PHY 120 or 220	PHY 123 or 203
MTH 130	MTH 136

Important notes about this MSU major

- Admission to this major is separate from admission to the University. Discuss the admission requirements with the MSU Transfer Advisor.
- OTC students are strongly encouraged to meet with the MSU transfer advisor early in their OTC education to discuss the most appropriate OTC coursework for your intended MSU major, admission requirements, MSU degree requirements and the best time to transfer to MSU.
- This is a clinically engaged program with observations throughout the program with healthcare providers in various fields.
- This information is provided as a guide. Students are required to fulfill MSU graduation requirements to receive a degree and should consult their MSU advisor and the MSU undergraduate catalog for details, including the policy under which a transfer student who remains continuously enrolled may follow MSU graduation requirements in effect when the student first enrolled at their transfer institution (OTC).
