Summer Travel Guide

Access to Cash & Branch Services

Ah, Summer vacation!

Your bags are packed, but make sure you have access to cash!

Many common branch transactions can be completed at any of our 5,000 Shared Branch Locations. We also offer over 30,000 free ATMs for our members. Visit the Locations page in Mobile 360 or on our website. You can also ask any JAXFCU Associate in the branch or over the phone. Just tell us where you're traveling and we'll let you know where all the free ATMs and Shared Branches are located!

Jaxfcu Visa Credit Cards are Amazing for Travel Use

If you aren't using a JAXFCU Visa Credit Card, we'd be happy to fix that! We now offer a **Mobile Credit Card App** that's included in our **Mobile 360 App**. Keep an eye on all your transactions while traveling!

Current new card incentives include 10,000 bonus points, 2X Cash Back on gas and groceries, and rates as low as 5% APR when you transfer a balance in the first 30 days. Plus, our **CURewards VISA Credit Card** comes with a **Travel Service** that lets you book and earn extra points on cruises, flights, hotels and car rentals.

Stay Protected

Taking your **JAXFCU Visa Debit or Credit Card** with you on your vacation? Make sure you let us know where you are going to avoid any declined purchases. Our preventative measures stop fraud, and we want to make sure you are protected without being inconvenienced. You may use our online travel notification form or call us at 904-475-8000.

Set Up Alerts

You can choose to **receive an email, text or login message** whenever one of the following triggers occurs on your account: balance amount, purchase amount, transfers, insufficient funds, loan payment due, specific check clears, etc. Set up an alert to know when your user name or password is changed, or successful or unsuccessful login attempts. Call us now to set up alerts before you go.

Start Saving for Your Next Vacation

Some of our best money-saving ideas come from fellow credit union employees and this is one of our favorites! Rather than keep all your savings in one savings account, **open multiple savings accounts to save for a specific purpose** like summer vacation, anniversary cruise, new flooring, etc. Even if you can only tuck a few dollars away every week, it really adds up. We're happy to open a secondary savings account for you at a branch or over the phone.
