The Young Engineers In Mexico - Or, Fighting The Mine Swindlers / Action Adventure Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive.

The YOUNG ENGINEERS series, written H. Irving Hancock, consisted of five titles originally published by the Henry Altemus Company between 1912 and 1920. A final phantom title, "The Young Engineers in the Land of Lead" was advertised but never published. Later reprints of all five titles were available from the Saalfeld Publishing Company. Book 1Author: H. Irving HancockThe young engineers in Mexico : or, Fighting the mine ...[https://core.ac.uk/display/60053085Download PDF](https://core.ac.uk/display/60053085Download_PDF): Sorry, we are unable to provide the full text but you may find it at the following location(s): <http://hdl.handle.net/2027/nyp...> (external link) [http ...](http://...)

Origins. The racist and cultural stereotypes of the Yellow Peril originated in the late 19th century, when Chinese workers (people of different skin-color and physiognomy, language and culture) legally immigrated to majority white countries such as Australia, Canada, the U.S., and New Zealand, where their work ethic inadvertently provoked a racist backlash against Chinese communities and ...

Dave was a heroic American teenager who adventured at school, out West, and abroad, finally helping fight the Hun as a combat engineer during WW1. Poten, Victor. Victor Poten was created by Rock Hawley and appeared in Shadow of Chinatown (1936). Poten wasn't the hero of the serial, but was certainly more interesting than Martin Andrews, the putative hero.

In addition to the fight with Conway during which Tom has to come to terms with his mixed citizenship, another "war" in The Story of a Bad Boy echoes the final battles of the Civil War and stages for readers the same kind of losing battle that Confederate soldiers felt the need to fight. In "The Snow-Fort on Slatter's Hill," a battle begins ...

Yellow Peril (sometimes Yellow Terror) was a color metaphor for race, namely the theory that East Asian peoples were a mortal danger to the rest of the world. In the words of the American historian John W. Dower: "the vision of the menace from the East was always more racial rather than national. It derived not from concern with any one country or people in particular, but from a vague and ...
