

Important Intimation to Dealers regarding PAN updation

As per Rule 9A (a) and (b) of TNVAT Rules 2007, PAN (Permanent Account No) has been mandated for every registered dealer under VAT. However, it is ascertained that most of the PAN submitted by the dealers are invalid. Hence, the dealers present in the list enclosed are requested to produce a copy of PAN to the Assessing Authority to update the PAN. They are requested to complete this before 15/08/2014, otherwise the dealer registration with invalid PAN will be cancelled as per the above Rules.
