Select **Guest** to enter without a username and password. The host may have to approve your entry.

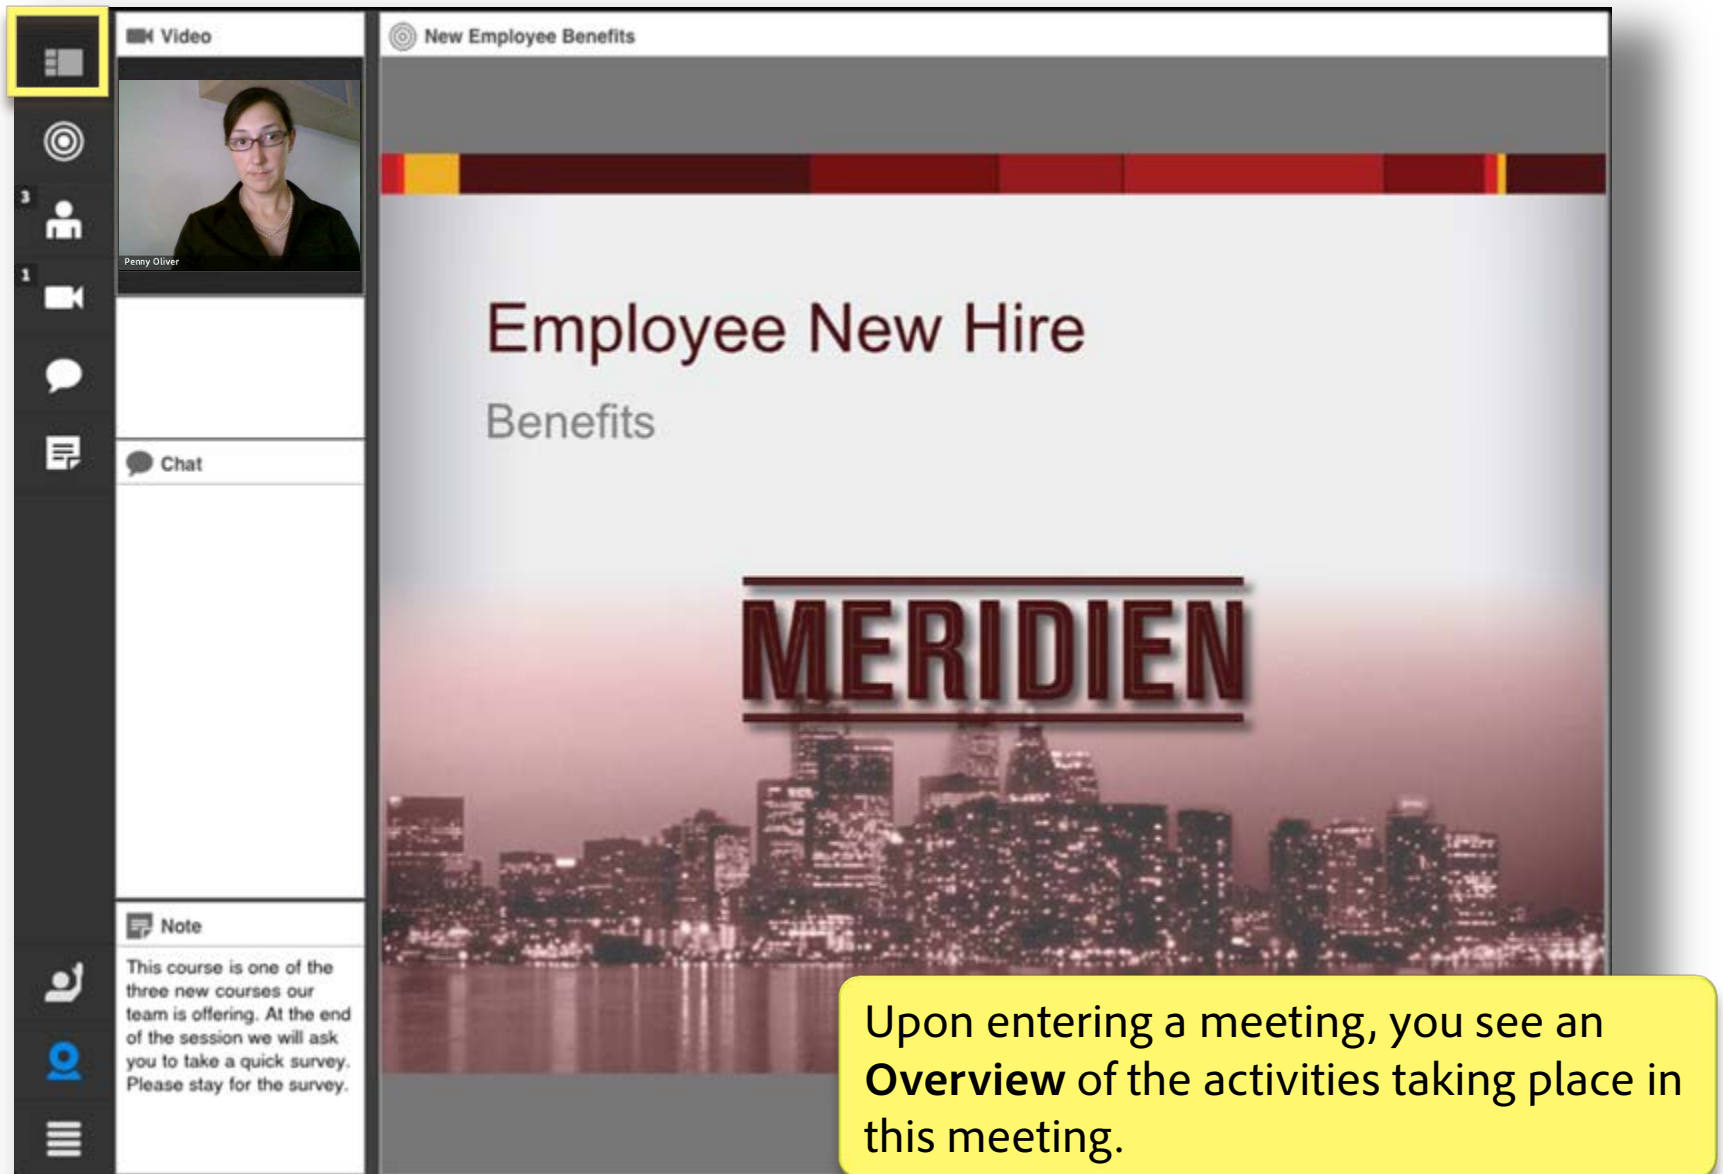

Tap **Enter** to continue.

