We take our booze seriously!

In this book you will find a carefully thought out list of cocktails, spirits, beer & wine. Similar to our food, our cocktails are made from scratch. Our spirits are carefully selected to meet our high standards. Our beer selection proudly features Louisiana's best craft breweries. Our wine list features many unique and restaurant only labels.

With a wide array of drinks to choose from,
there is something for everyone!

Each year The Bourbon Review identifies 100 bars who take their Bourbon obsession to another level. "There are a lot of smart, well-stocked Bourbon bars out there in 2019, but while your favorite watering hole may have a decent selection, some go far above and beyond expectations."

-The Bourbon Review

Welcome to one of America's Best Bourbon Bars, 7 years running!

Our spirit collection emphasizes small batch, artisanal craftsmanship.

We are fortunate to be able to offer some of the most sought after bourbons in the world, including Pappy Van Winkle Kentucky Bourbon & the Buffalo Trace Antique Collection.

Whether you drink it neat or on the rocks, from ice to the glass, we've taken the brown water seriously!
