

Dear Participant,

Thank you for your interest in this edition of the course [Public-Private Partnerships and Concessions Course - Bahamas 2018, 11th edition](#). In order to access the materials you need to create an account for the INDES Virtual Classroom and complete a short registration form before Monday, June 15. Please follow these steps which will take you less than 5 minutes:

### **1. Creating an account for the INDES virtual classroom**

- a) [Click here](#) in order to create an account and fill in all the mandatory and optional data. Once you have filled out the form, click on "Create my new account"
- a) If you already have an account for the INDES virtual platform, access the platform using your credentials. If you do not remember your credentials, click [here](#).
- b) Once the account is created, you will receive a confirmation email at the email address you used to create the account. Follow the instructions in the email in order to activate your account.

### **2. Course Registration**

- a) Enter our website <https://indesvirtual.iadb.org/> and the top right corner; enter your username and password you just created. Please note that before completing this step you must confirm your created account through the email received (1.b ).
- b) Click the following link in order to complete the course application [Public-Private Partnerships and Concessions Course - Bahamas 2018, 11th edition](#).
- c) Complete the mandatory questions and be sure to press the button "Complete registration"
- d) Once you have completed the previous steps, you have successfully completed the course registration.

If you have any questions regarding this process, please contact us at [INDES-HELP](#)