Adobe® Connect™ Mobile: Connecting Window

A series of **Connecting** messages will appear. Then you will enter the Adobe Connect Meeting room.

Adobe® Connect™ Mobile: Meeting Overview

The screenshot displays the Adobe Connect Mobile interface during a meeting. On the left is a dark sidebar with icons for video, chat, and notes. The main area shows a presentation slide titled "Employee New Hire Benefits" with the "MERIDIEN" logo. A video feed of Penny Oliver is in the top left. A yellow callout box in the bottom right explains the "Overview" screen.

Video

New Employee Benefits

Employee New Hire Benefits

MERIDIEN

Chat

Note

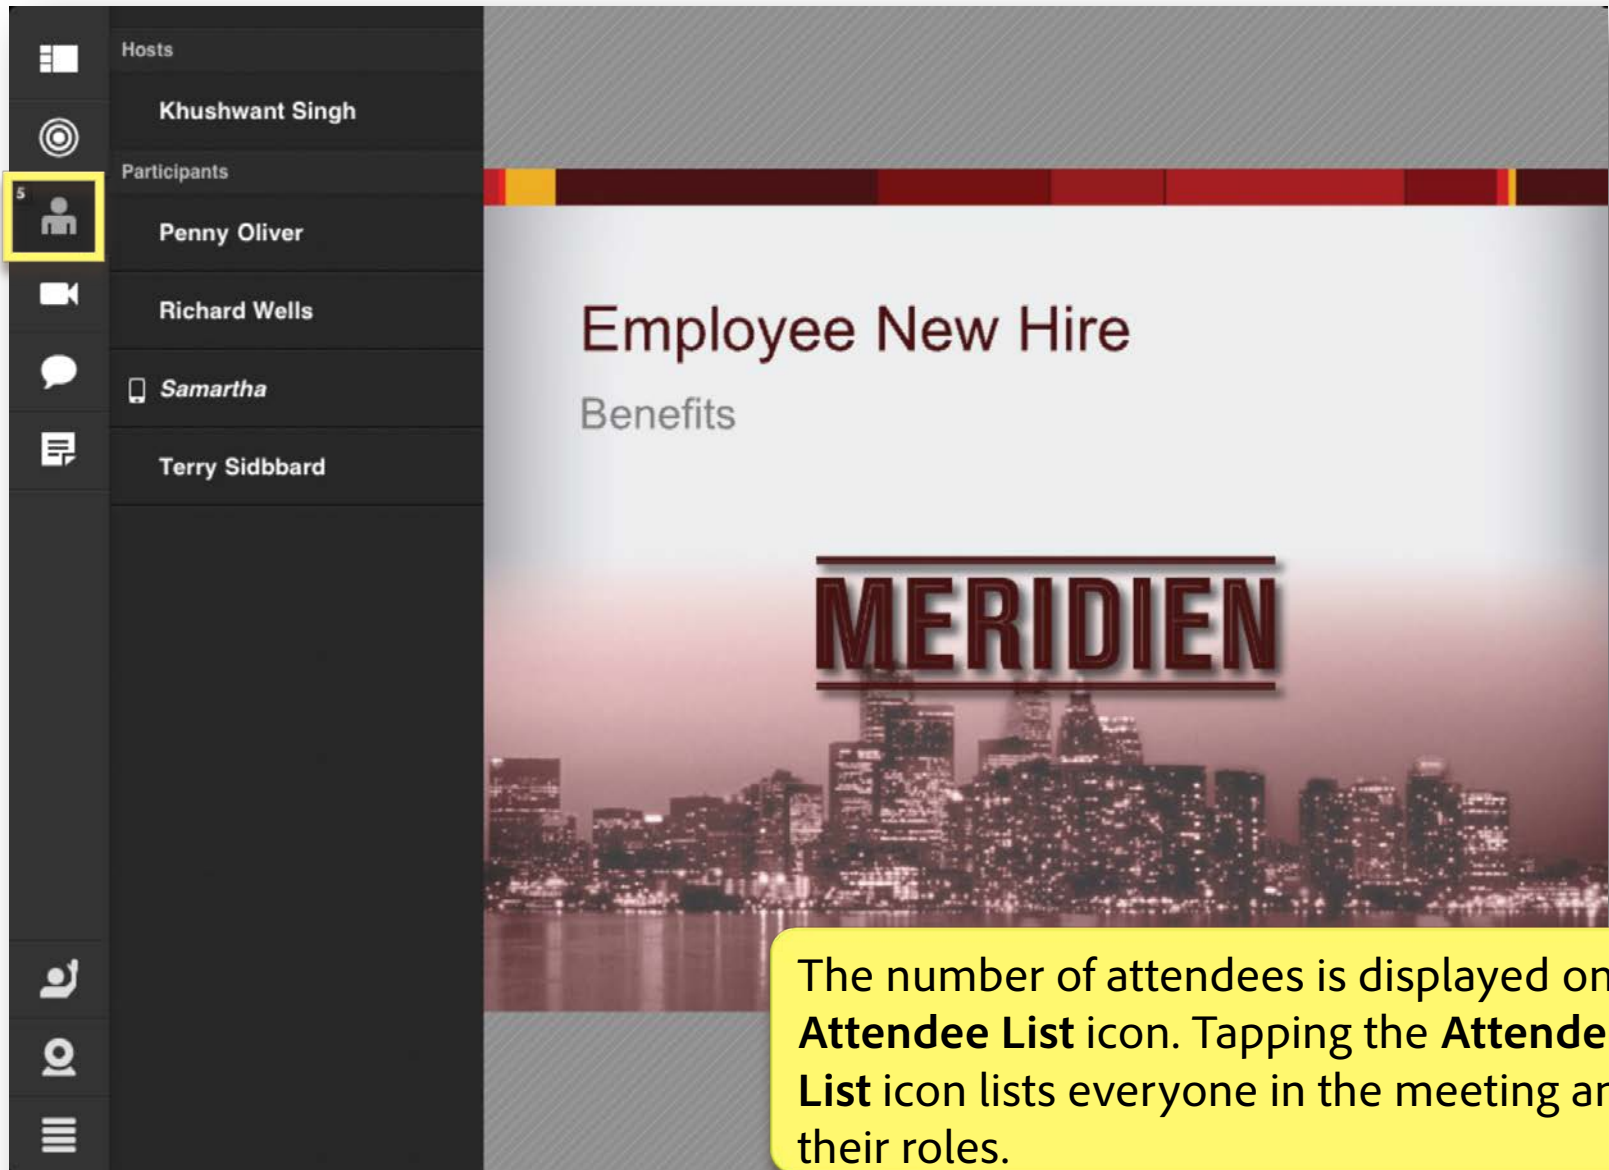

This course is one of the three new courses our team is offering. At the end of the session we will ask you to take a quick survey. Please stay for the survey.

