PASC VICE-CHAIR REPORT
May 7, 2011

Good afternoon,

I hope you are all planning to attend ARCNA XXV in Tucson over Memorial Day weekend. The hotel has extended the reduced room rate to us through Wednesday, May 11th.

The Narathon chair (currently appointed) notified me that the inventory has been completed for his committee. Due to a requirement for mandatory overtime, he will not be in attendance today. He apologized for his absence and expressed his continuing willingness to serve as the Narathon chair for this year. I leave it to this body to decide if the election for Narathon can continue in his absence.

Your treasurer, Mary and I will be scheduling audits on all subcommittees this month. Please assist us by having all records ready for audit.

I am submitting my statement of willingness to serve as Chair in the upcoming year. I am more than willing to step aside if someone is interested as serving as chair.

Our rent of two Basic Texts has been provided to the facility.

Thank you for the opportunity to serve,
Debbie S.

NARCOTICS ANONYMOUS COPYRIGHTS AND LITERATURE

While we have tried to be reserved about what we as the World Board of Narcotics Anonymous World Services, Inc. have to say about a US Assembly, when the issue involves the fellowship's copyrights we have no choice but to respond. A draft of the Basic Text is currently being distributed that states on the cover "*Narcotics Anonymous Third Edition, Revised with original Fourth and Ninth Traditions – Fellowship Approved – United States Fellowship Assembly.*" NA World Services has been clearly charged to "*hold and administer all recovery literature and other intellectual properties of the Fellowship of Narcotics Anonymous in a manner that will help addicts find recovery from the disease of addiction and carry that message of recovery to the addict who still suffers, in keeping with the Twelve Steps and Twelve Traditions of NA*" (FIPT). We are certainly no stranger to the idea that some members of our fellowship hold a different opinion about these issues, despite the clearly stated will of our fellowship. However, whatever opinion you may have about any service proposal or any other issue, the illicit production and distribution of our literature is just wrong.

Our charge to protect the fellowship's property on its behalf, is clearly stated in *A Guide to World Service in NA*, the *FIPT*, and our bylaws. These policies are the result of much controversy and pain in the late 1980s and early 90s, long before any of us served in our current positions. The issues were taken up in numerous *Conference Agenda Reports*, discussions at World Service Conferences, and even a lawsuit against a member. That painful process culminated with representatives of all parties involved sitting down and hammering out an agreement to pose the issues in dispute to the fellowship and let group conscience decide. The fellowship overwhelmingly exercised its voice on these matters at WSC 1991. This led to the fellowship's adoption of the *Fellowship Intellectual Property Trust* in 1993. The recent distribution of this unapproved version of the Basic Text seems to ignore all of those fellowship decisions.

Our duty is clear. We are simply trying to fulfill our responsibilities and honor the trust that was placed on us as members of the World Board. If we were the board for a different type of organization, we would simply write a cease-and-desist letter to anyone infringing on the fellowship's property and ultimately seek a legal resolution. But we are not a normal business; we are a spiritual fellowship that has to manage a business. And the only people who can really protect the fellowship's property are the members and groups of NA. Only our members and groups can effectively enforce the decisions made by the fellowship and put a stop to this type of activity.

For those who want more background information, following is a brief factual history of the development of the Basic Text, the issues that arose as a result, and the decisions of the Fellowship at the World Service Conference.

THE BASIC TEXT

The World Service Conference of Narcotics Anonymous approved the Basic Text in May 1982. Having no experience in publishing a full-length book, publication of the First Edition was a very difficult job for the World Service Office. In addition to major problems with the printer initially chosen to publish the book, conceptual problems arose. In the course of preparing the approval-form book for publication, it was noted that portions of the essays on Traditions Four and Nine made it appear that the NA service structure should not be considered a part of Narcotics Anonymous. After much discussion, the WSO Board of Directors and the World Service Board of Trustees agreed that these portions should be removed from the book before publication of the First Edition. In response, the chairperson of the WSC Literature Committee attempted to revoke the earlier release of rights to the WSO of the Basic Text. However, when the World Service Conference met in May 1983, no motion was made to uphold the literature chairperson's action. On the contrary, new WSO by-laws were accepted, clearly stating that NA literature should be held in a charitable trust by the corporation on the fellowship's behalf. The WSO-copyrighted First Edition was officially released on April 27, 1983 by the World Service Office, using the name of CARENA Publishing Company.

