

HSCI 3301: Community Health

Schedule, Spring 2021

This is a tentative schedule and subject to change pending notification by your instructor.

Please reference this online schedule weekly.

All items due Friday by 11:59 p.m. {almost Midnight} (MST). Unless otherwise stated.

Keep in mind that because this is an online class and students have 5 days to access the material and work on assignments, regardless of scheduled University sanctioned Holidays, the schedule listed below will proceed as set below.
