

BOTANICAL SOCIETY OF AMERICA

Mission: The Botanical Society of America exists to promote botany, the field of basic science dealing with the study and inquiry into the form, function, development, diversity, reproduction, evolution, and uses of plants and their interactions within the biosphere.

The objectives of the Society are to: sustain and provide improved formal and informal education about plants; encourage basic plant research; provide expertise, direction, and position statements concerning plants and ecosystems; and foster communication within the professional botanical community, and between botanists and the rest of humankind through publications, meetings, and committees.

2016 MEMBERSHIP FORM

There are two ways to pay BSA membership dues. Before you check the boxes below, we invite you to consider joining/renewing online at www.botany.org under the membership tab. You may also fill out this form and mail/email/fax to our office. BSA membership runs from the time you join through December 2016. Membership includes an **electronic** subscription to the *American Journal of Botany*, *APPS*, *Plant Science Bulletin*, *Membership Matters* (our e-newsletter), and the BSA Membership Directory.
