In addition, the Township Solicitor shall obtain written certifications from township officials as necessary to substantiate the information contained in the application. The Township Solicitor shall:

- i. Review any financial agreements then in force and effect to determine the extent to which each party to the application is a party to any other agreements with the Township and whether they are current on their obligations in those agreements.
- ii. Make a determination as to the propriety of the application. Applications shall be deemed proper in those cases where they are presented in the proper form, satisfy the requirements of this chapter and all other applicable statutes and ordinances and for

which no delinquency has been found with respect to any payments due to the Township.

- iii. Where an application is deemed proper, the Township Solicitor shall prepare an ordinance in the form necessary to authorize the exemption and shall prepare the form of the financial agreement. All financial agreements shall be in the form filed with the Township Clerk. The authorizing ordinance shall be signed by the Township Solicitor as to form and legality and submitted, together with the financial agreement to the Township Manager.
- iv. Where an application is deemed improper or deficient, the Township Solicitor shall prepare a correspondence outlining those aspects of the application that are deficient and shall forward the correspondence to the Township Manager for consideration.
- v. The Township Solicitor shall submit a recommendation to approve or disapprove the Application to the Township Manager within 20 days of receipt of the Application.

Failure of the Township Solicitor to submit its recommendation to the Township Manager within the set timeframe shall relieve the Township Manager of their obligation to consider the Township Solicitor's recommendation.
- d. Township Manager. Upon receipt of the recommendations of the Director of Community Development, the Chief Financial Officer, and Township Solicitor, the Township Manager shall submit three (3) copies of the

Application to the Township Council with a recommendation to approve the Application or a recommendation to reject the Application. The recommendation whether to approve or reject the Application shall occur within sixty (60) days after receipt of the Application by the Township Manager.

3.8 Township Council Consideration. Upon receipt of an Application submitted by the Applicant as well as the Township Manager's recommendation, the Council shall place the Application on its agenda for consideration. Upon review, the Council shall adopt a resolution either approving the Application or disapproving the Application. In the event of a disapproval, the Council may suggest changes to the Application in order secure an approval.

- a. Where an Application is disapproved by the Council, the Applicant may revise the Application and resubmit it to Mayor and Council of its consideration in accordance with Section 3. Where an Application is resubmitted within a two (2) year period from the date the disapproving resolution of the Council was adopted, the Application fee shall be waived.

Section 4. Financial Agreement.

4.1 Council Findings. Any Agreement approved by the Council must include determinations as to:

- a. The relative benefits of the Project to the redevelopment of the redevelopment area when compared to the costs, if any, associated with the tax exemption; and

- b. An assessment of the importance of the tax exemption to be granted in obtaining the development of the Project and influencing the locational decisions of probably occupants of the Project or units of the Project.

4.2 Approval of Financial Agreement. The terms the tax exemption and form of a Financial Agreement shall be approved by Ordinance of the Council and notice of adoption of the Ordinance shall be published in accordance with N.J.S.A. 40:49-2 and N.J.S.A. 40A:20-12.

4.3 Execution of Financial Agreement. Upon adoption of an Ordinance by the Township Council authorizing the exemption and Financial Agreement, it shall be the responsibility of the Township Clerk to insure that the Financial Agreement is fully executed. No Financial Agreement shall be considered to be in force and effect unless and until it has been signed by the Entity and the Township Manager and dated and certified by the Township Clerk by signature and affixing the Township Seal.

4.4 Township Clerk Certification. When housing is to be constructed, acquired or rehabilitated by an Entity, the land upon which the housing is situated shall be exempt from taxation for a period of time as set forth within the Agreement. The exemption shall be allowed following the Township Clerk's certification to the Township Tax Assessor that the Agreement has been entered into and is in effect. The delivery of a certified copy of the Council's Ordinance approving the tax exemption and Financial Agreement along with a copy of the Financial Agreement by the Township Clerk to the Township Tax Assessor shall constitute the required certification.

4.5 Transmittal to Director of the Division of Local Government Services. The Township Clerk shall transmit a certified copy of the Council's Ordinance approving the tax

exemption and Financial Agreement with the Entity along with a copy of the Agreement itself to the Director of the Division of Local Services.

Section 5. Financial Agreement Payment Schedule.

