Ice Breaker

Special Address

Mr. S Haribhaskaran

He wished us for organising the wonderful event and spreading awareness on Entrepreneurship to the student community. Country like India is very much in need of educational institutions to seed entrepreneurial taught process in the minds of students. He states that, present scenario a varied agencies including government agencies, Banks also aimed in nurturing entrepreneurship and improving entrepreneurial eco system in the society.

Mr. R Ravishankar

He shared his personal business experience and motivated the students on 'why to choose Entrepreneurship as a career'. He made the session more lively make the audience so participatory. He explains about the life history of successful business people and the business ideas. He specially concentrated on the mighty and powerful energy level of the present day youth of the country. Mentoring services to the youth would yield abundant result in channelizing their energy level, to the development of the nation.

At the end of the session students were interacted with the guests and get clarified their doubts
