IT-5916

IT-5916

The **IT-5916** convinces with its robust and compact design and has the front connectors user-friendly in the upper part of the front panel.

In addition to a timeless look, the IT-5916 convinces with space for four fans, installation options for 3.5" & 2.5" hard drives and a sophisticated inner cage, which offers space for graphics cards up to a length of 35.5 cm. As standard, a SL-500K power supply is also installed.

The two USB 3.0 front connectors and the SDHC/MMC/MS card reader in the side edge of the front panel complete the positive overall package and make this Midi-Tower a true all-rounder.

✓Design front panel

✓incl. SL-500K power supply