5.1 The financial agreement shall establish a schedule of annual service charges to be paid over the term of the exemption period, which shall be in stages as follows:

a. For the first stage of the exemption period, which shall commence with the date of completion of the unit or of the project, as the case may be and continue for a time of not less than six years nor more than 15 years, as specified in the financial agreement, the urban renewal entity shall pay the Township an annual service charge for municipal services.

b. For the second stage of the exemption period, which shall not be less than one year nor more than six years, as specified in the financial agreement, an amount equal to either the amount determined pursuant to N.J.S.A. 40A:20-11, or 20% of the amount of taxes otherwise due on the value of the land and improvements, whichever shall be greater;

c. For the third stage of the exemption period, which shall not be less than one year nor more than six years, as specified in the financial agreement, an amount equal to either the amount determined pursuant to N.J.S.A. 40A:20-11, or 40% of the amount of taxes otherwise due on the value of the land and improvements, whichever shall be greater:

d. For the fourth stage of the exemption period, which shall not be less than one year nor more than six years, as specified in the financial agreement, an amount equal to either the amount determined pursuant to N.J.S.A.

40A:20-11 or 60% of the amount of taxes otherwise due on the value of the land and improvements, whichever shall be greater; and

- e. For the final stage of the exemption period, the duration of which shall not be less than one year and shall be specified in the financial agreement, an amount equal to either the amount determined pursuant to N.J.S.A. 40A:20-11, or 80% of the amount of taxes otherwise due on the value of the land and improvements, whichever shall be greater.

If the financial agreement provides for an exemption period of less than 30 years from the completion of the entire project, or less than 35 years from the execution of the financial agreement, the financial agreement shall set forth a schedule of annual service charges for the exemption period which shall be based upon the minimum service charges and staged adjustments set forth in this section.

Notwithstanding the above, the minimum service charge shall not be less than the amount of the total taxes levied against all real property of the project area in the last full tax year in which the area was subject to taxation.

The annual service charge shall be paid to the Township on a quarterly basis in a manner consistent with the Township's tax collection schedule.

The Entity shall be entitled to credit for the amount, without interest, of the real estate taxes on land paid by it in the last four proceeding installments against the annual service charge.

All exemptions granted shall terminate at the time prescribed in the Financial Agreement.

Section 6. Period of Construction, Oversight and Charges.

6.1 During the period of construction of a project, the Tax Assessor and Construction Code Official shall each be responsible for oversight of the project and the agreement as follows:

- a. Permits and Inspections. Upon receipt of an executed financial agreement, the Construction Code Official shall cause permits to be issued upon the application of the entity and shall cause inspections of all work activity to be conducted in the manner provided by applicable Township ordinances. The Construction Code Official shall notify the Tax Assessor of any failure by the entity to properly apply for permits, to begin or complete construction within the time frame set forth in the financial agreement. When permits are issued, the Construction Code Official shall be responsible for notifying the Tax Assessor of such issuance.
- b. Quarterly Report to Assessment. From the date of the execution of a financial agreement until the issuance of a permanent certificate of occupancy for the project, the Construction Code Official shall report to the Tax Assessor each quarter as to the status of permit and construction activity on the project. Upon the total or partial completion of construction, the Construction Code Official shall issue a certificate of occupancy in appropriate form, and shall be responsible for filing a copy of every certificate with the Tax Assessor.
- c. Assessments and Taxes. When a permanent or temporary certificate of occupancy is issued for a project granted a tax exemption pursuant to the Act, the Tax Assessor shall reflect the improvements and land thereof, as authorized, on the Exempt Property List or as otherwise required by State Statute. Further, the Tax Assessor shall exempt the assessment of all improvements covered by the financial agreement during the period the

exemption remains in effect. Assessments for land shall remain taxable throughout the term of the exemption, except as otherwise provided.

At any time that the Tax Assessor causes the assessment on the improvements or land of a project to be removed, in whole or in part, from taxable to exempt status, he shall so notify the Tax Collector in writing so as to insure the commencement and payment of annual service charges, pursuant to the terms of the financial agreement.

d. Collection and Audit. Upon receipt of an executed financial agreement, the Tax Assessor shall note within its book of accounts a record of the execution of the agreement and the dates provided for commencement and completion of construction. The Tax Collector shall thereafter continue to levy taxes and collect payment thereof on the property until the occurrence of the following:

i. In the event that a certificate of occupancy is issued for the project, the Tax Collector shall immediately cease to levy or collect taxes on the portion of the assessed value covered by the certificate of occupancy and shall instead commence billing the entity the estimated annual service charge (in lieu of taxes) as required by the financial agreement. Where the financial agreement is authorized pursuant to the Act, taxes on the value of the land shall continue to be levied and collected according to the laws of New Jersey.

e. Certified Project Costs. When a certificate of occupancy for a project is issued, in addition to the steps outlined above, the Entity shall submit to

the Chief Financial Officer, Tax Collector and the Tax Assessor a copy of a certified total project cost audit prepared by a certified public accountant along with an independent and qualified architect's certification required by the Act, within ninety (90) days from the date of issuance of the certificate of occupancy.

