed off of Burrowes Road. Or one (1) bus at a time may load/unload from the bus lanes on Burrowes Road (*15 minutes or less only, please*). Additional van/car parking is also available in parking lot Red-A or the Nittany Parking Deck. A parking permit will be required if your team is on campus for practice during normal business hours (7:00 a.m. - 9:00 p.m., Monday through Friday). Spectator parking is available in the Nittany Parking Deck or parking lot Red-A at no charge by showing their ticket stub, credential or parking voucher.

**All Buses:** Buses cannot park anywhere on West Campus at any time during the day thru the weekend. ALL BUSES MUST DROP THE TEAM OFF (see Burrowes Road drop off area in front of Rec Hall ~ this is 15-minute load and unload only) and PARK IN PARKING LOT 44 WHICH IS ON THE EAST SIDE OF CAMPUS BY BEAVER STADIUM. Follow Curtin Road until you are between the stadium and the Bryce Jordan Center, Lot 44 will be on your right. At Lot 44, drivers can ride the campus CATA shuttle bus back to Rec Hall for FREE. After drop off at Rec Hall, buses may park in the back part of parking lot RED-A on Friday and/or Saturday evening during the competition. Buses cannot access Red-A during the day on Saturday due to a large, 4-race cross country meet taking place.

**Please Note:** All buses must pull in forward, park in the loading dock area so as not to block traffic and the bus engine must be turned off during the match. Also note: we only have room for one bus in front of Rec Hall. If there is already a bus there when your team arrives, you can drop-off in front of Rec Hall however, the bus will be instructed to park in parking lot Red-A (across Atherton Street, behind Rec Hall) for the duration of your match. Your driver can then return for pick-up after your match is complete.

**All spectators can park FREE-OF-CHARGE in parking lot RED-A or the Nittany Parking Deck for the competitions.** FREE campus LOOP service will also be available for spectators directed to park further from Rec Hall as the lots fill up.

**Handicapped Patron** parking is available in a small, metered lot off of Burrowes Road and in an additional small, metered lot off of Curtin Road. Reserved spaces are also available in the Nittany Parking Deck. A State issued handicapped placard must be displayed. Meters in these lots will be FREE during Rec Hall Athletic Events, as will be parking in the Nittany Deck.