Upon entering a meeting, you see an **Overview** of the activities taking place in this meeting.

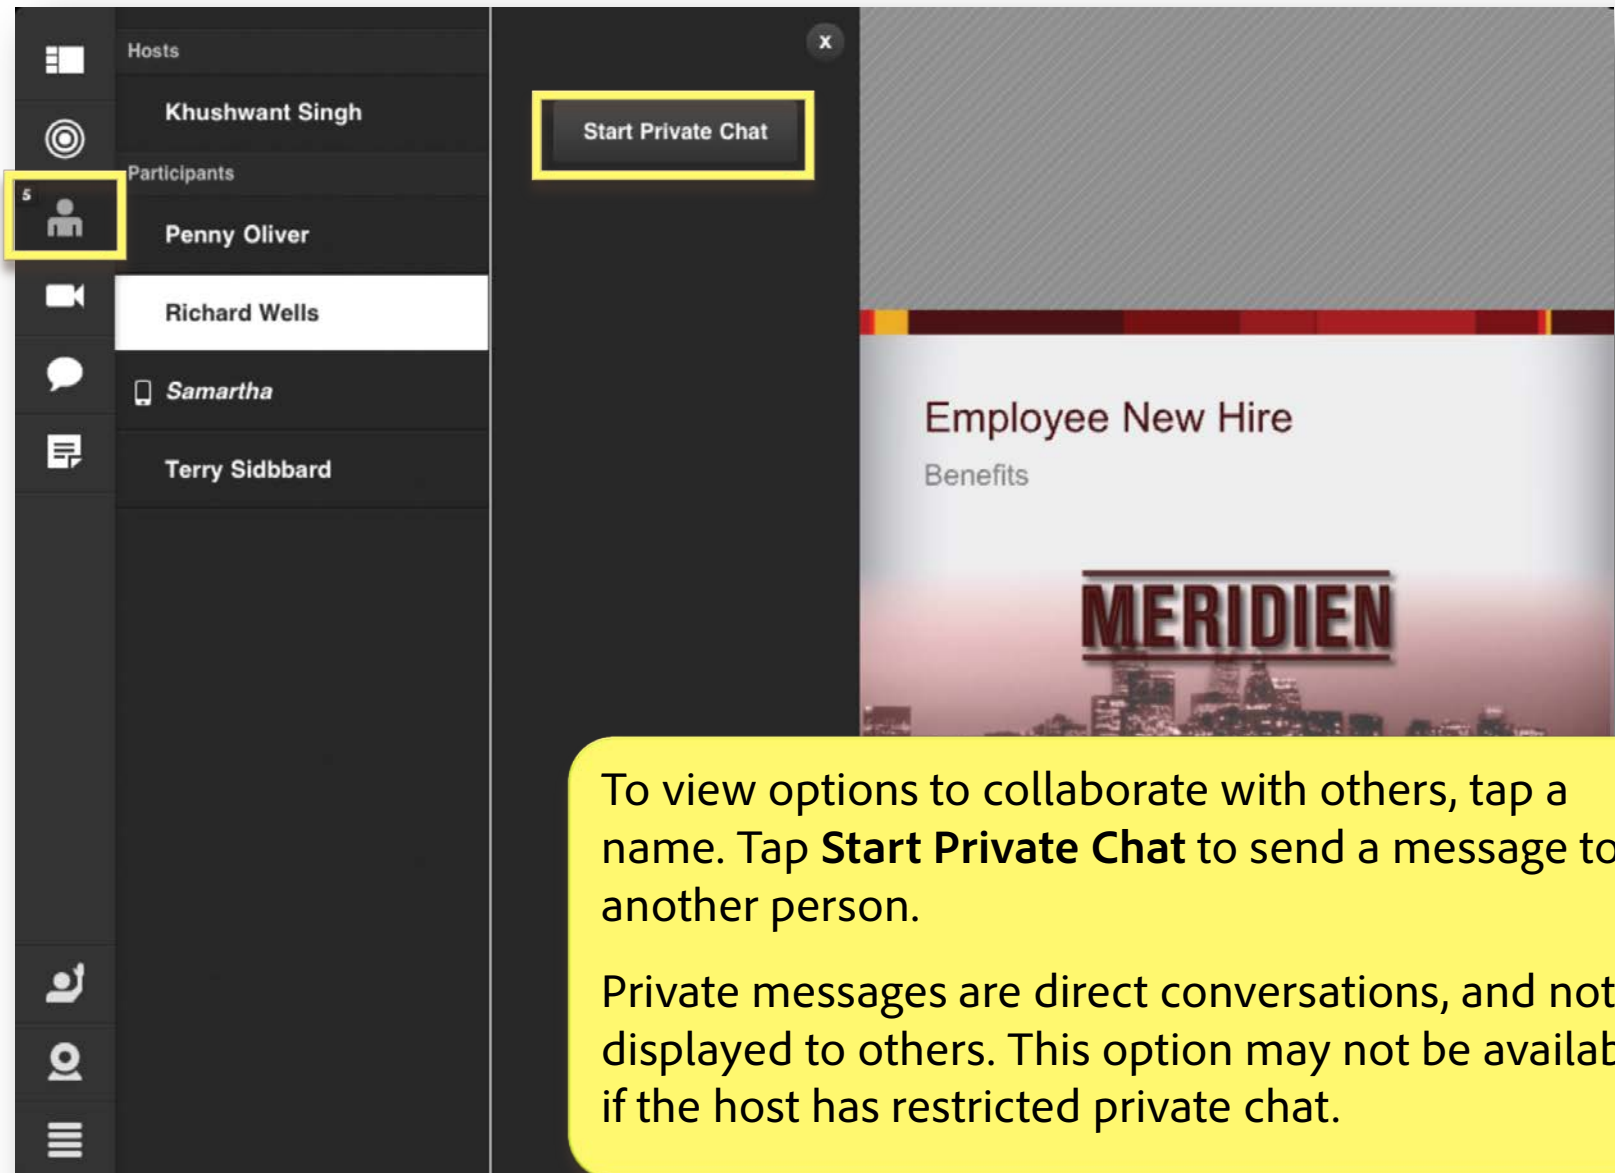

Adobe® Connect™ Mobile: Focus on Pods

The screenshot displays the Adobe Connect Mobile interface. On the left is a vertical navigation panel with several icons. A yellow box highlights a group of icons: a target icon, a person icon, a video camera icon, a speech bubble icon, and a document icon. The top of the interface shows a 'Video' section with a live video feed of a woman named Penny Oliver. Below the video is a 'Chat' section. At the bottom of the navigation panel is a 'Note' section containing text about a course and a survey. The main area of the screen shows a presentation slide titled 'Employee New Hire Benefits' with the 'MERIDIEN' logo. The slide background features a city skyline at night. A yellow callout box in the bottom right corner contains the text: 'To interact with a pod, tap an icon in the navigation panel or tap the pod.'

