

**Department of Civil and Environmental Engineering
International Student Book Scholarship Award**

The Department of Civil and Environmental Engineering (CEE) International Student Book Scholarship is designed to provide financial assistance to qualified international students as they pursue their education at USF. Awards are for \$500 per semester, and students can receive the scholarship each semester in which they meet the eligibility requirements. Awards are contingent upon the availability of funding, academic performance, and submitted scholarship application. Scholarship funding must be renewed each semester.

To be eligible for the CEE International Book Scholarship, students must meet the following minimum requirements:

- Must be enrolled in a CEE undergraduate or graduate program;
- Must be an international student (US citizens and permanent residents are not eligible)
- Must be ineligible for scholarship support from the Office of Admissions;
- Must not receive assistance from INTO, CONACYT, or their home government;
- Graduate students must not be eligible for an assistantship (TA, RA, GA);
- Graduate students must have a minimum GPA of **3.25** or higher and undergraduates must have a **3.25** grade point average or higher for the term the scholarship is requested;
- Students must be enrolled for a minimum of **12** credit hours (undergraduates) or **9** credit hours (graduate) during the Fall and Spring semesters. Students must be enrolled in **12** credit hours (undergraduate) or **6** credit hours (graduate) during the Summer semesters to receive the international student book scholarship;
- Students must complete a minimum of **18** credit hours (graduate) or **24** credit hours (undergraduate) each academic year to receive consideration for renewal the next academic year while maintaining an overall 3.0 grade point average.

All applications must be submitted at least 8 weeks prior to the start of classes each semester.
