## Step by Step instructions to access the COD OpenWater Site for the 2021 Board Review Course

Step 1: use the link to get to the site (provided in the email that had this attachment)

College of Diplomates of the American Board of Endodontics - (secure-platform.com)

Step 2: once you are on the site, press the blue "View Schedule" button in the middle. It will take you to a screen asking you to "Sign In"

Step 3: Please enter in your email address and press the blue bar that says "Sign in." Then you will see a screen that directs you to your email account for your login instructions.

Step 4: Check your email for a message that will be titled "Login Link for Your Conference." The message will have a link to click for access to the conference platform.

Step 5: Once you have followed the link and reached the site your registration was successful! You will see the schedule page. Now to view the lectures, you will see the list of date tabs. Please click on the corresponding date for the day you are attending, and scroll down to find the course you wish to attend:

Once you have selected the lecture, please click on the lecture "view session" box under the title, this will take you to the full description for the course- with the speaker's bio, and the presentation handouts on the right (with a green button).

On the day of the lecture an orange box will appear on the right with the language "Join as Attendee." (Currently it says, "Room Opens at 08:15am" on the screenshot below). You click on that orange box to go into the Zoom session on the day of the course. Once that session is over you will leave the Zoom and go back to the schedule to select "view session" for the next lecture and repeat the process.