Less than a month later, WSC action effectively created the Second Edition Basic Text. Conference minutes of 1983 reflect that a motion was passed, directing "that our book be completely returned to its [original] approved form in subsequent printings." The Second Edition of the Basic Text was released on September 28, 1983, with the missing lines reinserted. The year after the conference directed WSO to reinsert the missing lines from the traditions essays into the Basic Text, the WSC decided that the issue should ultimately be settled directly by the NA Fellowship. In 1984, regional service representatives were asked to poll their groups on whether the wording of the essays on the Fourth and Ninth Traditions should be as reflected in both the original approval form and the Second Edition, or as reflected in the First Edition. The question was submitted to the fellowship in a seven-page document including the proposed changes and the reasons both for making the change and for keeping the text as approved. The fellowship's response was thirty-six votes in favor of changing the text and eight against changing the text. Therefore, at the next printing—the Third Edition—the words originally deleted from the Approval Form when the First Edition was published were again deleted, this time in response to a direct vote of the fellowship. The Third Edition was formally released on October 20, 1984.

The 1985 World Service Conference passed a motion to edit the Basic Text for grammatical consistency and correctness. The motion called for the revised text to be reviewed and approved by the Literature Review Committee of the WSCLC. At the time, however, the Literature Committee was busy putting together *It Works: How and Why*, so these edits were not completed before the 1986 World Service Conference.

The 1986 conference, nonetheless, moved for further revisions to the Basic Text: A motion was passed to publish a revised version of the Little White Book and to edit the Basic Text to reflect those changes. The revisions to the Little White Book were ones that most members noticed because they changed what was read at most meetings. The Basic Text Third Edition, Revised was released in November 1986 and reflected the changes made in the Little White Book, but not the professional edit.

In the course of reviewing the draft of the professionally edited Basic Text, as charged by the conference, the Literature Review Committee discovered six conceptual inconsistencies with the newly revised Little White Book. The committee consulted with the WSO Board of Directors and the World Service Board of Trustees, and a decision was made to defer publication of the Fourth Edition until the conference was able to make a decision about the additional changes necessary to bring the text in line with the Little White Book. The 1987 WSC approved five of those six changes. The Fourth Edition Basic Text, published in October 1987, included these five changes, the earlier conceptual changes brought about by revising the Little White Book, as well as the professional edits. This was also the first version of the Basic Text to include a subject index, per 1986 WSC action.

Not long after the publication of the Fourth Edition, the WSO and the WSC Literature Committee began receiving complaints about errors in the Basic Text. After multiple rounds of line-by-line revision, it was discovered that there were serious transcription errors made in the typescript from which the professional editor worked. At the 1988 WSC, a motion was made to reinsert the missing lines from the Third Edition back into the Basic Text. Some felt that the changes in question were substantial enough to require broader fellowship review, but overall the conference did not agree and voted not even to consider the motion to send a special ballot to RSCs on the matter. Two other motions, very similar to one another, were defeated by overwhelming majorities; these motions sought to return to publication of the Third Edition, Revised, instead of printing a corrected Fourth Edition (i.e., Fifth Edition).

Despite the debate, the motion to reinsert the missing lines passed with significantly more than a 2/3 majority, and the Fifth Edition Basic Text was subsequently published later in 1988. Included in the motion was an amendment making the Basic Text "not eligible for revision for five years from this conference." The 1993 World Service Conference extended the moratorium for another five years. In 1998 a similar motion for a moratorium failed, but the conference passed a motion to commit to the World Board all input, including motions and amendments, related to revising the Basic Text and Little White Book. The board was to present a proposal to the 2000 World Service Conference. At the 2000 conference, participants voted to begin a process of evaluating possible changes to the Basic Text and/or Little White Book. That process ultimately led to the project that created the Sixth Edition Basic Text.

