

TAKE THE 9TH EDITION OF PHTLS...

The global leader in prehospital trauma care.

PHTLS courses improve the quality of trauma care and decrease mortality by treating the unique needs of the multi-system trauma patient.

NEW Evidence-Based Trauma Education

PHTLS is developed in cooperation with the American College of Surgeons' Committee on Trauma, incorporating ATLS 10th edition guidelines.

NEW Focus on XABCDE

PHTLS reinforces control of exsanguinating hemorrhage and mirrors the principles of the MARCH assessment.

Promotes Critical Thinking

PHTLS promotes critical thinking as the foundation for providing quality care with:

- **NEW** targets for blood pressure with fluid resuscitation
- **NEW** NAEMSP and ACS-COT termination of resuscitation guidelines

Essential Training for All EMS Practitioners

PHTLS provides trauma care training for EMTs, paramedics, nurses, physician assistants, physicians, and other prehospital providers.

Recognized and Respected

PHTLS is the gold standard for prehospital trauma care in 70 countries and is CAPCE-accredited and NREMT recognized.
