3. B.E. - ECE.....	180	6. B.Tech. - IT.....	120

St. Joseph's College of Engineering

Vision : To become a world class Educational center of the Nation for Engineering, Technology, Computer Applications and Management with moral and professional standards to serve the community at large.

Mission :

- To achieve academic excellence in Engineering, Technology, Computer Application and Management Education.
- To inculcate high moral and professional standards among our students.
- To develop the overall personality of our students.
- To promote Industry Institute Interaction through more number of collaborative programs with Industries, Research and Development centers.
- To venture for sustained placement for our students through campus interviews.

St. Joseph's Institute of Technology

Vision : To be a centre of excellence for Education, Innovation and Research in Engineering, Technology and Management and to encourage Entrepreneurship with ethical and professional standards to benefit the society at large.

Mission :

- To create a better learning environment to produce competent and innovative professionals with sound technical knowledge and management skills.
- To instill ethical and social values among the students to contribute to the global technological and socio-economic development.
- To inculcate qualities of leadership and entrepreneurship in students to improve their employability and achieve sustained placement through campus interviews.
- To provide opportunities and resources through consistent Industry-Institute Interaction for Research and Development in the emerging fields.

CONQUISTA 2018

CONQUISTA'18

*the word that makes us feel honoured with pride of
our achievement.*

*CONQUISTA is the ceremony of issuing offer letters to the
students who were recruited through campus placement.*

The event was held on 7th April, 2018 with grandeur.

The function was presided by

Mr. G. Muthuvel,

Vice President, Global Delivery Head, Data & Analytics Unit, Center Head
Infosys, Chennai who handed over the offer letters to the students in the presence of

Dr. B. Babu Manoharan

Chairman & Managing Director

Mrs. B. Jessie Priya & Mr. B. Shashi Sekar

Directors

Dr. Vaddi Seshagiri Rao & Dr. P. Ravichandran

Principals of

St Joseph's group of Institutions

Human resources - Campus Hiring from Infosys
were also present as 'special invitees'.

**DISTRIBUTION OF
761 PLACEMENT
ORDERS
TO THE PLACED
STUDENTS**

The Management & the Department of Training & Placement do not get just pleased with placements of students alone. Our primary concern is more on helping students establish themselves in their career by building 3S – Survival, Sustainability and Success there by get a firm footing in both profession and personal lives. We want to achieve not only quantitative placement, but more of qualitative one in the years to come.

We are proud to inform that we have reached a placement of 713 added to this year in spite of economic slowdown. It is indeed a golden feather added to St. Joseph's College of Engineering's cap.

The wonderful rapport and healthy relationship between the academia and various companies like Cognizant, Wipro, Infosys, ZOHO, Soliton, Thoughtworks, Verizon, MRF, Emerson, Amazon, Mindtree etc. contributes a lot to mutual growth. They have rendered students a right exposure, helped to become aware of the latest trends in technology, realize their worth and prove themselves in a globally competitive world.

The Department of Training & Placement conducts Soft Skills &

Quantitative Aptitude training programme for the first year students as a preparatory step for Placement. A 6-day Aptitude Crash Course Training is conducted in the first/second year and is compulsory for all the students to attend. Similarly, a 6-day Placement Orientation Programme (POP) & 6-day Company specific training is given to the students in the final year.

Aptitude assessment tests are conducted once in every week for all the students. Every student in this college attends 18 assessment tests a year. These tests have improved their performance in the campus recruitments to a great extent. Several activities are being organised every year to bridge the gap between academia and the industry.

COGNIZANT

We have signed a MoU with Cognizant and it has set up an Open Source Lab worth rupees 6 lakhs & Big Data Lab worth rupees 5 lakhs in our college for the betterment of the students.

Cognizant conducted an Eye Opener Program 'Evolve – Transition from School to College Life' for 1340 I year students. This enlightened the students on Corporate expectations that will make them to take their studies seriously.

Cognizant has conducted Mock Interview for the final years ahead of the Day 1 of Campus recruitment that helped them to understand the interview process and perform well in the Campus Interviews. Our faculty members have attended various Faculty Development Programme conducted at their Campus.

Students gain industry knowledge by frequent interaction with industry experts through the platform Cognizant club.

Cognizant has instituted Cognizant Certified Student Programme in our college. Certified students are directly eligible for the interview. CIO Challenge of Cognizant has arranged their company's projects for our students.

The WIPRO has honored and accredited our college as a TRUSTED ACADEMIC PARTNER for providing talent of Higher Caliber and meeting the qualifying standards of Excellence.

WIPRO has conducted Mission 10X Faculty Enhancement Programme. It is a Soft Skills Training programme conducted for 42 faculties of various streams of Engineering and Technology.

Students of our College attended the Women's Day Celebration at Wipro CDC5, Shollinganallur campus.

Students have been trained in Technical Skills in Foundation Enablement Programme through Infosys Campus Connect. Our faculty members from MBA & M.Sc. – CT participated in the Soft Skills Training Programme conducted by Infosys at our College premises. Infosys has conducted WEBINAR to instill the awareness in the students of the latest technological development.

Our college has joined hands with Murugappa for Murugappa Young Professional (MYP) programme.

Alongside with Murugappa group, we have taken initiatives for various Campus Connect programme. Additionally two batches of III year students have successfully completed and submitted their projects to the Murugappa Young Professionals programme.

XERVON GULF, a UAE based company has signed an MOU with our college this year.

It would enable them to recruit students through campus interviews in St. Joseph's College of Engineering and St. Joseph's Institute of Technology.

The signing of MOU with VERO SOFTWARE, UK would benefit students by improving their skill sets in CNC machining through CAM simulation software, EDGE CAM etc.

With the signing of a MoU with Virtusa, Data Warehousing Lab has been set up for the students to work in the lab. Around 23 students have been selected to gain industrial exposure. The students are currently undergoing training in the Data Warehousing lab.

INTERNSHIP

Cognizant, Frost Sullivan and K. L. Laboratories have signed for internship with students. Students were offered internship programme by Murugappa Group, GE Digital, E-con Systems, Tata Communications, Zoho, Maestro steel etc. Providing industrial exposure to the students through all these professional activities and grooming their academic excellence are not the only motive of the Management. But our prime aim lies in inculcating moral values, discipline, responsibility and make them good citizens, sons and daughters, friends and above all, a better human to dare and care for the world he or she lives in.

THE IRREFRAGABLE ACHIEVEMENTS OF OUR STUDENTS YEAR AFTER YEAR ARE SHOWN IN THE TABLE

St. Joseph's College of Engineering

ENTREPRENEURSHIP DEVELOPMENT CELL

The Entrepreneurship Development Cell of our college was established with the objective of creating, fostering and promoting the spirits of entrepreneurship among the students. It wants not only to ignite the minds but also to nurture the ideas of talented and creative students. ED Cell is committed to build a strong platform for the budding entrepreneurs. The vision is to guide the students to take entrepreneur as a career that pave the way for unleashing their full potential and thereby attaining the height of success. ED Cell has created an atmosphere in campus to inculcate and enrich the entrepreneurial spirit by creating an accessible and exhaustive set of resources for the aspiring entrepreneurs.

Objectives:

- To provide various information with reference to starting business to budding student entrepreneurs
- To create entrepreneurial culture among students
- To foster better linkages between industries and R and D activities of the college
- To promote innovation through establishment of incubation centre
- To organize camps, seminars, workshops, industrial visits and other developmental programme.

Memorandum of Understanding

We strive to attain our objectives and vision in association with the leading and world renowned entrepreneurship institutions such as National Entrepreneurship Network (Wadhvani Foundation, USA), Entrepreneurship Development Institute, Gujarat. Entrepreneurship Development Institute, Government of Tamilnadu, National Small Industries Corporation, I.N.D.I.A Trust and CED, Anna University.

Presentation of innovative start up plan presented by a contestant in ED Cell start plan contest

Activities of ED cell

Conducted Entrepreneurship awareness programme in association with MSME and EDI Government of Tamil Nadu.

Organized workshops on starting small and cottage industries like mushroom cultivation.

Students along with promoters of Ventura engineers Mr. Parthasarathy and Mr. Chitrakumar

- Arranged guest lectures by successful entrepreneurs on their success stories.
- Conducted Business Plan competition among students.
- Conducted short term Entrepreneurship Development Programme funded by EDI Tamil Nadu.
- Series of Skill Development Programmes organized in association with I.N.D.I.A Trust and NSIC for students.
- Students were encouraged and prepared with help of faculty members to attend competitions organized by other institutions.
- Arrangements were made to send Startup proposals of students to various incubation centers for utilizing opportunities of funding.
- Facilitated mentorship from alumni and other entrepreneurs from respective field.
- Arranged visits to innovative startups.
- Organized women entrepreneurship day in association with CED, Anna University.

ENTREPRENEURSHIP DEVELOPMENT CELL

The main objectives of Entrepreneurship Development Cell are to identify students, to groom them by providing entrepreneurship education and training for the growth of Small and Medium sized enterprises and to encourage students to seek innovation and challenges for the maximum utilization of resources.

