Faculty Speed Mentoring

9/14, 4:30 pm

Alumni Center

Co-sponsored by the Office of the Provost and UCLEAF

Speed mentoring, which is modeled after speed dating, lets participants interact personally with several mentors within a short period of time.

Hispanic Heritage Month Kick-off Celebration

9/15, 4-7 pm

Schnieder Quad

Join Ethnic Programs and Services for a kick-off of Hispanic Heritage Month featuring a DJ, live performances, and an opportunity to learn how to dance.

Strategies for Success: Developing Your Research Network

9/16, 8 am – 12 pm

TUC 400A

This workshop, specifically designed for STEM women, is the first of several Career Development Plan workshops held this academic year. Learn about your own research network and discover best practices for networking with researchers at UC and across the globe.

Department Heads Research Network Workshop

9/30, 8-10 am

6154 Edwards I

This workshop will help you better understand your own department's research network and the implications of that network on faculty productivity and career success. In this workshop, we will share best practices for helping your faculty network with researchers internal and external to UC. You will also learn more about the Career Development Plan and how you can support faculty in your department that use the plan.

Fall Hispanic/Latino/Latina Affinity Group Lunch

11/3, 12-1:30 pm
620 University Pavilion

Faculty from all colleges are welcome to attend.

<http://www.uc.edu/orgs/ucleaf/what-we-do/events/hispaniclatinoaffinitygroup.html>

Best Practices with Lynn Gordon

11/4, 9:00 am – 4:30 pm
MSB 2001

Dr. Lynn Gordon, Senior Associate Dean for Diversity Affairs at the David Geffen School of Medicine at UCLA, will meet with administration and faculty of the College of Medicine to discuss faculty diversity, recruiting, and retaining.

<http://www.uc.edu/orgs/ucleaf/what-we-do/events/best-practices/lynngordon.html>

Celebrating Women & Diversity in STEM Breakfast with Ramón Barthelemy

11/16, 8:00 am – 9:30 am
Kingsgate Marriott

Dr. Ramón Barthelemy, Survey Scientist for the American Institute on Physics, presents on Nov. 16, 8 am at the Kingsgate Marriott. His research focuses on the experiences of women, people of color, and LGBT persons in STEM fields.
