# Assembly and Installation Instructions

Read and follow all instructions carefully to ensure that your gate and extensions are properly installed. Improper installation could result in the gate becoming unstable or dislodged from the doorway. Always make sure extensions is securely attached to the gate before using. The safety of your child is your responsibility. Please keep these instructions for your reference.

## **WARNING:**

Intended for young children aged 6 months through 24 months. Check the gate regularly to see if all the hardware and mountings are tight. To prevent serious injury or death, securely install gate or enclosure and use according to manufacturer's instructions. Never use with a child able to climb over or dislodge the gate or enclosure. Never leave child unattended. Use only with the locking/latching mechanism securely engaged. To prevent falls, NEVER used at the top of stairs.

## **IMPORTANT:**

The four Wall Mounting Brackets must be used in securing the gate to the wall. These brackets prevent the gate from dislodging from its opening and becoming unstable. The maximum width opening for the gate is 194.5 inches.

**Check to make sure you have all of the parts shown:**

- A. Folded Gate Frame and attached Wall Mounting Assembly (8 panels)
- B. 8 Wall Mounting Screws

**ADDITIONAL EXTENSIONS SOLD SEPARATELY!**

## Installation Option A :

To install the Play Yard as a barrier between two walls.

### Step 1.

Begin by unfolding the gate frame. To do this, simply loosen the Locking Knobs at each pivoting joint by turning the knob counter clockwise as shown in Diagram A. Loosen the knobs enough to allow the gate to swing open freely without fully removing the knobs.

### Step 2.

Bring the Wall Mounting Bracket to the wall you intend to attach it to as shown in Diagram B.

### Step 3.

Use a Phillips/crosshead screwdriver to fix the Wall Mounting Bracket to the Wall as shown in Diagram C

Diagram C

### Step 4.

Repeat steps 2 & 3 on the other end of the gate. Arrange the panels into your desired configuration, then tighten each of the Locking Knobs.

## Installation Option B: To set it up as a Play Yard enclosure.

### Step 1.

Begin by unfolding the gate frame. To do this, simply loosen the Locking Knobs at each pivoting joint by turning the knob counter clockwise as shown in Diagram A. Loosen the knobs enough to allow the gate to swing open freely without fully removing the knobs.

### Step 2.

Release the vertical Metal Pivot Bars at each end of the Play Yard by removing the following parts from the assembly:

**NOTE:** When adding or removing additional panel units to the configuration, panels must be added or subtracted in sets of 2 for the pet yard to function properly. ADDITIONAL PANELS SOLD SEPERATLY.

## To fold your Play Yard

**Step 1:** To fold your Play Yard begin by loosening all of the locking knobs so the Play Yard can move freely and becomes flexible at the joints.

**Step 2:** Remove one of the locking knobs from the Play Yard and remove one vertical tube.

**Step 3:** You will now be able to pull the two plastic joints and the top and bottom of the Play Yard apart.

**Step 4:** Fold and put away.

## Care and Maintenance

Periodically check the Play Yard for signs of damage, wear, or missing components.

Do not use if any part is missing, worn or damaged.