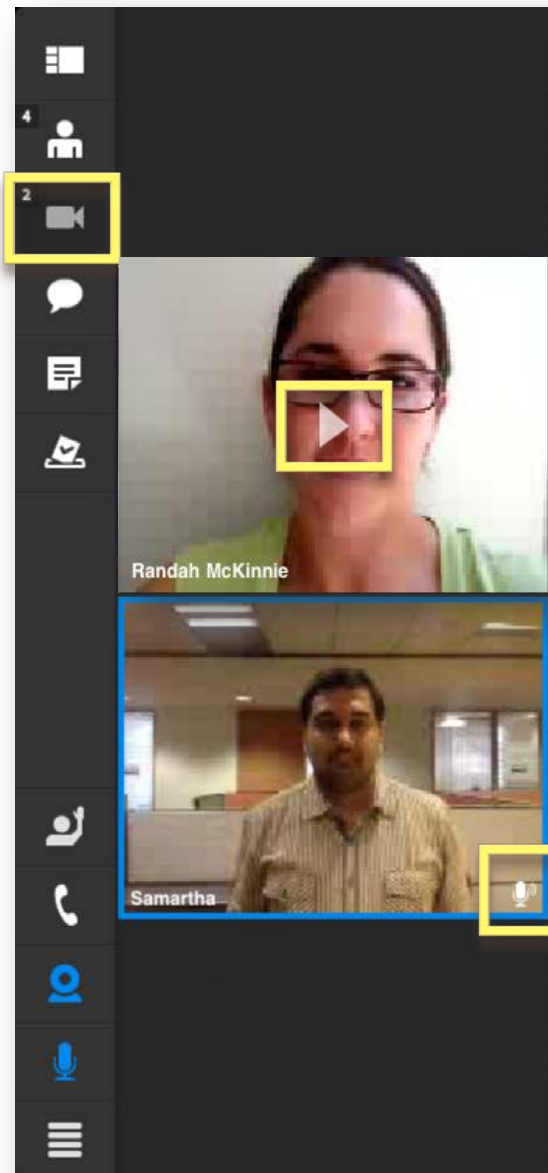

Adobe® Connect™ Mobile: Focus on Attendee List

Adobe® Connect™ Mobile: Focus on Attendee List

Adobe® Connect™ Mobile: Focus on Web Camera Video

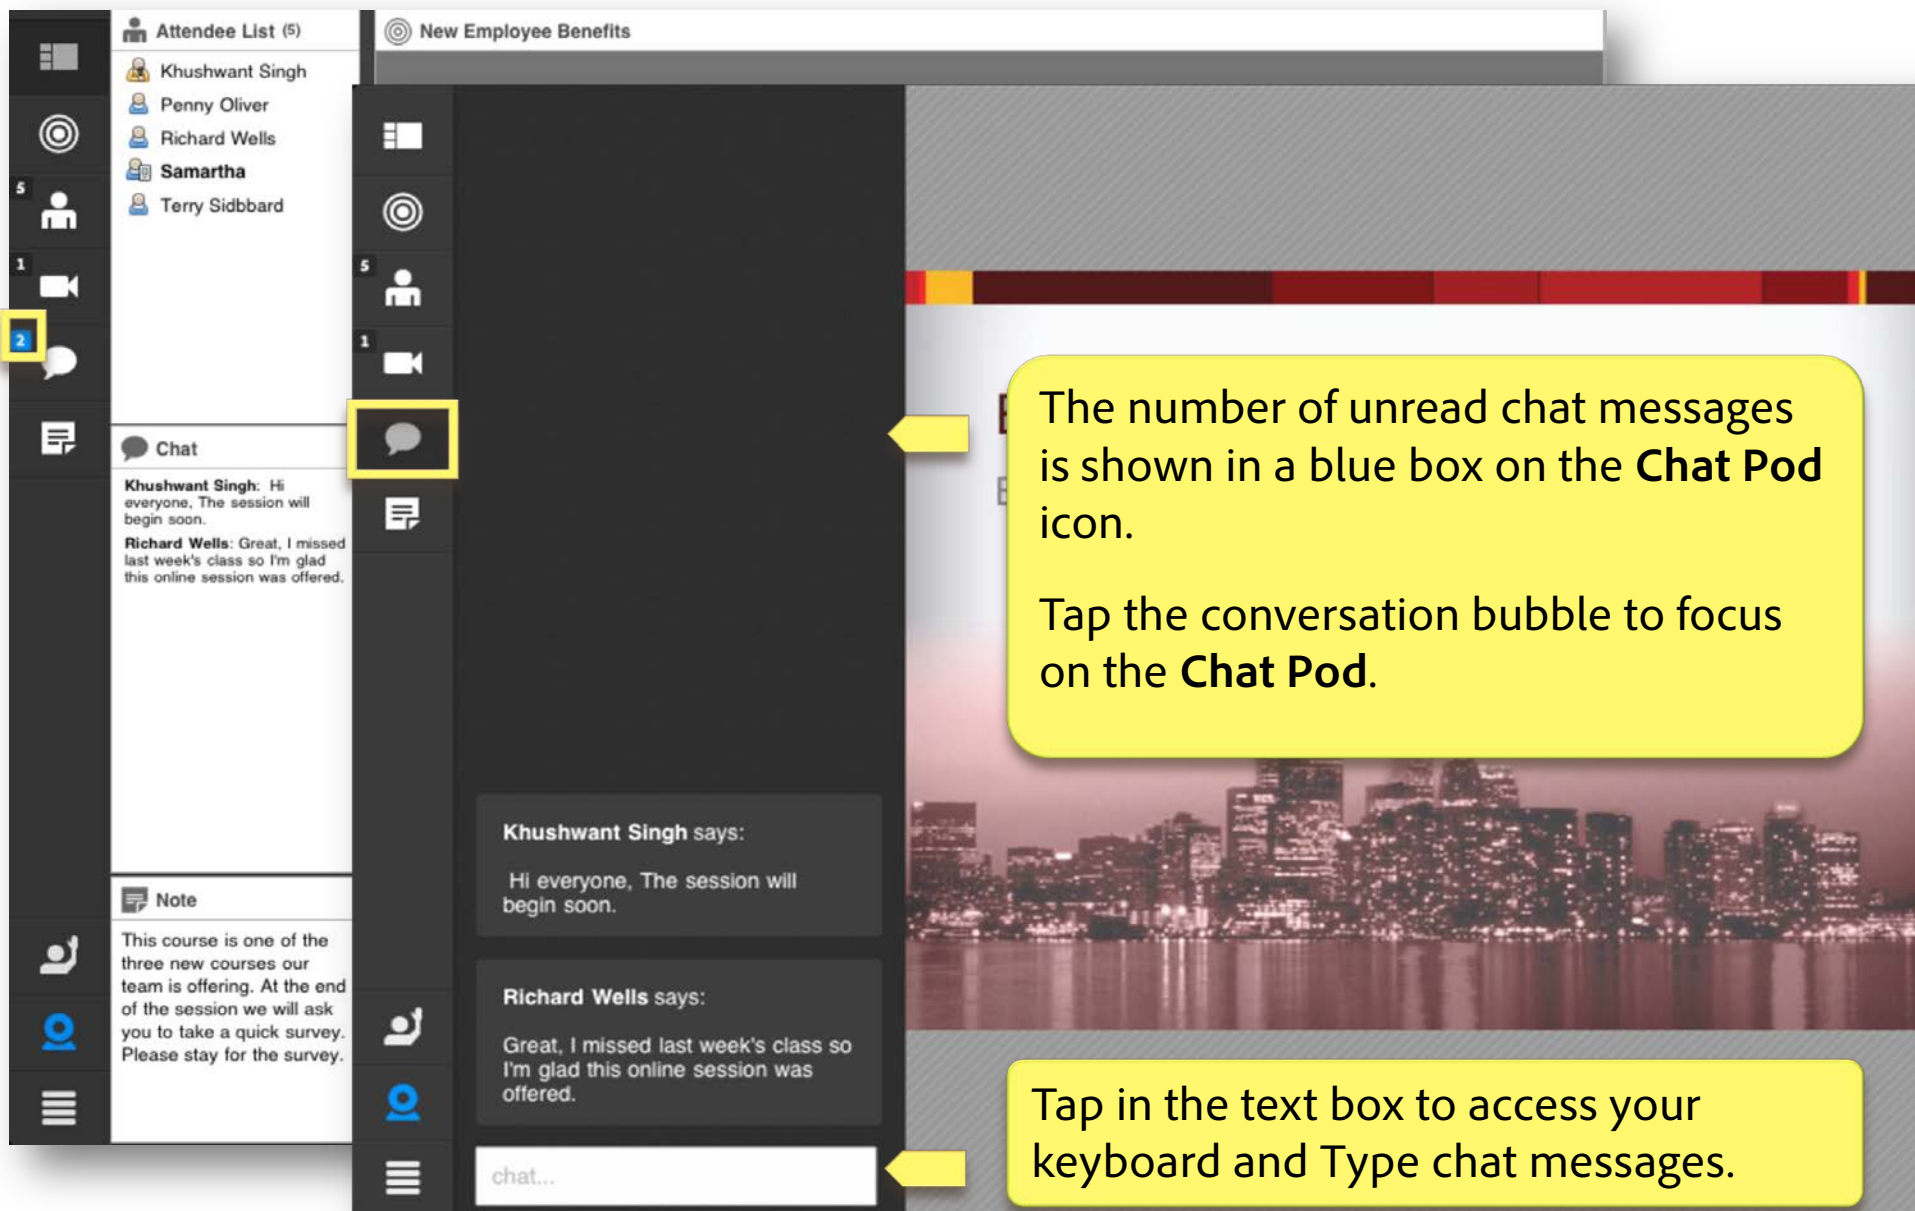

To see the list of attendees broadcasting their video cameras, tap **Video Pod**.

The video feed highlighted in blue is streaming continuously. All others are paused. Tap the **Play** button on top of any video feed to switch feeds and actively watch another attendee.

