Oxford European Community Law Series

General Editor: F. G. Jacobs, Advocate-General, Court of Justice of the European Communities.

The aim of this series is to publish important and original studies of the various branches of European Community Law. Each work will provide a clear, concise, and critical exposition of the law in its social, economic, and political context, at a level which will interest the advanced student, the practitioner, the academic, and government and community officials.

Titles in this Series

EC Competition Law Second Edition

D. G. Goyder

0 19 825727 9 cloth

0 19 825728 7 paper

'A scholarly exposition of the field of competition law which is strong on historical development, contextual perspective and economic grounding . . . Community competition law now has its own history as well as its own politics and political economy, and we have Goyder to thank for ensuring that an important body of knowledge will now not be lost to future generations.'