The various events conducted under this cell for the academic year 2017-2018 are:

On 23/09/17, "1 Dollar Venture" was conducted inside our college campus. The event was to form different student teams and each team member has to invest Rs.10 and with the total team money the teams have to come up with a product and have to sell their product. Nearly 20 students (5 teams), participated in the event. Students made a maximum profit of Rs.1500. This event helped in creating awareness about entrepreneurship and made the participants enjoy the thrill of business.

On 25th January 2018, an "Entrepreneurship Awareness Camp" was conducted inside our college with three renowned speakers. Nearly 129 students attended the camp; the students

were from different branches and belonged to different year of study. **Mrs.Jayashri Krishnan, CEO of D'Organica Garden Shoppee**, began our entrepreneurship awareness camp with a presentation of all her work and achievement. She spoke about her first challenge on setting up a stall in a grand exhibition and about how she converted a risk into an opportunity to grow. She concluded her speech by talking about the current trends in terrace gardening. The next entrepreneur to address the students was **Dr.Kavitha Sairam, CEO & Director FIB-SOL Life Technologies**. She is currently a Bio-Incubator at IIT Madras Incubation Cell, Chennai.

She spoke about different aspects involved in starting a business and how an incubation cell has helped her. She continued by explaining the importance of a team formation and how a good team helped her in looking at her business from different perspectives. She ran through a presentation on her company's major contribution to the field of agriculture and to the farmers. Her innovation was a great inspiration to the students. The last session was headed by **Mr. Santhosh Palavesh, Founder & CEO of UMM Digital**. He started with a talk on how he was inspired to start his dream company. He spoke about the different problems that he faced when he started his venture. He also encouraged the students to take up business not see it as a risk and how it helped him that he started his business at college level. He concluded by offering to mentor any student who is under his area of expertise.

The various events and training programme undergone by faculty are:

On 08/08/2017, Dr. G. Rohini and Dr. B. Ramesh attended the first intercollege meeting consisting of top management representatives of all the SPOKE registered colleges in Chennai at Anna University, to discuss about the implementation of online course on entrepreneurship.

A Faculty Development Programme was attended by **Dr. B. Ramesh and Mrs. D. Pradishta** at Anna University, for duration of three days from 7th September to 9th September 2017. The

programme was on training the faculty to handle the entrepreneurship course, LW100, for ED cell members in the campus.

A Faculty Development Programme was attended by **Ms. S. Banupriya and Ms. D. Pradishta** at Anna University, for duration of three days from 23rd January to 25th January, 2015. The programme was focussed on training faculty to handle LearnWISE online course LW101, for the students.

Student participation other than college events are:

Aravind Vaidhya. G (III year ECE) **Jen Bernard. J** (III year EEE) attended a student E-Leader Workshop held at **Anna University** for a duration of two days between **15/09/17 to 16/09/17**. The workshop gave students an idea about the different entrepreneurship cell activities that can be done inside college to create awareness as well as to encourage students.

Sai Sadhan (II year ECE) attended a workshop on **"Bitcoin"** conducted at **Anna University on 9th to 10th February, 2018**.

Aravind Vaidhya. G (III year ECE) and **Jen Bernard. J** (III year EEE) attended a workshop on **"Digital Marketing"** conducted by **P.S.G. Institute of Management, Coimbatore**; this workshop was held between **March 2nd to March 3rd, 2018**.

On the **9th of March**, Anna University organized various contest for young women from various colleges followed by a workshop at Anna

University. The theme of the workshop and competition was Women Entrepreneurship. **Pooja.S (II ECE), Madhumitha.S (III CSE), Kamalee (III EEE), Nivedha.E (III IT), Sandhiya.T (II Civil) and Suruthi. M (III MECH)** attended this workshop at Anna University.

Our College is registered under Anna University to conduct free **Online course (LearnWISE) in association with NEN.**

Online courses are being conducted for the second year ED cell members. The course is an initiative taken by Anna University in association with Wadhwani Foundation. The course aims in encouraging and motivating the students to start their own business inside college campus.

The course has progressed upto six lessons upto date. The course has numerous fun filled activities and assignments. One assignment given to the students was to interview an entrepreneur and get

a report done. The students are also continuously monitored through online assessments. During the last six lessons students were introduced to different key skills and styles of entrepreneurship. The course was conducted for two days 19th and 20th of February, 2018.

Funds Applied

On 19/02/17, a fund of **Rs. 20,000** was applied for conducting a three day Entrepreneurship Awareness Camp inside our college campus for a maximum of 75 students. It is a fund jointly sponsored by **Department of Science and Technology- National Implementing and Monitoring Agency for Training (DST-NIMAT)** New Delhi; Entrepreneurship Development Institute of India, Ahmadabad (EDI); and National Science & Technology Entrepreneurship Development Board (NSTEDB) New Delhi.

ABHS

ADVISORY BUREAU FOR HIGHER STUDIES

The Advisory Bureau for Higher Studies (ABHS) was established in the year 1999. Ever since its inception, it is functioning as a separate wing. The prime notion is to serve the student community for getting admission to higher studies in India and abroad with a main objective to enable students prepare for tests like GRE, TOEFL, GMAT, IELTS, GATE, CAT, etc. It maintains all the latest information regarding these exams. The students can access ABHS for getting any information about various universities and courses they offer. The record of the alumni pursuing higher studies is well-maintained in the ABHS. In St. Joseph's Institute of Technology, ABHS was inaugurated in the year 2013 with a similar objectives.

TIE-UP WITH FOREIGN UNIVERSITIES

A Memorandum of Understanding (MOU) has been signed between St. Joseph's college of Engineering and New Mexico Tech. The MOU was signed between Dr. B. Babu Manoharan, Chairman and Managing Director, St. Joseph's Group of Institutions, and Dr. Daniel. H. Lopez, President, New Mexico Tech, Socarre, New Mexico, USA exchanged MOU on August 22, 2003 signifying mutual interest in the development of joint educational and research projects. The two institutions agreed to collaborate in research, teaching and/or out reach in the fields of interest to both institutions. The programme also encompasses the exchange of publication, scientific and technical material, scientific journals, submission of joint research proposals to funding agencies and co-operations in research projects on topics of mutual interest. This programme envisages long term and short term exchanges

BUSINESS ENGLISH CERTIFICATE

BEC

The Business English Certificate (BEC), a certification from Cambridge university, ESOL is a qualification which is specifically in English for work: whether it is industry, business or government. BEC gives an opportunity to learn practical language skills as in workplace.

BEC certification is offered under three levels - Preliminary, Vantage and Higher. Every year, a diagnostic test is being conducted for all the students and they are categorized under three levels. Based on the level of categorization, students are given training for the test to attain BEC Certificate, students are assessed in the four areas: listening, speaking, reading and writing. The tasks and questions are taken from real workplace situations.

For the past seven years, BEC examination has been conducted by the Cambridge University in our college campus. The details of the results are as follows:

BATCH : 2016 - 2020

LEVEL	NO.OF STUDENTS APPEARED		NO.OF STUDENTS PASSED		PASS PERCENTAGE
	Engineering	Technology	Engineering	Technology	
BEC VANTAGE	727	439	709	402	95.28%

Our colleges have been awarded as a best preparatory center award continuously for the past six years for conducting BEC inside the campus by the Cambridge University. This year we have been awarded as South Asia's Best 25 preparation centers for higher education 2016-2018.

BEC is relevant and has helped the students to be more competent and confident by improving

language proficiency. It has also developed cross-cultural communication skills and overall development of the students with an impact on confidence levels through international certification. Every year, our students outperform others in the BEC examination and some of them are awarded as high performance achievers.

COMMUNICATION SKILLS LAB

- English Lab has the following modules designed to enhance language skills among students to make them successful in their careers.
- Communication Skills acts as a comprehensive language development programme covering reading, writing and grammar.
- Listening Skills section gives the students a thorough grounding in many aspects of listening and listening comprehension.
- Vocabulary module trains students in an easy and firm way to learn words and retain them.
- Phonetics trains the students in English sounds, pronunciation, stress, intonation, etc. covering vowels, consonants, Diphthongs, Inflections, Intonation, Stress pattern and Rhythm, Ear training, Common errors in English, Correct pronunciation and Phonetic Symbols.
- Self-assessment at the end of each assignment aids in analyzing the progression made.

CAREER LAB

A self-learnable digital program that teaches Public Speaking, Facing Interviews, Group Discussion, Resume Preparation and Assertiveness is the Career Lab. These are among the skills HR executives consider as essential ones for every prospective employee.

Modules in Career lab are:

- Public Speaking
- Facing Interviews
- Group Discussion
- Resume Preparation
- Assertiveness
- Soft Skills

All the programs are designed to impart important career skills to the students and thereby enhance employability and ensure success. The courses are self-learnable and interactive with Concepts authored in an easy and learner friendly one-on-one style. Rich visuals and animations make the courses interesting and help students understand the concepts better. Assessments are integrated to evaluate student's performance.

FACILITIES

Books and CDs for taking-up examination like GRE, TOEFL, GMAT, IELTS, CAT, etc are available. About 1,150 books and 100 CDs are available for the access of students.