At WSC 2008, three CAR motions creating the Sixth Edition Basic Text were unanimously adopted. These motions were (1) to replace the existing stories in the Fifth

Edition Basic Text with those contained in the *CAR*; (2) add a new Preface to the Sixth Edition, change the title "Book One" and "Book Two" to "our Program" and "Our Members Share," add abstracts of each story to the Table of Contents, approve the "Reflections" and the specific titles for the sections of the stories; and (3) give the World Board the ability to update statistical information (number of NA meetings, etc.) in the new preface. The rest of the decisions about the Sixth Edition were carried by substantial majority (over two-thirds) but were not unanimous. The additional motions approved were to include a revised index and make two specific copyedits to the first ten chapters. Those copyedits were to replace "N.A." with "NA" and to remove a footnote in Tradition Eleven that referenced a PI guide that no longer exists.

This brought us to the current version of the text, and the following statement was added to *A Guide to World Service in NA*: "WSC 2008 approved the Sixth Edition Basic Text. Once it becomes available in October 2008, the Sixth Edition will be the only edition approved for NAWS production with the exceptions called out in the Translations Policy."

PROTECTING THE FELLOWSHIP'S INTELLECTUAL PROPERTY

The statement added to *GWSNA* about the Fifth Edition followed from a decision made at the 1991 conference about the Fifth. In 1990, some NA members took it upon themselves to print a version of the NA Basic Text, Book One, which they had created by combining the Third Edition, Revised, with the essays on Traditions Four and Nine from the Second Edition. In a US federal court hearing, the primary individual responsible for publishing the hybridized Basic Text at that time agreed to stop, and the World Service Office Board of Directors agreed to place three motions before the NA Fellowship in the 1991 *Conference Agenda Report*. One of those motions asked the fellowship to identify again which edition of the Basic Text it wished to consider "the official and accepted text of Narcotics Anonymous." A second motion asked whether a reduced-price Basic Text should be produced by the WSO. A third asked whether a group-by-group tally should be taken to determine the outcome of the first two motions (a tally is different from the normal method used to determine WSC decisions). All three motions were published in the *CAR*, were subsequently placed before the 1991 World Service Conference, and were defeated.

Following an extended discussion among all conference participants and the deliberations of an ad hoc committee, the WSC decided to issue the following statement to the fellowship:

The Basic Text, Fifth Edition, is the only edition of the Basic Text that is currently approved by the World Service Conference of Narcotics Anonymous for publication and sale. The World Service Office Board of Directors is entrusted with the responsibility for protecting the fellowship's physical and intellectual properties, including the Basic Text, and at the Board of Director's discretion shall take legal

action to protect those rights against any and all persons who choose to infringe upon this literature trust.

Two related motions were also passed at WSC '91 regarding NA intellectual property ownership and publishing. On a roll call vote with 67 yes votes, 9 no, and 3 abstaining, the following motion was carried: "To reaffirm and ratify that the ownership of all of NA's intellectual and physical properties prepared in the past and to be prepared in the future is held by WSO, Inc., which holds such title in trust on behalf of the Fellowship of Narcotics Anonymous as a whole in accordance with the decisions of the World Service Conference."

The other related motion was carried by a two-thirds majority voice vote: "To reaffirm that the World Service Office, Inc., is the exclusive publisher and distributor of all World Service Conference-approved literature, including all books, pamphlets, handbooks, and other intellectual and physical properties, as directed by the Fellowship of Narcotics Anonymous through the World Service Conference."

Regarding the issue of a low-cost Basic Text, the 1991 WSC did recognize that an inexpensive book containing the basics of NA recovery would be a great product to have for newcomers at meetings. A motion that directed the WSO and WSC Literature Committee to compile and publish such a book, to be called *An Introductory Guide to Narcotics Anonymous*, passed by a unanimous voice vote.

CONCLUSION

Considering the events recounted above, it seems quite clear that the NA Fellowship has expressed its conscience on the matter of its recovery literature. Any efforts by individuals or groups to reprint altered NA literature do not reflect the conscience of the NA Fellowship. The NA groups, as owners of NA's copyrights, and NA World Services, as trustees in the *Fellowship Intellectual Property Trust*, are partners in the effort to protect NA's copyrights. NA groups and members have the right and the responsibility to demand that those who would reprint or modify NA literature refrain from doing so.

