

GUIDELINES FOR THE EVART FARMERS MARKET

CUSTOMER EXPECTATIONS

One person per family inside the market, please no pets for now

A maximum of 30 shoppers will be allowed in the Farmers Market at a time

Follow 6ft social distancing

No touching products

No sampling

Sanitize / wash your hands

Wash all produce thoroughly before using it

VENDOR EXPECTATIONS

No Sampling

Sanitize work station surfaces regularly

Wear masks and gloves

Have a person dedicated to handling product and one person dedicated to handling money

Pre-package items when possible

Set booth up in a way that will prevent customers from touching products

Per CDC guidelines, we ask our staff, vendors, and customers to not come to the market if they are ill. We will send individuals exhibiting any symptoms of illness home

We have informed vendors of mandated vending guidelines + procedures for safe market practices

We have informed customers through social media and market signage of the preventative measures being taken while asking for customer cooperation

We remain in communication with our governing agencies which include the Osceola Health Department, Michigan Department of Agriculture & Rural Development and the Michigan Farmers Association for best practices
