

[Sapiens: A Brief History of Humankind written by Yuval Noah Harari](#)

Should you select this book to read, you have the option to have it with you when you sit its AR test - the AR test for

Sapiens is open book!

- A. 7th - 10th graders who select *Sapiens* are only required to read Parts 1 & 2: "The Cognitive Revolution" and the "Agricultural Revolution" respectively. The AR test for completing Parts 1 & 2 is titled "Sapiens (Parts 1 & 2)." If you are in grades 7 thru 10 and decide to complete the book, please return to Camelot to sit the AR test titled "Sapiens (Parts 1 - 4)." We will count the completion of the book as two AR books. If you initially sit the test for Parts 1 & 2 and then decide to complete the book, please return to Camelot and sit the test for Parts 1 - 4, and we will count this as the completion of two AR books.
- B. 11th & 12th graders who select *Sapiens* are required to complete the book. The AR test for completing the book is titled "Sapiens (Parts 1 - 4)." The AR test for Parts 1 - 4 is also open book.

Please note that *Sapiens* has a [Mandarin translation](#) and a [Spanish translation](#), however, the AR test is in English.

Should you have any questions about the book or its AR test, please feel free to reach out to me at