ABHS organizes guest lectures and seminars to equip students for pursuing higher studies. Various workshops and seminars are handled by resource persons from IDP, USIEF, Cambridge University, British Council and other higher studies agencies.

Apart from this, students are exposed to the first hand information from Associate Directors, Deans, Department Heads and Faculty members from many educational institutes like SUNY, Arkansas State University, Swinburne University, University of Sussex, Illinois Institute of Technology, Rochester Institute of Technology, University of Denver, Pace University and Southern Illinois University. Many academicians have visited our campus and have briefed students about the application process, scholarships and requirements in their respective universities.

CAMPUS COACHING CLASSES

Campus training classes for GATE is being conducted for the III year students during Saturday, Sunday and Monday, whereas GRE, TOEFL & CAT classes are conducted after the regular class hours on the remaining week days.

Even though these classes are meant for the betterment of our hostel students, interested day scholars are also encouraged to join the classes and are allowed to stay in the hostel free of cost during these days.

STUDENTS PURSUING HIGHER STUDIES ABROAD

Our students have got admission into various top ranking universities in different countries like USA, Australia, UK, New Zealand, Canada, Germany, Sweden and Singapore. To name a few, University of Texas, Stanford university, NJIT, Carnegie Mellon university, University of Massachusetts, Arizona State University, North Carolina state University, Illinois Institute of technology, University of Pennsylvania, Concordia University, Leeds university, Florida institute of technology, University of Birmingham, NUS, NTU, University of West Virginia, MRIT, University of MTU, McGill University, Clemson University, University Of Massachusetts, University Of Central Lancashire, Texas Tech University, Texas A & M University, Karlsruhe Institute Of Technology-Germany, etc. Many of our students are also pursuing higher studies in the esteemed institutions like IITs, IIMs, and IIPM.

The below table shows the number of students who have got admission for higher studies during recent years:

S. No	Academic Year	No of students*
1.	2016 - 2017	147
2.	2015 - 2016	187
3.	2014 - 2015	192
4.	2013 - 2014	187
5.	2012 - 2013	163
6.	2011 - 2012	131
7.	2010 - 2011	123

55 students of 2016 – 2017 batch,
51 students of 2015 – 2016 batch and
43 students of 2014 – 2015 batch of
St. Joseph's Institute of Technology
have got admission for higher studies.

**This is the number of students who have gone for higher education immediately after the completion of their course while many take up education after one or two years of work experiences in industry.*

Every student faces the world with a new perspective after they've had their basic bachelor degree, and the knowledge that they gain during the course period is insufficient. To enlighten and to nurture our students into successful adepts, we encourage them to put up with certain Value added courses and workshops. These courses develop an urge in them and keep them updated on the latest trends and improves their technical skills further.

These courses offer our students an edge over others and have the following advantages:

- Enhances aptitude skills, technical knowledge, ability to think and innovate
- Exposure to recent trends in the core field, augmenting the employability of the students
- Strives to inculcate fundamental problem solving skills to Encourage the students and make them understand the use of modern research tools.

Keeping in mind the recent status of the current competitive world, and to make sure that our students are technically stronger, these value added courses are made mandatory for all the students in the fourth and sixth semesters.

It's a 54 hour programme that goes on for 6 days, for which the students will be charged a nominal amount based on the course opted for. The students who have enrolled for the programme, are divided into batches of 30 for better learning.

**Total number of
students benefited 7442**

**St. Joseph's College of Engineering
6082 students**

**St. Joseph's Institute of Technology
1360 students**

Programming Training Courses

Learning is the key to knowledge and continuous learning is being the constant objective of our college. Working towards the objective of our college. The periodically conducts trainings, lectures and various other programs for the wellness of the students. In the present day scenario, all engineers need extensive computational skills irrespective of their engineering branch of study. As most of the industries are very keen on programming fundamentals, our college has arranged value added course on core languages as C, advanced C programming, Data Structures and JAVA for all I, II and III year students through E-BOX, Skillrack and Six Phrase. E-Box is a Technology Enabled Active Learning and Assessment platform for technology and engineering domains.

The training session covers both theoretical concepts and practical sessions for 27 hours of 3 consecutive days. Auto evaluation of hands-on exercises at multiple levels has been carried out periodically and the students are calibrated based on their performance. Also a training session on Career Development Skills is organized to provide the students with the self-understanding and necessary tools to establish a meaningful career. It ensures the need for academic knowledge and career management skills to be successful at the end of his/her studies.

Total number of students benefited : 7083

St. Joseph's College of Engineering : 5723 students

St. Joseph's Institute of Technology : 1360 students

**QIC**

QIC of our college, in collaboration with IIT Bombay and Anna University, is conducting an online workshop that covers Free Online Software Source (FOSS) such as Latex, Java, C/C++, Open foam, Scilab, PHP, Python, etc. In this academic year, about 4641 students undergone the workshop on different domain languages. Following the workshop, students are provided with study materials to help them in facing 45-minute objective type online test. Students cleared the online test and achieved e-IIT Certificate from IIT Bombay. These workshops create awareness and interest among the students in learning the new software.

Quality Improvement Cell

We also organize various workshops on current technologies in association with reputed industries as well as with student chapter organizations to impart necessary skills for best transition from an engineering student to an engineering professional. These workshops enhance the theoretical concepts learnt by students with hands on practical sessions as well as provide an outline for many emerging technologies that are not covered in the syllabus.

**Technical
Workshops**

Some of these workshops conducted by different departments for their students in this academic year are:

- Haptic ROBOT
- Mind Control ROBOT
- QUAD QUARTOR
- Python & Raspberry-Pi
- Receny Trends on IOT in Medical & Electrical Application
- Soft Skills Programme
- Linux
- Artificial Intelligence
- JAVA & SQL
- Grid Integrated solar PV Systems with Research Perspective
- Hands on Training Arduino
- Power Electronics with MATLAB
- Web Designing
- Electrical CADD
- Tall Buildings
- Sustainable Material in Civil Engineering.
- Internet of Things, Embedded Robotics
- Recent trends & development in HVAC& R.
- Big Data Analytics & Rapid Miner.
- Drug and Protein Structure Designing.
- Subspace Methods for Array Signal Processing Applications.

To understand the corporate working environment better, our college has signed several MoUs with world class organizations like BSNL, Pantech PRO Labs, CDCE, NSIC, Voltech Engineers Private Ltd, Kriatech Services, ORACLE University, ICT Academy, etc. These MoUs facilitate the students to avail the best possible training from them.

We also encourage and provide the necessary infrastructure for online courses like NPTEL (National Programme on Technology Enhanced Learning). The credentials gained by students through these value added courses are very helpful in getting a job in the competitive market and shows their preparedness to take up the challenges ahead.

Non Formal English Club Activities in Ladies Hostel

Saturday Activities

Every Saturday in the college is a wonderful opportunity for students to showcase their talents. This day serves the dual purpose, as an alternate for the routine classroom and to develop their skills. The day starts with placement training for all the students. The students participating in activity Saturday are divided into two different groups. The first group stays back at the college and the second group is headed towards an orphanage or old age homes.

Pre - Placement training programme:

All students who are participating in the Saturday activities will undergo pre-placement training. Pre placement training will be for a duration of 2 hours. Students will be trained by the experts in the area of quantitative aptitude, verbal and soft skills.

Soft skill activities:

The first group of students, who is staying back in college, are further divided into groups with six student organizers to coordinate the activities. The rooster system is followed and every student is given a chance to be a student organizer during his stay in the college for four years. These six students will conduct various activities focussing on developing the communication skills of students and making them void of stage fear. This programme envisioned by our Managing Director has proved to be an effective tool to inculcate leadership qualities. Here the students apart from developing their confidence levels also use this as a platform to collaborate with others. The activities are planned at different levels for students at different stages based on their year of study.

Communication skills:

For the first year students, the main focus is on developing communication skills and instilling confidence. The student organizers start from basics like memory games, tongue twisters, and shipwreck. Then they slowly move on to basic grammar using the play way method and translation games. They listen to audio and video clippings which would serve the dual purpose of motivating them and teaching them language. Peers scaffold them and help them to come out of their shells. Students are trained to influence and convince others, to discuss and reach agreement. Awareness of achievements, abilities, values, weaknesses and what one wants out of life is also done through sessions designed to analyze their self. They develop the competencies needed for current and future roles.

Interpersonal skills development activities:

For the second year students the focus is on developing soft skills. Various activities are conducted to create awareness and develop their efficacy in handling situations. Students have various activities like role play, channel surfing, quiz, debate, technical puzzles. They are trained in developing a positive attitude, team skills, adaptability, personal integrity, negotiation skills,

critical thinking and personality development. They start recognizing and respecting different perspectives. They accept responsibility for views & actions and by now they are able to work under their own direction & initiative. They start generating new ideas and solutions.

Employability skills:

The focus for the third year and final year students is on employability skills. They are given various communication activities to express their ideas clearly and confidently. They also participate in various team activities which would help them to work confidently in a group. Students enrich themselves with problem solving techniques and would be able to act on the initiative; identify opportunities, proactive in putting forward ideas & solutions. They are trained to adapt themselves to changing situations. Students are trained to prioritize and manage time effectively. They are also trained in written and oral communication. Thus, all these activities help in making students more employable and competitive in the global market.

