

## ASSESSMENT OF STAKEHOLDER INTEREST TEMPLATE

This template enables you evaluate who needs to be involved in your project and identify your key stakeholders. A project manager and sponsor once this information has been collected can decide the most appropriate level of participation and what role each stakeholder should play as part of the planning, development, implementation and acceptance. Such analysis will highlight any issues, problems or barriers that may exist between stakeholders.

STAKEHOLDER	PROJECT INTEREST OR BENEFITS	WHAT THEY CAN CONTRIBUTE	POTENTIAL ISSUES / PROBLEMS	FUTURE ACTIONS & COMMUNICATIONS
