

Disclaimer

This Presentation contains forward-looking statements within the meaning of the safe harbor provisions of the U.S. Private Securities Litigation Reform Act of 1995. For this purpose, any statements that are not statements of historical fact may be deemed to be forward-looking statements. Those statements in this Presentation containing the words "believes," "anticipates," "plans," "expects" and similar expressions constitute forward-looking statements, although not all forward-looking statements contain such identifying words. These forward-looking statements are based on our current expectations and are subject to a number of risks, uncertainties and assumptions relating to the future of our business, future plans and strategies, projections, anticipated events and trends, the economy and other future conditions.

Although we believe that the assumptions underlying our forward-looking statements are reasonable, any of the assumptions could be inaccurate and actual results may differ from those indicated by the forward-looking statements included in this Presentation. In light of the significant uncertainties inherent in the forward-looking statements included in this Presentation, you should not consider the inclusion of such information as a representation by us or anyone else that we will achieve such results. Moreover, we assume no obligation to update these forward-looking statements to reflect actual results, changes in assumptions or changes in other factors affecting such forward-looking statements.

This Presentation does not constitute an offer to sell or a solicitation of an offer to buy any security. This Presentation does not purport to be all-inclusive or to contain all of the information that a party may require to make a full analysis of the proposed transaction.

The Equity has not been and will not be registered under the U.S. Securities Act of 1933, as amended (the "Securities Act"), any state securities laws or the securities laws of any other jurisdiction. The Equity may not be offered or sold within the United States or to, or for the benefit of, U.S. Persons (as defined in Regulation S under the Securities Act), other than in transactions exempt from, or not subject to, the registration requirements of the Securities Act. Accordingly, the Equity will be offered and sold in the United States only to persons meeting the definition of institutional "accredited investor" in Rule 501(a)(1), (2), (3) or (7) of Regulation D under the Securities Act and offered and sold outside of the United States only to non-U.S. persons in accordance with Regulation S under the Securities Act (and, if investors are resident in a member state of the European Economic Area, a "qualified investor").

The financial projections in this Presentation include certain non-GAAP financial measures. Non-GAAP financial measures should be considered only as supplemental to, and not as superior to, financial measures prepared in accordance with accounting principles generally accepted in the United States ("GAAP").