**NGO activities:**

The second group of students, who are visiting orphanages and old age homes, shed all their inhibitions and mingle with the children there and spend some quality time with those children.

St. Joseph's Group of Institutions offers a special lunch with sweets and ice cream to all inmates of the homes. It indeed teaches the Josephites how much we are blessed and motivate us further to reach out to the underprivileged and do something for them.

ECO-SOC CLUB

For the academic year 2017-18, the activity, "YOUTH EMPOWERMENT" was organized on 21st August 2017. This event was inspired based on the real time conference to be conducted on January 2030 by the United Nations for Youth Empowerment officially named "THE UN YOUTH FORUM 2030". This future realistic event is an open call for all the successive Youth Organizations and Revolutionists on voicing their opinions on various aspects. The unique feature of this event is that the youth themselves come forward to build their own future world and resolutions are made by them with the approval of the UN. This event was a miniature of such an event to be organized in future. The topic was conceded from 'THE WORLD' to 'INDIA' where five main Wings took lead in this debate. All the five Wings were apportioned with the five teams of five members each. The Wings are namely 1) Health, 2) Economy 3) Politics, 4) Law and Order, 5) Education.

The event started with a preliminary quiz on current affairs. 25 students who topped this quiz were qualified for the main event which was the **"YOUTH EMPOWERMENT"**.

The students actively participated in defending their wings and voicing their opinions. They came up with innovative ideas for the betterment of a society of their wish and insight. Finally resolutions were taken by the Wings by summing up their opinions. The best outspoken team stood out among the others. The winners were judged based on their creativity and their ability to handle crisis and make effective decisions. The Winners list is given below:

POSITION	NAME OF THE STUDENT	YEAR	BRANCH & SEC
FIRST	Varun Cruz (Engg)	III	CSE
	Maya Mishra (Tech)	II	ECE
	Hari Haran S (Engg)	III	CSE
	Pallav Singh (Engg)	III	CSE
	Bharath G (Engg)	III	CSE
SECOND	SachinVishaul B (Engg)	III	CSE
	Flora Sashya S (Engg)	II	ICE
	Gautham TH (Engg)	III	EEE
	Manoj S Nagendra (Engg)	II	CSE
	Vignesh M (Engg)	III	CSE

ECO-SOC QUIZ

The Eco-Soc Quiz was conducted for the remaining students. They were grouped themselves with 4-6 students each. Questions related to current economic and social events in the country and across the world were asked. The Winners list is given below:

POSITION	NAME OF THE STUDENT	YEAR	BRANCH & SEC
FIRST	Akash J (Engg)	III	EEE
	Akshay Raman (Engg)		
	Ajith Kumar (Engg)		
	Gokul (Engg)		
	Ashwin S (Engg)		
	Abinanth R (Engg)		

The second event for the academic year 2017-2018 was conducted on 21st August 2017, named **"COLOSSAL CLASH"**. As the name suggests this event was a creative competition between the participants in building a "smart city" in their country. Considering the role of technology in this smart-era the development of a smart city is a prerequisite for the betterment of today's society.

The requirements of the smart city were:

- *Metro transport facility*
- *Wireless communications*
- *Signalling systems*
- *Smart security units*
- *New technologies for example Hydro-electric units.*

*other amenities can be included by the individual creativity of the group.

The event started with a preliminary quiz in socio-economics. The top 25 were qualified for the final round 'THE COLOSSAL CLASH'. The finalists were divided into five teams of five members each. In the 1st round the participants were assigned to design their smart city quoting a creative caption explaining the importance of their dream city.

The participants brainstormed with their futuristic ideas in coming up with a fantastic city of their own. In the 2nd round the participants had to explain the working process of their design. The Winners list is given below:

POSITION	NAME OF THE STUDENT	YEAR	BRANCH & SEC	COLLEGE
FIRST	AbishekKashyap S	II	CSE	TECH
	Kishore S	II	CSE	TECH
	Kevin Thomas Joseph	III	MECH	ENGG
	Jabers J	III	CSE	ENGG
	Azarradeen U	III	ECE	ENGG
SECOND	Akshay J	II	MECH	TECH
	Jagajeet. K	II	CSE	ENGG
	Zakkam William Nirikshan	III	CSE	TECH
	Varun Cruz	III	CSE	ENGG
	Vignesh M	III	CSE	ENGG

ECO-ZAP QUIZ

The Eco-ZAP Quiz was conducted for the remaining students. They were grouped themselves with 4-6 students each, Questions related to current economic and social events in the country and across the world were asked. "THE ECO-ZAP" an innovative ad-zap on the hypothetical tools to express the needs of the current society. Students participated with vigor and enthusiasm. The Winners list is given below:

POSITION	NAME OF THE STUDENT	YEAR	BRANCH & SEC	COLLEGE
FIRST	SanathVishwanathan S	III	MECH	ENGG
	Yuvan K			ENGG
	Sanjeevi Kumar R			ENGG
	SanjuReshi R S			ENGG
	SachinNatesh K P			ENGG
	Sivasuriya S			ENGG

The third activity for the academic year 2017-18, "Welfare Synergy" was organized on 24th January 2018. The club activity consisted of three rounds. The first round was a preliminary test that consisted of 25 questions based on general knowledge, economics, technology, history, and civics. Top 25 students qualified to the next round which was designed exclusively to discuss pressing issues faced globally by most nations. The event was centered on creating "International Welfare Organizations" on different sectors namely, a) Trade and Economy b) Environment c) Health and Sciences d) Education e) Military Alliance. The Organisation created was a virtual organisation that was currently not present.

The students were divided into groups of five, each group representing an organization based on global issues. There were two rounds in the activity. The first round consisted of brain storming and the teams had to come up with a name of the organization (acronym), logo, vision and mission for their organization. They were also asked to choose a representative as their President who would convey their aims across. In the second round, the students were given certain issues that were specific to their sector. As an organization, they were required to find feasible and innovative solutions to solve the problem by complying with

their primary goals and aims. Then, the groups were given a chance to question each other based on their fundamental policies and the solutions that they provided. The groups were judged, based on several criteria such as innovativeness, realism and problem solving skills. The best two groups were awarded with certificates and cash prize. The Winners list is given below:

POSITION	NAME OF THE STUDENT	YEAR	BRANCH & SEC	COLLEGE
FIRST	JishnuBhavan	III	EIE	Engg
	Arockiya Praveen J B	II	IT	Engg
	Syed Asim	II	MECH	Engg
	Krishna Navajothikumar	II	MECH	Engg
	Karthikeyan J	III	EEE	Engg
	Jayasuryan J	III	EEE	Engg
SECOND	Kiran Kumar R	III	EIE	Engg
	Anish Hirithik N	I	MECH	Engg
	Anuj C	I	MECH	Engg
	Balasubramanian G	I	MECH	Engg
	Gavin Karanraj S	III	EEE	Engg
THIRD	Ealayaraja C	III	EEE	Engg
	Evangelin Rose D	II	ECE	Engg
	Abdul Ashiq A	II	EEE	Engg
	Sherwin Vishaal R	III	IT	Engg

The fourth activity for the academic year 2017-18, "Voice your Rights" was organized on 21st February 2018. A preliminary test consisted of 25 questions based on general knowledge, economics, technology, history, and civics to select top 25 students for the next round in which they had to voice their rights on the current pertinent issues of the modern world. Each group were required to work together as a team and pitch an effective way to voice their opinion and demand their rights based on the specific topic given to them. They had to conduct a rally on the topic given and each group were required to create a catchy phrase, main motive, and a solid agenda of their rally. The topics given to the teams were: 1) Women's empowerment, 2) Environmental pollution, 3) Food adulteration, 4) Negative Effect of media, and 5) Mental health.

This activity showcased the students' capacity to work as a team, their creativity to come up with catchy phrases and also their knowledge about the current issues in the society. Each team had to showcase their rally and come out with an effective strategy for spreading the awareness of the pertinent issue through social media. They were judged on their creativity, originality, and relevance of points. The best two teams were awarded with certificates and cash prize. The winners list is given below:

POSITION	NAME OF THE STUDENT	YEAR	BRANCH & SEC	COLLEGE
FIRST	Gavin Karanraj S	III	EEE	Engg
	Sherwin Vishaal R	III	IT	Engg
	Thingom Chourajit	III	IT	Engg
	Anurag S S M	II	CSE	Tech
	Maya Mishra	II	ECE	Tech
SECOND	John Richardson	II	CSE	Engg
	Bhuvaneshwaran	II	EIE	Engg
	Rajan R	I	IT	Engg
	MothishRaaj K	I	IT	Engg
	Kishore S	II	CSE	Engg

ECO-SOC QUIZ

The Eco-Soc Quiz was conducted for the remaining students. They were grouped themselves with 4 - 8 students each. Questions related to current economic and social events in the country and across the world were asked.