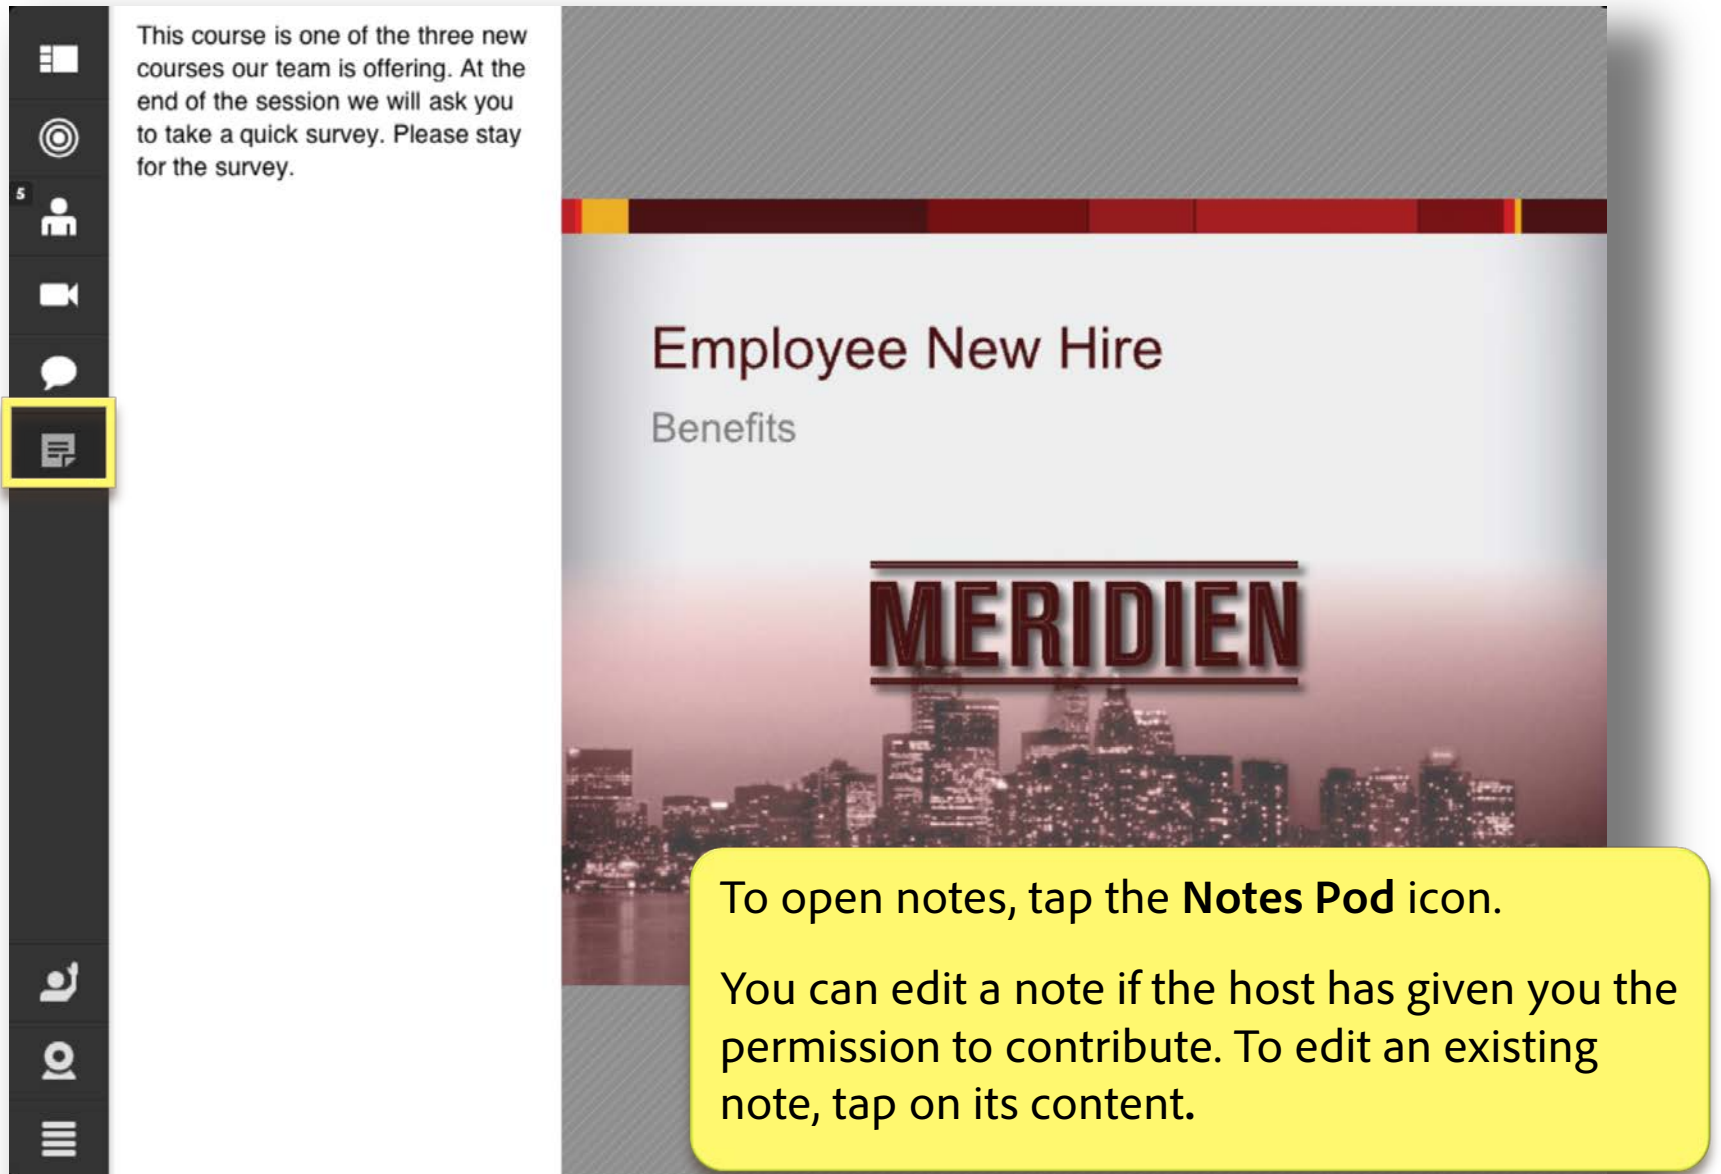

Video that appears paused but has no Play button has been paused by the broadcaster and cannot be made active until that user resumes **his/her or the** feed.

The active speaker indicator appears in a video feed windows when the user is broadcasting audio, regardless of whether his camera feed is streaming. Tap to switch video feed views to the active speaker when desired.

Adobe® Connect™ Mobile: Focus on Chat

Adobe® Connect™ Mobile: Focus on Notes

This course is one of the three new courses our team is offering. At the end of the session we will ask you to take a quick survey. Please stay for the survey.

