

Toothbrushing Step-by-Step

Parents may find it helpful to point to each step.

It may also be helpful for an adult to model brushing at the same time.

 Get toothbrush	 Put toothpaste on toothbrush	 Turn on Water	 Put toothbrush in water
 Put toothbrush in mouth	 Brush teeth	 Spit in sink	 Rinse toothbrush
 Put toothbrush back in mouth	 Brush teeth	 spit in sink	 rinse toothbrush
 turn off water	<h1>Steps for helping students brush teeth</h1>
