

The Israeli-Palestinian Conflict: What Everyone Needs to Know

Published by Oxford University Press in May 2019

No conflict in the world has lasted as long, generated as many news headlines, or incited as much controversy as the Israeli-Palestinian conflict. Yet, despite, or perhaps because of, the degree of international attention it receives, the conflict is still widely misunderstood. While Israelis and Palestinians and their respective supporters trade accusations, many outside observers remain confused by the conflict's complexity and perplexed by the passion it arouses. *The Israeli-Palestinian Conflict: What Everyone Needs to Know*[®] offers an even-handed and judicious guide to the world's most intractable dispute. Covering the conflict from its nineteenth-century origins to the latest developments of the twenty-first century, this book explains the key events, examines the core issues, and presents the competing claims and narratives of both sides.