The Winners list is given below:

POSITION	NAME OF THE STUDENT	YEAR	BRANCH & SEC	COLLEGE
	Jagajeet K	II	CSE	Engg
	Abdul Ashiq A	II	EEE	Engg
	Bhuvaneshwaran K	II	EIE	Engg
	Hariharan P	II	EIE	Engg
	Hariganesh P	II	EIE	Engg
	Gunasekaran M	II	EIE	Engg
	Gowtham S	II	EIE	Engg
	Arockia Praveen J	II	IT	Engg

DEVELOPER STUDENT CLUB (Google Club)

The Developer Student Club is an initiative by Google Developers in association with over 182 universities and colleges, in 96 cities all across India, for the facilitation of innovation among students and aspiring engineers. Karen Zipporah J, 3rd year, Department of Information Technology, St. Joseph's College of Engineering, St. Joseph's Group of Institutions is selected as the DSC Lead for the academic year 2017-18. It is a club for students where awareness workshops and events are held to promote, learn and develop mobile solutions for our local eco-systems where small impacts can be seen in our respective communities.

Accordingly, the club hosted a one-day Android mobile development workshop on the 13th of February, 2018 in our campus. The hands-on workshop marked the process of learning in a very enthusiastic manner and hence was a great success for the students who attended. Participants included students from both St. Joseph's College of Engineering as well as from St. Joseph's Institute of Technology. The students from both colleges were taught an introduction to development in Android and left having made a sample application.

The first ever Developer Student Club Summit in India was held on the 23rd, 24th and the 25th of February, 2018 in Radisson Blu Resorts, Goa, India. The summit focused on the development and motivation of the DSC leads to inspire, innovate and inculcate the problem solving nature in students.

The summit extended to a total of two and a half days including an introductory session for networking purposes. There were eminent speakers present for all sessions including both Googlers and influential public figures. The sessions held on the first day involved self-conducting content which was focused on how motivation should be imparted to students in around our college eco-systems. Apart from leadership based content, an interactive design thinking workshop was conducted by members of the University Innovation Fellows Program. Personnel from nearby local businesses were invited

and problem solutions were generated for real time difficulties faced by them.

The sessions held on the second day were more technical in nature and included talks from various Googlers on their specific domains, including the Google assistant, Dialogflow, Machine Learning with Tensorflow, the Android Operating system and more. Also, a session based on "story telling" and impact creation was conducted which inspired us, as leads, and as software engineers to focus on helping our community apart from just following our regular academic curriculum. As engineers, we have the power to generate digital solutions for the society and the common man using our mobile development skills—as smartphones are a common commodity of free access to almost everyone in this day and age. They showed us short films and success stories of how our small developments for small businesses, nonprofit organizations and NGOs can create a huge impact in lives by digitizing their lifestyles. Thus the innovation and inspiration brought the event to a successful ending.

The students from both St. Joseph's College of Engineering as well as from St. Joseph's Institute of Technology showed immense enthusiasm in the workshop activities conducted by the club, leaving behind a great response.

The DSC leads attending the summit from 170 colleges and 90+ cities

Cognizant

Students Club

The aim of Cognizant students club is to facilitate continuous grooming of the students to meet corporate expectations. This also provides our students with an opportunity to strengthen their skills & sharpen their knowledge.

The objectives of the club:

- To provide opportunity to gain industry knowledge by frequent interaction with industry experts.
- To provide communication and other personality development training for holistic development of the student.
- To provide exposure in latest technologies advancements in IT Industry.
- To offer mini projects to implement the theoretical concepts and knowledge possessed by them.
- To get mentorship from industry representatives and to groom themselves for corporate.
- Also developing team building, leadership and interpersonal skills by activities with students of other colleges.

The club activities include communication & personality development, Exposure to latest technologies, mini projects, Coding test, Bug Identification, mentorship, team building, technical guest lectures. Teams from various colleges will be given tasks & the college who have been actively involved in the club activities will be motivated by providing exciting prizes for the best performing college, team, star performer & best mentor.

St. Joseph's

விடுவெள்ளர்

(NGO - Non-Governmental Organisation Activities)

Serving the needy is serving God himself

Giving to the needy is true charity. All other gifts have a nature of measured return.

Each human being deserves an equal opportunity to have a peaceful living. Every one of us should give more to private and charitable effort to eliminate poverty. Our Chairman and Managing Director desires for extending his support to the homes for the aged people, children suffering with cerebral palsy and orphanages through St. Joseph's **விடுவெள்ளர்**, a non-governmental organization. Also, he wants to invoke the service mind of student community by encouraging regular visits to these homes. During the visits the students witness the life of the needy people and they are motivated to serve them. In the academic year 2018-19 St. Joseph's **விடுவெள்ளர்** has committed to contribute more than 75 lakhs towards the developments of these homes by the way of infrastructure developments, teaching and learning aids, food and cloth requirements. Moreover,

we are going to support Primary Health Centres in and around campus.

During the past seven academic years more than 100 NGOs, including 80 orphanages, 15 old age homes and 10 CP children homes in and around Chennai have been visited by our student volunteers. During 2017 - 2018, we also visited Primary Health Centres. All these visits gave our students an awareness of the existence of poor, downtrodden life style and also a feeling to acknowledge their own good fortune and create a sense of duty towards those less fortunate which is the need of the hour for our country's development. Further, it makes the young minds to serve the needy, and thereby transforming them into responsible citizens. For the past seven academic years, our college has regularly arranged several visits each semester for various homes. St. Joseph's has sponsored around Rs. 60,00,000 and the students have willingly volunteered and whole heartedly spent around Rs. 15,00,000 which was utilized in a useful manner by offering the basic needs such as rice bags, groceries, toys, clothes, pillows, medicines etc., for the inmates. In addition to the NGO activities, the college has continued

to provide snacks in the evening to the students of Government Higher Secondary School, Semmencherry. Our student volunteers are involved in evening classes along with the school teachers for the children studying 10th standard in that school. In the SSLC public examination, the school results were improved and this year also we expect more than 90% pass.

St. Joseph's **விடுவெள்ளர்** is committed to serve the following for the NGOs:

- **Build Infrastructure**
- **Food and Clothes**
- **Teaching and Learning aids**
- **Medicines & Sanitary Requirements**
- **Provisions and other needs.**

During the NGO visits by the students, Our college, offers special lunch (both vegetarian and non-vegetarian dishes with sweets, savouries and ice creams) to all the inmates of orphanages and old age homes. Our students are provided with transport facilities to visit the homes on activity Saturdays. All the students, from first year to final year both UG and PG enthusiastically participated and mingled with inmates of the homes and spend their daytime with them spreading their happiness. They also spend their pocket money in a charitable manner by offering needy things.

We wish to continue this service forever!

SMART INDIA HACKATHON 2018

Smart India Hackathon 2018, a digital product development competition organized by the Government of India is the biggest Hackathon in the world till date. The primary objective of the Smart India Hackathon-2018 initiative is to create a permanent platform to harvest the creativity and energy of our youngsters directly for nation building. It is the world's biggest open innovation model. Around 30 lakhs and more students from over 6400

technological institutions in India have participated. 27 government ministries/departments are partnering this event to provide Problem Statements. Smart India Hackathon 2018 is having 2 sub-editions Software as well as Hardware:

- *Software Edition will be 36-hour software product development competition*
- *Hardware Edition will be a hackathon where teams will be work for 5 straight days and build their hardware solutions*

Our students have enthusiastically participated in this event by submitting solutions to various problem statements posted by various departments at initial level. 49 Teams are selected for Grand Finale based on the novelty of the idea, complexity and the potential for future work progression in.

TEAMS SELECTED FOR THE GRAND FINALE

SOFTWARE EDITION PHASE

St. Joseph's College of Engineering & St. Joseph's Institute of Technology : 52
Department of IT - 35 + 1 ; ECE - 1 ; CSE - 10; ICE - 2; EIE - 2 ; MCA - 1

Hardware Edition Phase

St. Joseph's College of Engineering & St. Joseph's Institute of Technology : 12
Department of IT - 3 ; ECE - 1 ; EEE - 2; CSE - 1; ICE - 2; E&I - 3

Smart India Hackathon

Special Achievements

St. Joseph's College of Engineering Special Achievements

AICTE - ECI Chhatra Vishwakarma Awards - 2017

AICTE and Engineering Council of India (ECI) have jointly organized "**AICTE-ECI CHHATRA VISHWAKARMA AWARDS**" on 19th September 2017 at New Delhi.

Our college has won "**Outstanding Institutions Award**" among the Engineering Institutions of India. In addition **Civil Engineering and Information Technology** departments have bagged "**Outstanding Student Engineers/Teachers Awards**" for their innovative research projects presentations.

St. Joseph's had a tough competition to emerge, upto final demonstration (Biotech, Civil, EEE and IT) out of 965 projects that were received from 23 states.

International Delegation at Model United Nations - Singapore

A "Model United Nations" (MUN) conference convenes pre-university and college students to negotiate and formulate solutions to global problems. Globally 1230 delegates had participated in addressing the current affairs and international relations by discussions, debate, and resolution on a multinational problems.

