Have something OSRish to share not in the  
'chive? Here's the link to do so helpful Anons!  
I'll get it cleaned if it ain't already,  
discretion is sacred.

Not looking for more 2e AD&D; check out MageGuru's amazing TSR Repository.

I'm always excited to discover heretofor overlooked recent material and releases of  
yesteryear! If I'm missing updated scans or newly liberated files posted on the  
volas (or anywhere else), PLEASE give me a heads up.  
If there is anything else you think the O-S-R'chive could use, drop me a line at

Many thanks to the greater sharing community! The O-S-R'chive could not have happened without the Anons on 4chan, Scribd, and Soulseek who obsessively scrounged, scavenged, collected, and organized their collections before I came looking. The O-S-R'chive could not continue to happen without your generous donations, either! You guys rock!