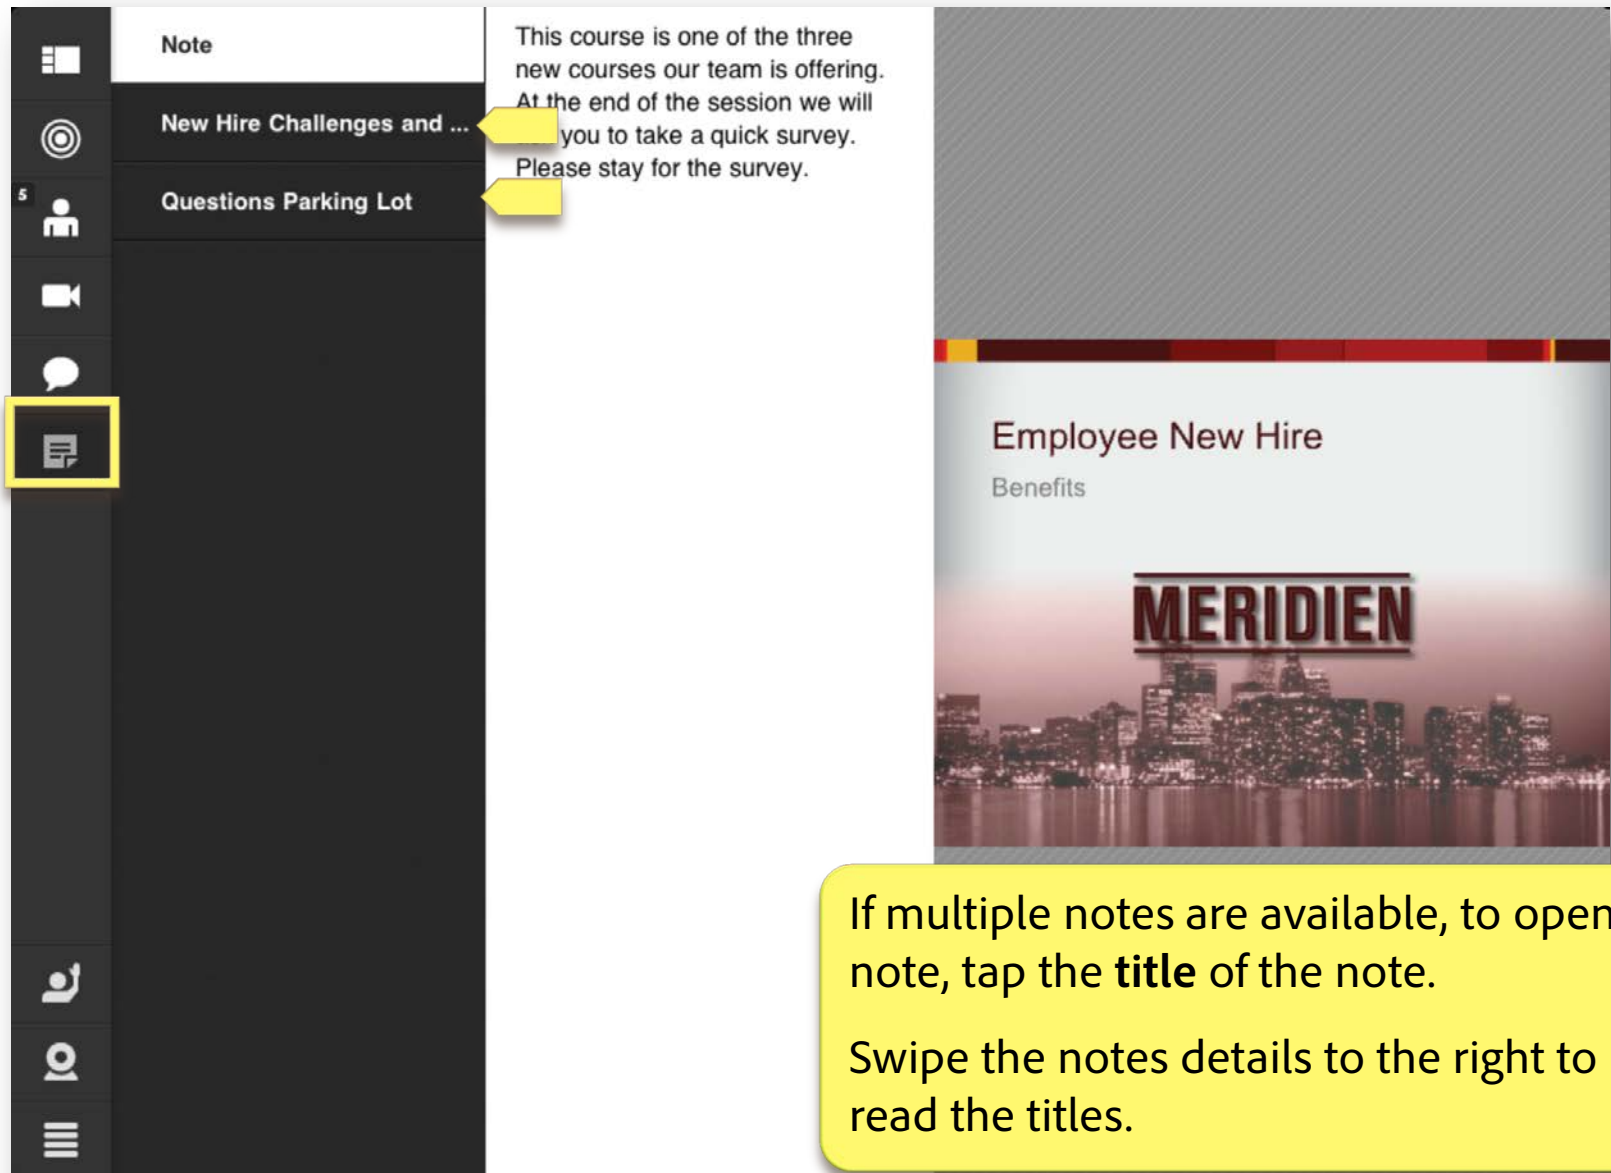

Employee New Hire
Benefits

MERIDIEN

To open notes, tap the **Notes Pod** icon.

You can edit a note if the host has given you the permission to contribute. To edit an existing note, tap on its content.

