Seminar Format Types

Live Seminars

A State Bar of Wisconsin PINNACLE live seminar is a seminar that takes place at an actual location with an in-the-room audience. This gives you the opportunity to interact with the presenters and your colleagues who are interested in the same topics.

Live Webcast Seminars

Live webcasts allow you to attend select PINNACLE seminars on your computer or mobile device at a scheduled time. The LIVE version of the seminar is taking place at the same time, usually with an in-the-room audience. You can attend from your home, office, or anywhere you have an internet connection.

Webcast Replay Seminars

Webcast replays are pre-recorded PINNACLE seminars that you can access on your computer or mobile device anywhere you have an internet connection. Participants can submit questions to presenters via email. These are timed events with identified start and stop times.

On Demand Seminars

PINNACLE CLE OnDemand seminars allow you to stop, start, and rewind segments as you wish, and are available 24 hours a day, seven days a week, eliminating travel time and expense. Per amendments to SCR 31.05(5) in effect July 1, 2017, members may report up to 15 CLE credits of on demand CLE each reporting period; for reinstatement, readmission, or reactivation, no more than 50 percent of your CLE may come from OnDemand programs; and EPR credits are not available through on demand CLE.

Webcast Archives

A webcast archive is an archived copy of a PINNACLE program that was recorded in webcast format. Any attendee of a program that had a webcast component will have access to the archived version for 90 days from the date of the event they attended. Visit www.wisbar.org/myprofile and check the *myMedia* tab.
