PROJECT RISK REGISTER TEMPLATE

This template enables you to record the potential risks faced by your project and to assign a likelihood of them occurring and a level of severity in terms of impact. Some registers also grade each risk in terms of its difficulty to detect and provide an overall ranking, as shown in the template below.

Project:				**Project Manager:**				**Date:**	
ID	**Risk Description**	**Likely Cause of Risk Occurring**	**Affect on Project**	**Phase Affected**	**Proba-bility %**	*Severity Level*	**Ability to Detect**	**Overall Risk Rank**	
					%	*High* *Med* *Low*	EASY MODERATE COMPLEX	CRITICAL SERIOUS MODEST TRIVIAL	
					%	*High* *Med* *Low*	EASY MODERATE COMPLEX	CRITICAL SERIOUS MODEST TRIVIAL	
					%	*High* *Med* *Low*	EASY MODERATE COMPLEX	CRITICAL SERIOUS MODEST TRIVIAL	
					%	*High* *Med* *Low*	EASY MODERATE COMPLEX	CRITICAL SERIOUS MODEST TRIVIAL