St. Joseph's takes pride in proclaiming that our final year **Biotechnology** student **Ms. Pavithra M**, had been invited as the "First" and the "Only Indian delegate" to represent our country under "United Economic and Social Council" of Model United Nations 2018, held at Nanyang Technological University, Singapore on 23rd -25th February 2018.

Nations 2018, held at Nanyang Technological University, Singapore on 23rd -25th February 2018.

DST PROJECT - Smart India Hackathon 2017

Mr. Aravind Siddharth S, Ms. Deepshika V A, Ms. Aasha, Mr. M Boobalan, Mr. S Dinesh, Ms.B Gnana Priya N of Final year CSE, won **fourth place** in **“Smart India Hackathon 2017”**. They submitted a project proposal for designing project “Gaming, Apps for the elderly people to keep their memory active” for the Department of Science and Technology and received the grant **Rs. 3,00,000**.

Unisys Hackathon 20/20

Mr. Venkatesan G, Mr. Vikash A, Mr. Surendhar, Mr. Surya Venkat Raghavan Bof 3rd year IT department have participated in “**Unisys Hackathon 20/20**” conducted in the month of December on 16th at Bangalore on the topic “Machine Learning-Predict the arrival of the next support issue for a product” and has secured “**First Prize**” with a cash reward of **Rs.100000** (Rupees one lakh).

LEARNATHON 2018

Academy of Information and Communication Technology (ICT academy) conducted a **24 hours Learnathon challenge and New India Student Championship** between 2nd & 3rd February 2018, bringing together 10966 students from 118 colleges across the country. The contestants were expected to complete around **5.35 Lac learning modules** to earn “**Digital badges**” as credentials.

Our college students found these tasks more challenging as it provoked self-learning. **St. Joseph's college of Engineering** had been selected as the “**Excellent contributor**” of **New India Student Championship 2018**. Out of 100 student's enthusiastic participation in the event, the following **three significant positions** had been bagged by our college.

Name of the Students	Branch & Year	Prize amount
Mr. Rajesh Guru	III Mech	Rs.3000 Gift Voucher and Certificate of Recognition
Mr. Shriram M C	III EEE	Rs.2000 Gift Voucher and Certificate of Recognition
Mr. Varun Kumar	II ICE	Rs.1000 Gift Voucher and Certificate of Recognition

Best performance in Project Design

Mr. Varun Kumar. S, Mr. Jayasurya. S.M, and Mr. Joshua Ponsam (III ICE) has won **Rs.25000** for the “**Best performance in Project Design**” held at Bannari Amman Institute of Technology, Coimbatore on 7-9th September 2017.

Mr. S. Varun Kumar(III ICE) 3rd position in “**New India student championship 2018**” - The largest learnathon of India organized by ICT academy and Trail head.

Ms. Jabaselvi lediyal S & Ms. Kamalashruthi S (III ICE) won cash prize of **Rs.7000/-** for securing place in top 35 position in “**3rd Mitsubishi Electric Cup**” National level competition for Factory Automation held at Nirma University, Ahmedabad.

SAE e-BAJA - Inferno Racing Team

Students from the **Department of Mechanical Engineering** formed a racing team consist of 23 members, as a team named “**Inferno Racing Team**”. The team designed and fabricated their own customised ATV (All Terrain Vehicle) buggy in our campus. They represented our college in the **e-Baja** event conducted by **SAE India** held at Pithampur, Indore and secured 13th position at National level and 1st in Tamil Nadu. They also secured National level 4th position in Design Evaluation.

MEGA ATV Championship 2018 - Aurelian Racing

A team named as **AURELIAN RACING** comprising 25 students of **Department of Mechanical Engineering**, designed and fabricated All Terrain Vehicle in our college campus named **ART 1.0**. This team had participated in **MEGA ATV CHAMPIONSHIP 2018**, organized by **AUTOSPORTS INDIA**, at **Nashik, Maharashtra**, from 24th- 26th February 2018 and secured **23rd position** out of 100 teams at National level. Also the team secured **7th position** in **DRAG RACE** event.

Tamil Nadu State Council for Science and Technology - Project Award

The following student's projects from Department of Electronics and Instrumentation Engineering have been selected for TNSCST – Student Project Scheme – 2017-2018 by Government of Tamilnadu and awarded a cash prize of **Rs. 10,000** (each).

Project Name	Mentor	Students
Sewage block detection	Dr. R. Sivakumar, Professor	Mr. Rithesh S Mr. Richerd Sebasteen S
Controller design for TITO process using optimization algorithm	Mrs. S. Meena, Associate Professor	Ms. Aashika Suresh
Design of controllers for interacting spherical tank system	Mr. D. Dineshkumar, Assistant Professor	Ms. Ashwini Suresh

Participation in International Conferences conducted in Abroad

Mr. Anand Raja. M.J, the final year student of **Department of Electronics and Communication Engineering** has attended “Student Leadership Conference and OSA Annual Meeting” which was held from 17th-21th September 2017, **Washington, USA**, with “full sponsorship”.

Mr. E Joan Sheryl, the third year student of **Department of Electronics and Communication Engineering**, had presented a paper entitled “High performance Super Capacitor Synthesis” in the ‘12th International conference on Surfaces, Coatings and Nano-structured Materials (NANOSMAT-Paris)’ held in **Paris, France** during 11th-13th September 2017.

Mr. Dinesh.S of 2013-17 Batch, **Electronics and Communication Engineering**, has attended the Chapter Chairs event at “**ICEAA-APWC Conference**”, scheduled from September 11-15, 2017, **Verona, Italy**. He has been approved for a “travel grant USD 1950”.

Solar Tree Plantation at St. Joseph's

The project ‘**Solar tree**’ had been successfully planted in our college premises by **Department of Electrical and Electronics Engineering** to motivate and enhance the ‘**Go Green**’ policy among students.

A group of 12 students designed LED display using Solar tree which comprises of 8 branches with one solar panel each. Thus the solar radiations harvested effectively and economically by the solar tree, is used to power up the LED display.

Solar tree top view

Google Developers - Developer Student Club Lead

Ms. Karen Zipporah J from the 3rd year **IT department** was selected as the **Developer Student Club Lead(DSC)** for the academic year 2017-18. The DSC Summit was held on the 23rd and 24th of February, 2018 in **Goa, India**, as a motivation for the leads to conduct activities on their campuses and facilitate innovation.

CTS Big Idea Contest

Mr. Jaithun Mahira K Z and Ms. Shahida Banu R S of III year CSE, submitted an abstract in **CTS Big Idea Contest** and the team has been selected as Top ten teams to present on topic “**Humanless Surgeries using 5G Technology**”. It was held in MEPZ Tambaram on 7.10.2017,

NINJAKART

Mr. Amrish Krishnan, Ms. Bhuvaneshwari H & Ms. Lakshmi Priya V of III year CSE, presented a marketing strategy for **NINJAKART** startup in Bangalore. The team **won second** place for the event which was conducted on 08.10.2017 from the **top ten teams shortlisted**. The event was held in **IIM Bangalore**.

WORDICT

Mr. Amrish Krishnan, Ms. Bhuvaneshwari, Ms. H Lakshmi Priya V and Ms. Narmadha M of III year CSE, presented as a strategy consultant for the contest **WORDICT**. It was held on 08.10.2017 in **IIM Bangalore**. The team won the second place for the event out of **8 teams shortlisted**.

BECON conclave, IIT Delhi

Mr. Amrish Krishnan and Mr. Hariharan of III year CSE, presented a case study on Marketing Consultant in **BECON conclave** held at **IIT Delhi** and **won a Title Winner**.

National Level Open Challenge Competition : DefExpo 2018

S. VarunKumar of III year, Instrumentation and Control Engineering Department receiving consolation prize from **Defence Minister Smt Nirmala Sitharaman** for the National Level Open Challenge Competition “Solution to Problem: DefExpo 2018” during DefExpo India 2018 at Thiruvидanthai, Kancheepuram district on the East Coast Road near Chennai.

St. Joseph's Institute of Technology

Special Achievements

Z-torQ team's Tractor For Tractor Design Competition Organized by Society of Automobile Engineers (SAE)

The tractor design competition is organized by the society of automobile engineers for the first time in India. The competition prepares the students to be effective professional engineers, enables the students to gain practical knowledge and the competition is an excellent opportunity to develop technical knowledge and technical skills. The competition is to design, develop and fabricate a tractor based on the rule book completely inside the college campus.

A team of 25 students of Mechanical Engineering department (Z-torQ team) has undergone an untiring, full-fledged effort for the past three

months to design a multi-purpose sophisticated tractor named **"IGNITO – The Tractor"** which can be used in the various fields such as Agriculture, backyard purposes, farm gardens, mining and small scale industries. Our management has contributed the total sum of **Rs.1,76,000** for the fabrication of this project. The team expresses its humble gratitude to the Management of St. Joseph's Institute of Technology and also to the Staff members Department of Mechanical Engineering.

BLACKHAWKS RACING TEAM's All – Terrain Vehicle

Blackhawks racing team is a student racing team of 25 students of Mechanical Engineering which has competed in a national level off road vehicle design and fabrication competition called "Mega ATV Championship 2017" conducted by Auto Sports India. This event was conducted to build the engineering skills and the automotive fellow business skills in terms of marketing, presentation, leadership skill qualities and team building concepts.