- i. The Tax Assessor shall review the certified total project cost audit and the architect's certification and make a determination as to the acceptability of the audit. If the audit is deemed unacceptable it may be performed by the Township's designated auditor and the cost thereof shall be borne by the Entity. The Tax Assessor shall be responsible for billing the Entity for the cost of the audit. Once the audit is accepted, if its findings cause any change in the basis to be used in the determination of the annual service charge, net profit or excess profits, the Tax Assessor shall bill the entity for any adjustment. The Tax Assessor shall also maintain a copy of an approved certified total project cost audit in its permanent files.
- ii. Upon adoption of an ordinance authorizing an amendment to the Financial Agreement, as result of the certified total project costs, the Tax Assessor shall bill the entity for the cost of the audit services and for any additional service charges resulting from an adjustment of the estimated service charges, and thereafter the annual service charges or excess profits, if owed, shall be billed to the entity. The Township Clerk shall be responsible for

distributing and filing executed copies of the financial agreement, as amended, in the same manner as set forth for in the financial agreement.

- f. Breach of Material Term. In the event that the Entity fails to commence or complete construction of the project within the time required by the Agreement, or fails to make payment of annual service charges (in lieu of taxes) as required by the Agreement, or otherwise fails to satisfy a material condition of the Agreement, the Tax Assessor shall notify the Township Solicitor of the default by the Entity.

- i. The Township Solicitor shall thereupon take steps necessary to terminate the financial agreement and to advise the Tax Assessor and the Tax Collector of the actions to be taken regarding the assessment and collection of real estate taxes.

- ii. The Township Solicitor shall also be responsible for the preparation of such ordinance necessary to authorize the termination of the financial agreement.

- iii. Upon adoption of such an ordinance, the Township Clerk shall be responsible for filing and distributing the ordinance in accordance with the procedures established in the financial agreement and shall provide a copy of the ordinance to the Director of the Division of Local Government Services.

Section 7. Administration of Financial Agreement after Construction.

7.1 Operation of Project. Upon completion of the construction project and the

issuance of a permanent certificate of occupancy, the Entity shall continue to operate the Project according to the terms of the Financial Agreement until the Agreement terminates or expires.

7.2 Billing and Payment. During the term of the Agreement, the Tax Collector shall bill quarterly service charges to the Entity in a manner consistent with the Township's tax collection schedule.

The bills shall reflect the taxes due on the value of all land included within the project and all service charges (in lieu of taxes), or other fees or charges due on the improvements as required by the Agreement.

If authorized by law, the land upon which housing is constructed, acquired or rehabilitated by an Entity, may be exempt from taxation during the term of the Financial Agreement.

Irrespective of the date of issuance, any bill for annual service charges or other Township charges shall be deemed to have been issued on the first day of each calendar quarter and to be due and payable within thirty (30) calendar days thereafter.

Where annual service charges are billed on the basis of estimated or projected figures, any payments thereof shall be reconciled upon the submission of a certified audit. In such instance, the Entity shall make any additional or required payments within ninety (90) days after the close of its fiscal year. Any additional payment by an Entity shall be submitted along with a statement by a certified public accountant, attesting that the additional payment was the actual amount due based upon the gross revenue or total project cost as computed in accordance with provisions of the Act and the financial agreement.

All payments due to the Township arising out of the Financial Agreement which are not paid as of the date due shall be subject to the same charges for penalties and interest as arrears

then in effect for nonpayment of real estate taxes.

The Tax Collector shall accept all payments made pursuant to an effective and valid Financial Agreement and shall maintain books of account as to each Agreement.

Except as otherwise required by law, the Tax Collector shall apply payments received for real estate taxes in the following order: first, amounts due for penalties and interest on taxes, and then amounts due for the principal of tax payments.

As to payments received for service charges: first: amounts due for penalties and interest, and then: amounts due for the principal of service charge payments (in lieu of taxes).

