

THE DRAMA of FLUID MECHANICS

Hoover Dam

The Hydrologic Cycle

A satellite image of Hurricane Katrina over the Gulf of Mexico. The hurricane's eye is visible in the lower right, surrounded by dense, swirling white clouds. The Gulf of Mexico is dark blue, and the surrounding landmasses are green. A yellow star marks the location of New Orleans. Text is overlaid on the left side of the image.

KATRINA AT HER WORST

AUG 28, 2005

CATEGORY: 5

WINDS: 175 MPH

GUSTS: TO 215 MPH

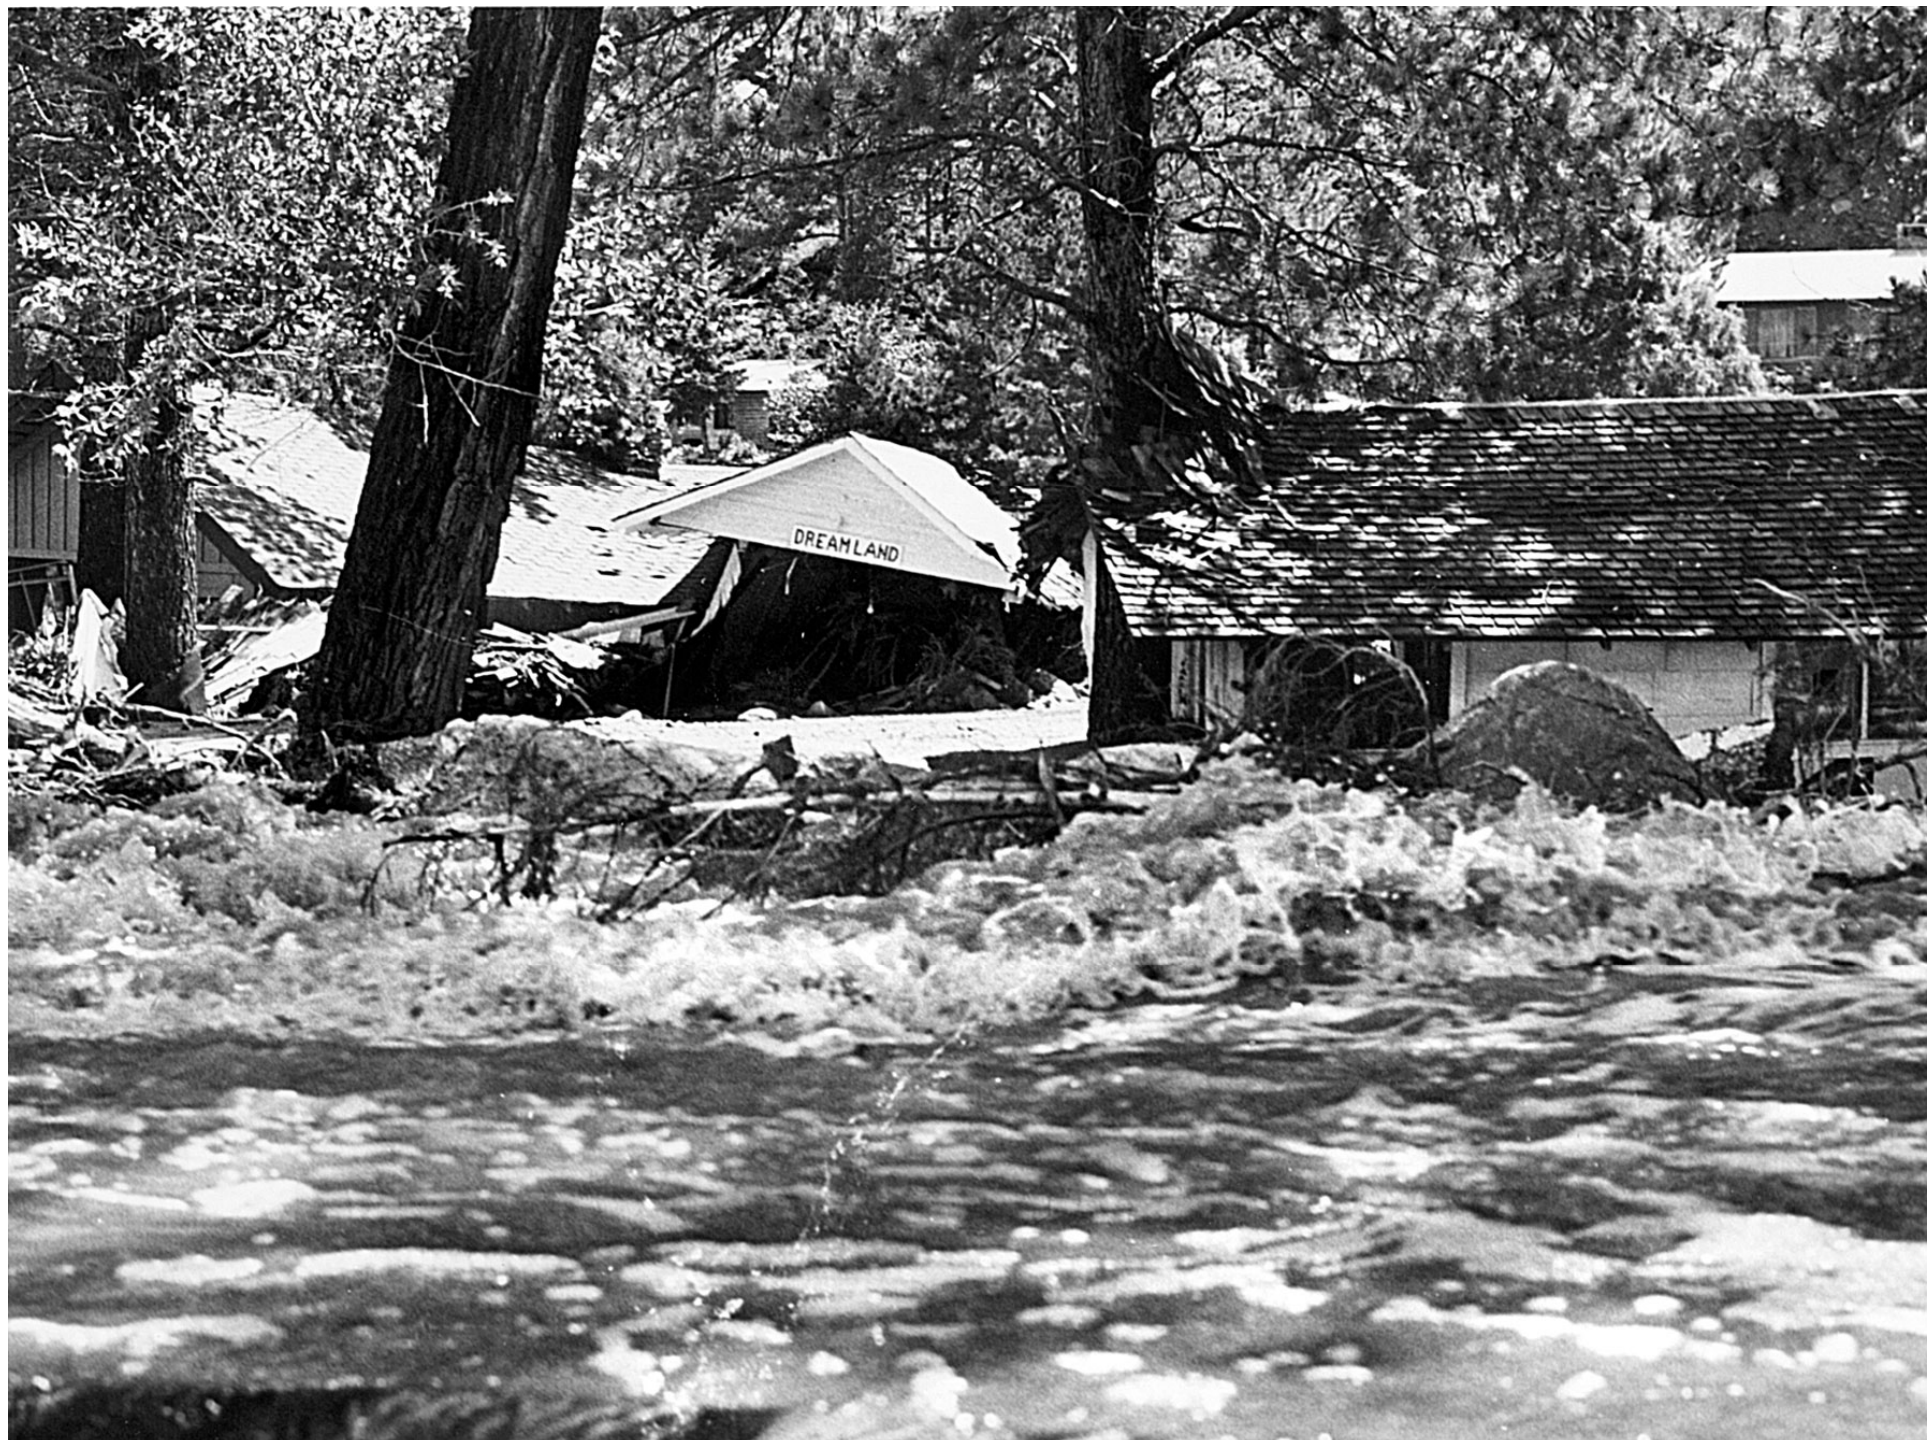

PRESSURE: 902 mb

WAVES: >40 FEET