The ATV was designed and made indigenously by our second year Mechanical Engineering students. The ATV was powered by a 10HP Briggs & Stratton petrol engine providing a torque of about 18.6Nm at 2600 rpm, a 4+1 manual gear transmission and a top speed of about 53.2km/h. The steering system used in our vehicle was a modified Maruthi 800 rack and pinion system with a wheel base of about 58 inches. The gear transmission used was from Mahindra Alfa. Disc brakes were used for the ATV which produced a braking force of about 2768.9N. It was subjected to stringent safety tests before we were allowed to race. The vehicle was off-roaded and tested on very harsh terrain.

.....

.....BLACKHAWKS RACING TEAM's All – Terrain Vehicle

The Seed for planning and executing such an enormous task was planted in our minds by our Chairman & Managing Director **Dr. B. Babu Manoharan M.A., M.B.A., Ph.D.**, who constantly encouraged us to think out of the box. He very graciously supported us financially by sponsoring **Rs. 1,00,000** and without his help our dream would not have come true. The Students participated in the Mega ATV Championship held in March 2017 at Ahmednagar. Our students competed with over hundred teams from all over India.

Drone Alpha **Visionary Intelligence, Unlimited Imagination**

Drone is a machine that helps us with surveillance as well as rescue operations and helps the community for various purposes. One important ability humans lack is that we are not able to fly. Flying gives us a huge advantage over others. An aerial view any location gives us a clear idea of where we are. Apart from flying, we have included many features in our Drone. Starting from video streaming to package delivery. Fabricated with a Carbon-Reinforced polymer and Carbon fibre, the drone is a modern rugged machine.

With the flying range of around 2 Kilometre and maximum flying height of 75 metres, we have the perfect surveillance device. With the on-board 4k camera, we will have a clear picture from the top and perfect cinematic quality videos and pictures. Fitted with various sensors like the gas sensor, ultrasonic sensor and PIR(Passive Infra Red) sensor, thermal imaging camera we have the additional advantages to the drone.

The flight controller has 3 modes one for beginners, amateurs and professionals by which it can be easily switched within seconds. Also it provides the in-flight battery voltage of the drone and alerts with haptic feedback when the battery is low. Implementing Fly-Eaze algorithm, it helps people who are new to drone flying and makes flying an easy task so whoever has played with a joystick can start flying within 2-3 minutes. The battery is 5000mah 3s Lipo battery which is a lightweight variant of lithium batteries which are prominently present in most of the high-end drones.

Applications:

- During rainy season if we have this drone we can easily have analyse the whole community so that the waterlogged places can be found out.
- In case there is a fire emergency we can make use of gas sensors to detect the presence of toxic and inflammable gases in the area.
- If an object comes towards the drone (in case if someone throws something at it) we can ensure the safety of our drone by using ultrasonic sensor.

- Using the high resolution camera, we can view all the places around the area from a room via a laptop or a Smartphone.

P.S. Aravindadhith, D.Aravind, J, Abhishek, Arockia Lijas, Ashish John Joseph of IIIrd Year Mechanical students made the drone .We are proud to say that our drone is less expensive than other drones that are available in the market. In addition, it has the features, which are fine-tuned for beginners. Therefore, our Drone is a combination of agility, performance, strength and it is User-Friendly.

Our management funded the project for a sum of **Rs 96,500/-** and motivated us till the end of the project. We were also guided by our Head of the department Dr. K. ArunVasanthaGeethan and Mr. D. Murali, Assistant Professor, to progress through the project with ease.

Pradhan Mantri Kaushal Vikas Yojana (PMKVY)

The Union Cabinet had approved India's largest Skill Certification Scheme, Pradhan Mantri Kaushal Vikas Yojana (PMKVY), on 20th March, 2015. The Scheme was subsequently launched on 15th July, 2015, on the occasion of World Youth Skills Day by Honorable Prime Minister, Shri Narendra Modi. PMKVY is implemented by National Skills Development Corporation (NSDC) under the guidance of the Ministry of Skill Development and Entrepreneurship (MSDE). With a vision of a Skilled India, MSDE aims to skill India on a large scale with speed and high standards. PMKVY is the flagship scheme that is driving towards greater realisation of this vision.

Pradhan Mantri Kaushal Vikas Yojana-Teaching Institute (PMKVY-T I)

All India Technical Education have given approval to the various Engineering colleges to conduct courses to develop skilful youth generation in the nearby region. This scheme concern the school drop outs and unemployed youths have to be identified and given skill training through Teaching Institutes.

Our college has been selected as training centre (TC) for implementing Pradhan Mantri Kaushal Vikas Yojana (PMKVY) scheme through AICTE approval for the following courses.

Sl.No:	Course Name	Sanctioned Intake
1	Automotive Technician (Level 4)	25
2	Assistant Electrician	25
3	Mason (Concrete)	25
4	Junior Software Engineer	25

Indian National Academy of Engineering (INAE)-Young Engineer Award-2017

Fool proof centralized voting machine using automation system

The Indian National Academy of Engineering (INAE), founded in 1987, comprises India's most distinguished engineers, Engineer-scientist and technologies covering the entire spectrum of engineering disciplines. INAE functions as the apex body and promotes the practise of Engineering and Technology and related sciences for their application to addressing and solving problems of national importance. One of the objective of the academy is to encourage inventions, innovations and research to promote their application of national economy.

The academy had instituted the Innovative Student Projects award in 1998 to identify innovative and creative research project undertaken by the students at three levels, B.E/B.Tech/ B.S.C (Engg), M.E/M.Tech/M.s and Ph.D. in the engineering institution. The award particularly encourages joint projects among industry, research laboratories and academic institutions. The endeavour is meant to encourage the young talent and accord recognition and incentives to them.

National wide, 29 projects were nominated in the academic year 2017 for final presentation after preliminary scrutiny of final year engineering student's project. In the final presentation, **10 projects** were selected for all India level. Among them one of our student's project titled, **"Fool proof centralized voting machine using automation system"** by **K.Priyanka & S.Nivetha** under the guidance of Dr. C. GNANAKOUSALYA was selected for the conferment of Innovative Student Project Award 2017.

LEARNATHON

St. Joseph's Institute of technology has the resource capacity (of 100 members per batch) to meet the Learnathon needs such as 24 hrs online event without any kind of interrupt with all available basic needs. The goal of the Learnathon was to have students sign up for an online learning platform, explore a given technology, and use a gamification element to incentivize them to learn. With Salesforce-skills in such high demand, it was chosen as the technology partner making Trailhead - the fun way to learn Salesforce. With online, guided, hands-on learning paths and easy to understand content, Trailhead empowers everyone to learn the skills they need, at their own pace, regardless of gender, background, culture or lifestyle. In addition to covering a wide variety of in-demand technical skills, Trailhead also helps to develop the soft skills needed for more well-rounded, career-ready professionals. For such a diverse event, Trailhead was chosen to be the power behind the "New India Student Championship 2018" - the largest Learnathon of its kind ever to be held in the country.

With an aim to inculcate the practice of self-learning among the students, the learnathon, which started at 12 noon on 2.2.2018 (Friday) and got over by 12 noon on (3.2.18), Saturday, was conducted in about 100 colleges across the country with about 10,000 students participating in it.

Mr.T.Ganapthy, III Year, Department of Electronics and Communication Engineering topped among all other students of various department. **Mr. Syed Ali. S, III Year**, Department of Computer Science and Engineering, bagged the second place and **Mr. C.Seetharaman, II Year**, Department of Information Technology, bagged the third place.

TRAVEL GRANT

Ms. T. Santhoshi Gayathri, III Year, Department of Electronics and communication Engineering received a travel grant of **2000 USD from IEEE photonics Society** to attend the conference **IEEE photonic conference (IPC 2017)** from **1/10/2017- 5/10/2017** in **Orland, Florida, U.S**

PROFESSIONAL ACHIVEMENT

Ms. T. Santhoshi Gayathri, IIIYear, Department of Electronics and Communication Engineering was awarded professional achiever by IEEE Madras section

IFDHAR

Our College celebrated Ramzan on 18th June 2017. All the Muslim students in our college underwent fasting within the campus. The early morning food called as "sahar" according to the Muslim custom, was served with delicious items by the college in the mess at 4.30 a.m. In the evening, the Muslim students were served for "Iftihar" with dates, cool drinks porridge as a sign breaking the fast. The hostel students attended Namaz in their respective hostel rooms. Special Namaz was conducted at 1.00 p.m on Fridays. During Ramzan fasting period, prayers were conducted in our college mosque.

ONAM

The festival of rice harvest was celebrated on 1st Sep 2017 with great spirituality and delight. All Malayali students participated with enthusiasm on this special occasion. Our Beloved Chairman & Managing Director attended this festival with his family and conveyed his wishes to all the students. Malayali students dressed up in their traditional wear, particularly girls wearing the kasavu saree and performed kaikottikali, Malayalam pattu and Nadakam. The celebration was called off with the grand dinner where the menu included aviyal, erussery, pulissery, nenthram pazham and different types of payasam.

