Student Council Summer Bash

General Student Council co-chairs met on August 21st to participate in the annual event through various team-building games and group activities under the leadership of Ms. Hanas and your student council officers. It was a great way to spend time with their fellow committee members and plan for the 2014-15 school year.

Freshman Orientation

Student Council members, along with volunteers from other clubs, helped freshmen get acquainted with their new and seemingly enormous school by providing directions to classrooms. The event was a sentimental affair for our seniors as it signified the beginning of their final year of high school and introducing a new generation of Eagles to their home for the next four years.

Activities Fair

On September 18th, the annual Activities Fair took place, allowing students to be introduced to and sign up for clubs and organizations that they will participate in throughout the 2014-15 school year. Thank you to all the students that signed up for General Student Council! It is only through your support and hard work that we can make Edison High the great place that it is. Be on the lookout for upcoming Student Council events!

Beautify EHS

Students of AVID and Student Council took time to beautify EHS on September 24th. They planted red and yellow mums that were donated from Barton's Nursery around the EHS sign and in front of the building. The flowers have created a great atmosphere for everybody representing that Eagle Pride in all of us.

Freshmen Class Officer Elections:

Congratulations to the new Freshmen Class Officers:

Rebecca Chelli and Roham Hublikar (Co-Presidents)