Help Line Report 5/7/11

The Help Line took on two new volunteers in April but several more phone shifts opened up: Monday 6am-noon, Tuesday noon-6pm, Wednesday noon-6pm, Thursday noon-6pm, Friday 6pm-midnight, and Saturday noon-6pm all need help. We are also seeking a 24 hour Rollover for Mondays. The right volunteer for this commitment needs to be available to take calls as a back up from 12 am to 11:59 pm every Monday, preferably with six months prior phone shift experience.

Trusted servants are still needed for the East and West Valley Area Liaison positions, clean time requirements are determined by their Areas. Our Secretary position is still open, suggested clean time is six months. In order to serve on the subcommittee volunteers must also take a phone shift.

Continuing the AccessLine conversation from last month; Robin tried to make contact with alternative providers, Onebox and directconnect.com, but had no luck.

I researched Onebox, FreedomVoice, and VoiceShot. VoiceShot is the only other provider offering what we currently receive from AccessLine but VoiceShot is \$125 more expensive per month. Even AccessLine doesn't offer what we have with them on any of their current plans. If we drop our current account with AccessLine we lose.

Therefore, Robin and I are in agreement to cut our losses now by cancelling the second SmartOffice account we've been trying to build for three hour shifts. We also agree it's best to drop the Qwest number we're paying \$58 for every month and have our AccessLine phone number printed on meeting lists and other NA hand out materials. For a \$10 activation fee plus \$5 per month AccessLine can list the number with 411 which will be printed in our local white pages. This will save our Tri-Areas \$126 in Help Line expenses per month. We will only have one bill for \$103 a month. Remember our slogan, "Keep it simple".

I have already submitted an online cancellation request for the second SmartOffice to our sales rep at AccessLine.

Moving on to West Valley news, the liaison stepped down a few days before their Area meeting in April. I did stop by their meeting but only to drop off my report and the Help Line bills. I was only able to gather one more piece of information for them concerning the toll free number, which is, AccessLine provides international toll free numbers.

Our next subcommittee meeting will be held at Denny's, 3456 W. Bethany Home Rd., on Tuesday May 10th. For those who wish to buy dinner and socialize before we get down to business please show up by 6:30 pm. The meeting will be from 7-8 pm. You do not have to attend a subcommittee meeting to be a phone shift volunteer but everyone is welcome.

APRIL BILLS		APRIL CALL DATA	
Qwest	\$58.90	Voicemails	30
AccessLine	\$96.58	Incoming Calls	586

**Public Relations Committee Phoenix Area
Meeting Minutes February 2011**

We distributed or will distribute literature to TLCorganization and are trying to set up presentations at several nonprofits, as well.

JC Lincoln has changed the brochure and seem comfortable with the procedures the Phoneline Chair, Angela, gave them for calls will be handled. They want to remove their staff from the process and change from a brochure to a flyer; not sure why this format change. We reviewed it at the committee, made some changes, and I'm returning it to JCL this week. They want their staff out of the process, so that the addict must make the call, which is probably better. If any other hospitals are interested, this brochure is basically a template that could be used in any hospital in our region with minor tweaks. The brochure is designed to be given to addicts who are either admitted or come into the emergency room at the hospital, which refers them to NA.

We also await the possibility of an 800 number and will discuss this in more depth with the Phoneline chair.

We are still working to get our NA business cards in Phoenix Police Department vehicles. Committee members contacted three divisions and several took them and promised to distribute them last month but no new divisions were completed this month. More to follow as we can get to that.

Also, we discussed the possibility of doing press releases re significant Fellowship events like the convention and I'm going to work on that this week to distribute to various news outlets.

We are planning a major radio summer campaign. The phone lines will track to see if this is working with new membership/calls. Region will donate something to that and to date, our contribution will be \$500.

I agreed to place my name in service for another year as Chair since there are projects I would like to get finished and Eric has graciously agreed to serve as Co-Chair.

Yours in service,

Nancy G.
