### Middle East to Indian Subcontinent countries

**Important:** if you are based in a country that, between winter and summer, changes from time zone GMT +2 to BST +3, you will need to also consult the exam start time document for the time zones GMT/BST 0 to +2.

This document applies to examinations in:

- International Advanced Level (IAL)
- International GCSE
- International GCSE (*R-paper*)
- GCSE
- GCE A Level

### **Essential information**

This document details the start times for exams, in the local time of each time zone.

To allow some flexibility, centres can start examinations by up to 30 minutes earlier or later than the published time below without the need to complete any paper work. For examinations started 30 minutes early, students must still stay under centre supervision until at least one hour after the start time listed below.

Permission must be requested in advance if a centre wishes to vary the start time of exams in excess of 30 minutes. This request must be emailed to [uk.special.requirements@pearson.com](mailto:uk.special.requirements@pearson.com) with the message title, 'Request for variation to exam start time', **no later than 6 weeks before the date of the exam.**
