This chart is an illustration of the 2019-20 academic year as agreed by Senate on 7 February 2018, 21 November 2018 and 19 March 2020.

1. Award ceremony dates are to be confirmed.
2. Bank holiday dates are shown in their normal, expected slots, but may not be definitive.
    The early May bank holiday has moved in accordance with the Government announcement:

3. University holiday dates are shown in their normal configurations around bank holidays, but may not be definitive.

iTrent in-semester annual leave for staff in academic grades:

When staff in the academic grades (i.e. from Lecturer through to Professor) request annual leave they will need to select whether their requested leave is in an in-semester or out-of-semester period. This determines if authorisation is required (it is required for leave during the in-semester period but not during the out-of-semester period).

The in-semester period is defined as the periods shown in the chart above with a white background - i.e. those marked with S (Study days), R/A and [A] days (Revision and assessment days), and W (Welcome activities for new students). Therefore when staff in the academic grades request annual leave falling within any of these dates they should always select the in-semester option.
