

Readmissions: Academic Advising & Planning

The following flow chart provides an overview of the academic advising and planning required of students seeking to be readmitted to Rice University.

Student submits completed draft of Academic Plan for Readmission to the Office of Academic Advising (aadv@rice.edu)

Deadline: May 7 (Fall admission)
October 7 (Spring admission)

An academic advisor will review the plan and communicate with the student regarding any necessary revisions within five business days. The advisor may ask the student to contact a major advisor for review as well.

Once a final plan is agreed upon by the academic advisor and student, the advisor will submit the approved plan to ugdean@rice.edu.

If readmitted, the student should read carefully through any required actions and follow through on next steps. For example, students may be asked to schedule regular meetings with the Office of Academic Advising.

Once the Committee on Examinations & Standing has made its decision regarding readmission to the University, the student will be notified accordingly.

It is the student's responsibility to also submit the approved plan to ugdean@rice.edu, along with their formal petition letter for readmission, and any supporting documentation required by the deadline.

Deadline: June 1 (Fall)

November 1 (Spring)