TEACHERS DAY

Our College celebrated the Teachers day as a special occasion from Aug 28 to Sep 5th 2017. The students entertained their respective department's faculty members with unique shows on that special day. Our Management gave gifts to all the teachers of our college as a token of appreciation.

VINAYAKA CHATHURTHI

Our college celebrated Vinayaka Chathurthi on 25th August 2017, by decorating Ganesha's statue of our college temple with flowers. Pooja was grandly performed in the temple in the presence of our beloved Chairman & Managing Director's family. Delicious food was offered to the Lord and Kozhakatai was distributed to the students. Many students came forward to participate on that occasion and filled in with all blessings of Ganesha.

AYUDHA POOJA

Our College celebrated Ayudha Pooja on 28th September 2017, by arranging Kolu for 9 days in our college from the day of Mahalaya Amavasya till Vijayadasami. On this special day, all the Laboratories and Office were beautified with plantain trees, mango leaves and glazing papers followed by a pooja in the presence of Chairman & Managing Director's family. The remarkable part of this celebration was the mouth-watering lunch, sweets and ice creams that were served for all the students and staff. Gift vouchers for deepavali were distributed on the day of Ayudha pooja to Administrative staff, Technical staff, Non-Technical staff, Drivers, Sweepers, workers in the mess and daily wage workers.

DEEPAVALI

The festival of lights is celebrated with full delight and enthusiasm. Deepavali is the most expected festival by all. This year the festival of lights was celebrated on 14h

October 2016. On this special eve, a grand lunch with exotic dishes ranging from mouth lingering sweets to delicious deserts was served.

DEEPAM

Karthigai Deepam is celebrated on the full moon day in the Tamil month of Karthigai. This festival is known for brightened lights lit all over the place signifying growth and prosperity. The deepam celebrations took place in our college on 2nd December 2017 with lamps lighted by the divine flame that is believed to fend off evil forces and escort ecstasy.

CHRISTMAS

Christmas is the season of joy, holiday greetings exchanged, gift-giving, and families getting united. The Christmas celebrations took place in the college campus on 20th December 2017. On Christmas day, a special mass was conducted in the college chapel. The celebrations included a rhythmic performance from the college choir and an add-on surprise package by

Special Occasions

Santa Claus. The staff and students were completely spellbound with the Christmas gratification and the day was called off with a hearty lunch.

PADI POOJA

The festival was celebrated on 3rd December 2017 by decorating the holy steps of Ayyappa with flowers and silk clothes and lighting traditional lamp. The Chairman & Managing Director, Staff and Students attended the pooja and "irumudi" was tied to those who went to sabarimala. Traditional songs were sung in pooja and a grand feast was given to those who attended pooja.

PONGAL

Pongal is an occasion that is believed to chime in the opulence. It is renowned as a thanksgiving festival for various Hindu deities. "Thai" is the first month of the Tamil Almanac where the joy-filled Pongal occasion comes. The celebration in the college took place on 12th January 2018. The day's lunch was served with different varieties of Pongal. Indeed, Pongal is

a festival of freedom, peace, unity and compassion crystallized in the last hymn on unity in the Indian spiritual text the Rig Veda.

HOSTEL DAY

Hostel day is one of the most awaiting occasions of the year in St. Joseph's College of Engineering. This wonderful day was celebrated in the college on 17th Feb 2018 with lots of events conducted for both boys and girls. The hostel was decorated with colour lamps and balloons making it more eye-catching. Cricket, Volleyball, Basketball, Kabaddi matches were held and the winners and runners were awarded with cash prizes. Cultural events such as singing, skit and dance were performed in the presence of our beloved Chairman & Managing Director. Matches and other events were conducted 3 days prior to hostel day. Special dinner and snacks was provided to the hostilities.

UGADI

Our college celebrated Ugadi on 18th March 2018. The Telugu New year festival popularly called as Ugadi comes close on the heels of Holi. This day of celebration is

marked by religious fanaticism and social jollity. Special dinner was served for the hostel students. Exotic dishes made with raw mango went on well with the occasion. Ugadi which is considered to be the most auspicious time to start new ventures was indeed a cheerful and a memorable celebration to be remembered by the staffs and students of our college.

EASTER

Our College celebrated Easter on 2nd April 2018. Easter is the springtime holiday marking the rebirth of Jesus and the renewal of the Christian faith. A special programme was conducted by St. Joseph's College Fellowship in our college Placement Cell which was attended by students and staff. The celebrations started with worship songs and prayer. Heartfelt wishes were shared among everyone and ended off with holy blessing of God.

TAMIL NEW YEAR

Our college celebrated Tamil New year on 13th April 2018. The Tamil New year festival is popularly called Puthandu. It is the celebration of the first day of the traditional Tamil calendar. The day is marked with feast and decorated with kolams. Special lunch was served to all as a part of celebrations.

Achievers Day

Achievers day is celebrated every year during the month of April, in which students who brought laurels to the College during the academic year are honoured and rewarded.

Achievers Day for the Academic year 2017-18 was celebrated on 7th April 2018.

The students who won various competitions have been invited.

The invitees were.....

Total Sports and Games Teams	: 223 Players
Inter-collegiate Paper presentation, Symposium, Conference position winners	: 1463 Students
Toppers	: 496 Students
Blood donors from Youth Red Cross	: 53 Students
Members of Tamil Mandram	: 20 Students
Members of Our College Student Orchestra Team	: 44 Students
Inter-collegiate Cultural Competition Winners	: 43 students

On the whole 2342 Students of our college belonging to various categories mentioned above were honored by distributing Gifts and certificates on this special occasion.

This special function started at 6.00 pm. with the High Tea followed by the distribution of Gifts. This event was made even more startling by our College Orchestra team and Dance Program by the students. The event ended at 9.00 pm with Splendid Vegetarian and Non-vegetarian Dinner.

Achievements in Sports & Games

*We
proudly
announce that
we have achieved.....*

St. Joseph's
Group of Institutions

Over All Championships for the past 14 years

In the following

Mega State Level Tournament / Meets
Conducted for all the
Engineering Colleges/ Arts Colleges in Taminadu

ANNA UNIVERITY INTER ZONAL TOURNAMENTS

From 2003 to 2016
Conducted for 631 Engineering Colleges in Tamilnadu

TIES

(Tamil Nadu Inter Engineering Sports)

From 2003 to 2016
Conducted for 631 Engineering Colleges in Tamilnadu

JETS

From 2003 to 2016
Conducted for Arts, Science and
Professional Colleges in South India

St. JOSEPH'S INTER COLLEGIATE ATHLETICS MEET

From 2003 to 2016
Conducted for Arts, Science and
Professional Colleges in South India

St. Joseph's Volleyball Academy

St. Joseph's Volleyball Academy

was started by St. Joseph's Group of Institutions in the year 2013. It has been the best team from the year 2014 due to the untiring efforts of its trainer, **Mr. S. Jayaprakash.**

St. Joseph's Group of Institutions was integrated with **Veludayar Hr. Sec. School** which is located in Tiruvarur District in the year 2014.

The Volleyball team won the first place in '**B' division** in the Tournament conducted in the year 2015 and it was selected for '**A' division** Volleyball Tournament due to the Encouragement, Guidance and Constant Support from

St. Joseph's Group of Institutions.

During 2017-2018, it's noteworthy to mention several outstanding teams like Karnataka Postal, Chennai Customs, and ICF Chennai Departments etc. participated in these tournaments. In the Anna University Inter Zone Tournament, the Volleyball Team defeated Panimalar Engineering College and Chennai team emerged as "CHAMPIONS" and there were SIX PLAYERS who were selected for All India University Tournament who represented the Anna university team and also the All India Inter-Collegiate Tournament in IIT MADRAS. Our team defeated Panimalar Engineering College in straight set of (25-23, 19-25, 25-18, 25-15) and finally emerged victorious. In another tournament of SVCE Trophy, our team defeated Panimalar Engineering College in straight set and finally became winners.

2017 - 2018 Achievements

NO	TOURNAMENT	PLACE WON
1	YMCA Inter Collegiate Tournament	Runner
2.	Vullupuram Invitation State Level Tournament	3 rd Place
3.	Betram Inter Collegiate Tournament	3 rd Place
4.	Vadugapatti Invitation State Level Tournament	Runner
5.	Anna University Zone III	Winner
6.	Anna University Inter Zone	Winner
7.	S A Inter Collegiate Tournament	Runner
8.	S V CE Inter Collegiate Tournament	Winner
9.	Senior State Championship Tournament	Top Selected
10.	IIT-M All India Inter Collegiate Tournament	Winner
11.	Kerala All India Inter Collegiate Tournament	Runner
12.	Vadagadu Invitation State Level Tournament	Runner

V. Selvavinayagam, S. Palani, B. Midhunkumar, V. Suburamani, S. Vignesh, K. Balachander, represented Anna University in South Zone Inter University Tournament and secured third place. They also secured fourth place in All India University Tournament.

This victory is attributed to the sincere hard work of St. Joseph's Sports Academy.

ANNA UNIVERSITY SPORTS BOARD
ZONE III