The entity shall be responsible for making timely payments for real estate taxes and service charges directly to the Tax Collector.

7.3 Annual Administration Fee. In addition to payment of the annual service charge (in lieu of taxes) an Entity shall be required to pay an annual administrative fee to the Township. The annual administration fee shall be paid on February 1st of each year. In the event the entity granted the exemption pursuant to the Act does not pay the annual administrative fee, such delinquency shall be grounds for rescission or termination of the exemption.

7.4 Annual Audits. Where required by law or by the Financial Agreement, an Entity shall submit a certified audit prepared by a certified public accountant of the financial performance of the project.

A certified audit shall be submitted each year within ninety (90) days after the end of the fiscal year of the entity to the Township Tax Assessor with a simultaneous copy to the Township Clerk for archival purposes.

As part of or in addition to the submission of a certified audit, the Entity shall submit a statement prepared by a certified public accountant attesting to the net profits and the percentage

of excess profits utilized to maintain reserves authorized pursuant to the provisions of the Act.

The Tax Assessor shall review each audit upon submission and make a determination as to any adjustment required in the annual service charge (in lieu of taxes), net profit and/or excess profits.

7.5 Noncompliance for Nonpayment. If an Entity fails to comply with the requirements for timely payment of real estate taxes and service charges during the term of the Financial Agreement, the Tax Assessor shall have the responsibility to enforce the terms of the Financial Agreement through the below procedure. Such procedure shall not be the Township's sole remedy, but rather shall be used in addition to such other remedies as may be provided by the law and the terms of the Financial Agreement.

- a. In the case where any payment due to the Township pursuant to a Financial Agreement, whether arising from real estate taxes or service charges (in lieu of taxes) is in arrears for a period of six (6) months or more, the Tax Assessor shall notify the Entity that unless the total amount due including penalties and interest and subsequent charges are brought to current status within a period of thirty (30) days from the date of the notification, the exemption and Financial Agreement shall be rescinded. If the entity fails to comply with such notice, the Tax Assessor shall recommend that the Township Solicitor prepare an ordinance rescinding the exemption and Financial Agreement, and shall notify the Tax Assessor of the pending action.
- b. Where an exemption and financial agreement is rescinded, the Entity shall have thirty (30) calendar days to seek reinstatement of the exemption and

Financial Agreement, which shall only be permitted when all obligations of the Entity or person receiving the benefit of an exemption are satisfied and made current. Upon satisfaction of all obligations, the Tax Assessor shall recommend that the Township Solicitor prepare an ordinance to reinstate the exemption and Financial Agreement for the remainder of its term.

- c. It shall be the responsibility of the Township Clerk to file and distribute copies of all ordinances to rescind or reinstate an exemption and Financial Agreement.

7.6 Remedies for Nonpayment. In the event of any nonpayment as outlined in 7.5, in addition to the remedies outlined therein, the Entity by signing the Agreement agrees that the Township shall have the same rights to enforce liens and commence foreclosure proceedings against its project as though the nonpayment were real estate taxes. The Township may exercise such rights by following the procedures established by State statute and local ordinances for the collection of delinquent real estate taxes.

7.7 Noncompliance with Audit Submission. If an Entity fails to comply with the requirements for timely submission of its certified audit during the term of the Financial Agreement, the Tax Assessor shall have the responsibility to enforce the terms of the Financial Agreement through the below procedure. Such procedure shall not be the Township's sole remedy, but rather shall be used in addition to such other remedies as may be provided by the law and the terms of the Financial Agreement.

- a. Where any certified audit required to be submitted pursuant to a Financial Agreement is delinquent for a period of three (3) months or more from the

date required to be submitted, the Tax Assessor shall notify the Entity that unless the audit is submitted in proper form within thirty (30) days from the date of notification, the exemption and Financial Agreement shall be rescinded. If the Entity fails to comply with the notice, the Tax Assessor shall recommend that the Township Solicitor prepare an ordinance rescinding the exemption and Financial Agreement, which shall cause the project or unit thereof to be assessed according to the general laws of taxation.

- b. Where an exemption and Financial Agreement is rescinded, the Entity shall have thirty (30) calendar days to seek reinstatement of the exemption and Financial Agreement, which shall only be permitted when all obligations of the Entity or person receiving the benefit of an exemption are satisfied and made current. Upon satisfaction of all obligations, the Tax Assessor shall recommend that the Township Solicitor prepare an ordinance to reinstate the exemption and Financial Agreement for the remainder of its term.
- c. It shall be the responsibility of the Township Clerk to file and distribute copies of all ordinances to rescind or reinstate an exemption and Financial Agreement.
- d. The Township, at its option may choose not to exercise its right to rescind or terminate, but instead cause an equivalent audit to be conducted by qualified personnel under the Township's direction. Where this option is elected, the Township shall utilize the resulting audit as the basis for

billing as if it had been submitted by the entity. Further, the Township shall have the right to bill the Entity for the cost of conducting an audit. Exercise of this option by the Township shall not in any way preclude or waive the right of the Township to terminate an exemption for any other default, declare the exemption and financial agreement void or other such remedies as may be provided by law, regulation or the terms of the financial agreement.

WHEREAS, the improvement encroachment (also referenced as the “easement area”) is depicted in more detail in the attached metes and bounds description prepared by Richard A. Alaimo Association of Engineers dated July 15, 2014, a copy of which is attached hereto and is also available for public inspection in the Township Clerk’s Office; and

WHEREAS, with respect to the within project, the Township Council has made the following findings and conclusions:

- (1) The encroachment into the Township’s adjoining lot is deminimus, and will not interfere with use of Lot 2 by the Township; and
- (2) The owner of Lot 3 is the only property owner that owns land immediately adjacent to the proposed easement area; and

WHEREAS, as a result, the Township Council has determined to grant approval for an easement to permit the projection into the Township’s property (Block 210, Lot 2), as set forth herein, and have also determined that such approval shall be for nominal consideration; and

WHEREAS, the purpose of this Ordinance is to confirm said approval and to grant the necessary easement(s), in accordance with the New Jersey Local Lands and Buildings Law, N.J.S.A. 40A:12-1, et seq.; and

WHEREAS, the Township Council does not wish for the granting of this easement to serve as a precedent for further encroachments into the Township-owned lots elsewhere in the Township, but rather declare that any and all such requests must be carefully reviewed by the Governing Body and considered strictly on a case-by-case basis, and that any such requests shall be granted only where substantial reasons are shown to justify and warrant the granting of the easement(s).

NOW, THEREFORE, BE IT ORDAINED, by the Township Council of the Township of Maple Shade, in the County of Burlington and State of New Jersey, as follows:

1. That, pursuant to the New Jersey Local Lands and Buildings Law, N.J.S.A. 40A:12-1, et seq., and specifically N.J.S.A. 40A:12-13(b)(5), the Township of

Maple Shade is hereby authorized to convey an easement to the Estate of Mary A. Delany, over certain portions of Block 210, Lot 2, as more particularly set forth above and as depicted in the metes and bounds description prepared by Alaimo Engineering, a copy of which is attached hereto and is also available for public inspection in the Township Clerk's Office; and

2. That the easement referenced herein shall be granted for nominal consideration.
3. That the grantee's use of the easement area is limited to the current encroachments set forth above. No landscaping or permanent structure of any type shall be permitted to be constructed in the easement area.
4. The Township shall have the right to remove and replace the existing fence in the easement area if required for utility repairs or improvements.
5. That the easement referenced herein shall be extinguished upon removal of the paver walk and concrete walk and/or removal or modification of that portion of the existing dwelling on Block 210, Lot 3, such that it no longer encroaches on the Property. This shall not preclude routine maintenance, repair or replacement of the existing improvements.
6. That the Mayor is authorized to execute and the Municipal Clerk to attest any and all documents that are necessary in order to effectuate the granting of this easement, which documents shall be in a form satisfactory to the Township Attorney.
7. That, following proper execution and notarization of the necessary easement documents, the same shall be recorded with the Burlington County Clerk's Office.
8. That all costs and expenses associated with this matter shall be paid by the owner of Block 210, Lot 3.
9. That this Ordinance shall take effect immediately upon final passage and publication in accordance with the law.
10. That the provisions of this Ordinance shall be severable. Any person who is operating a nonpermitted donation clothing bin or has obtained a permit but has been cited by the Zoning Officer for neglecting to maintain a donation clothing bin so that it does cause a nuisance, or create a hazardous or unsafe condition, and has failed to cure such violation within 48 hours of written notice of such violation shall be subject to a fine for the first offense of \$100 per day and for the second offense of \$250 per day upon failure to cure such violation.