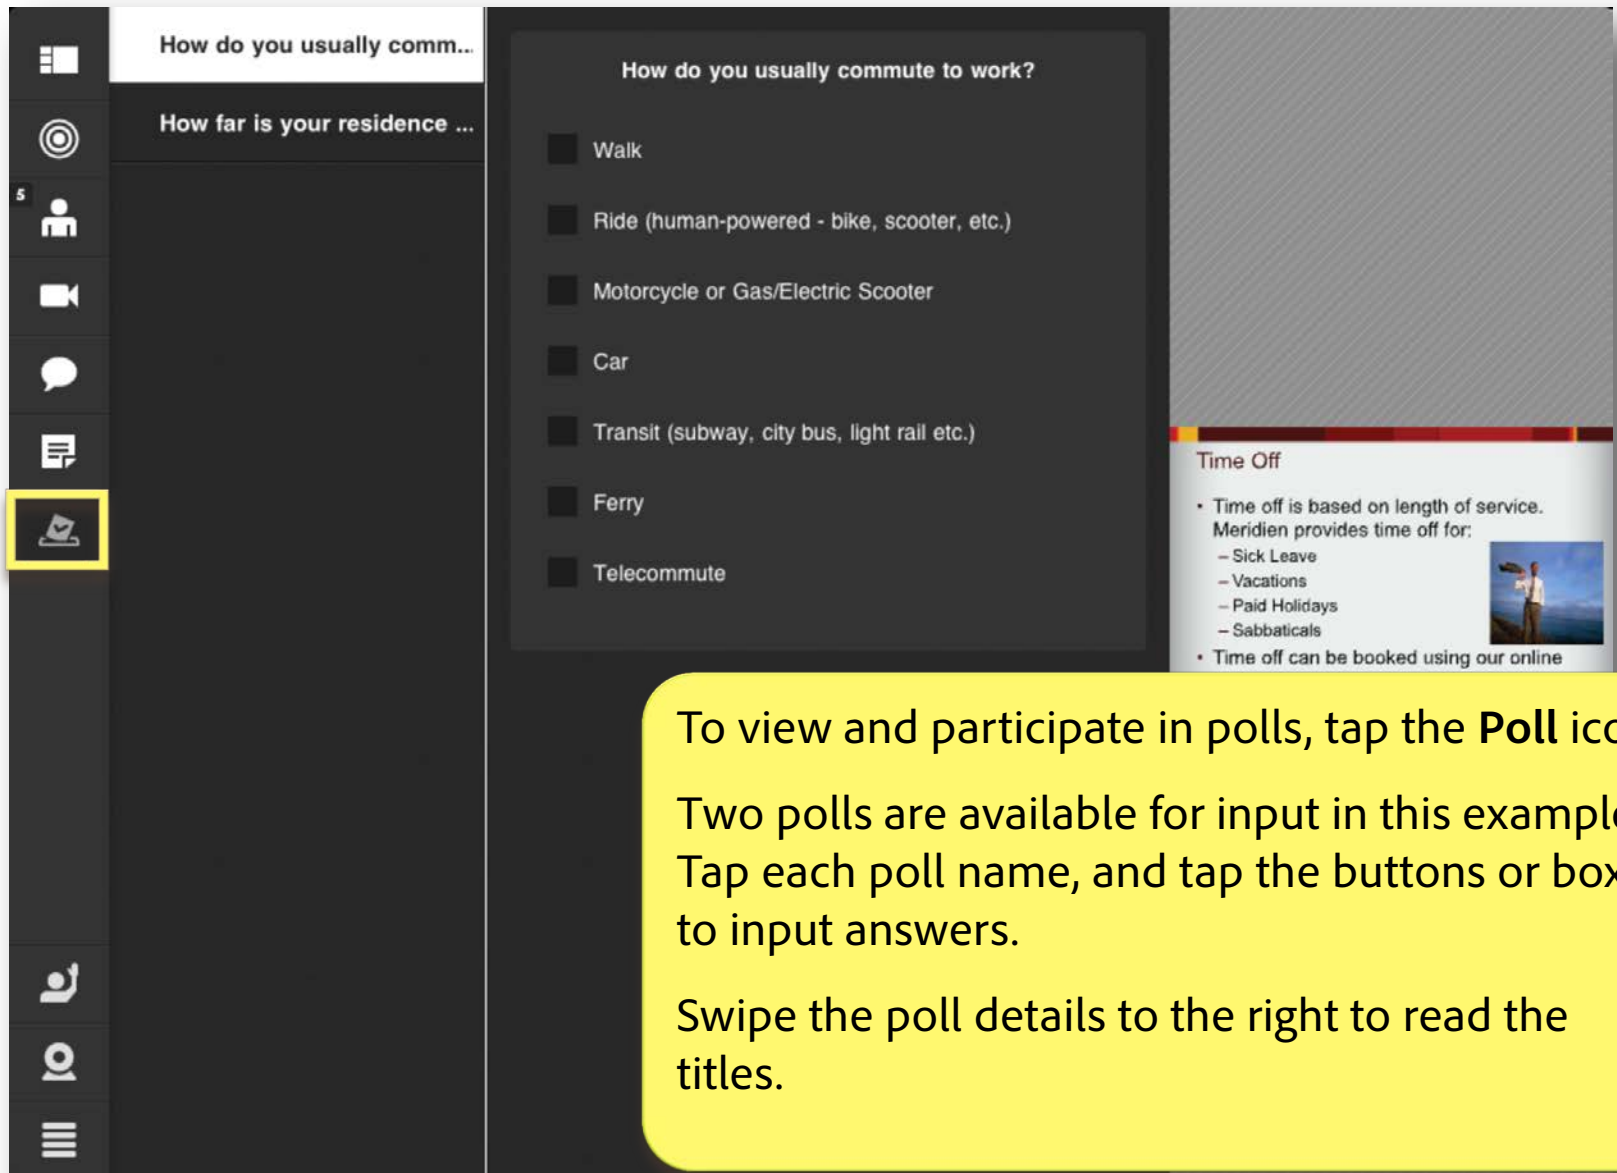

Adobe® Connect™ Mobile: Focus on Notes – Multiple Notes Pods

If multiple notes are available, to open a note, tap the **title** of the note.

Swipe the notes details to the right to read the titles.

Adobe® Connect™ Mobile: Poll Focus and Participation

Adobe® Connect™ Mobile: Overview and Layouts

The screenshot displays the Adobe Connect Mobile interface during a meeting. On the left is a vertical toolbar with icons for various functions. The main area is divided into several sections:

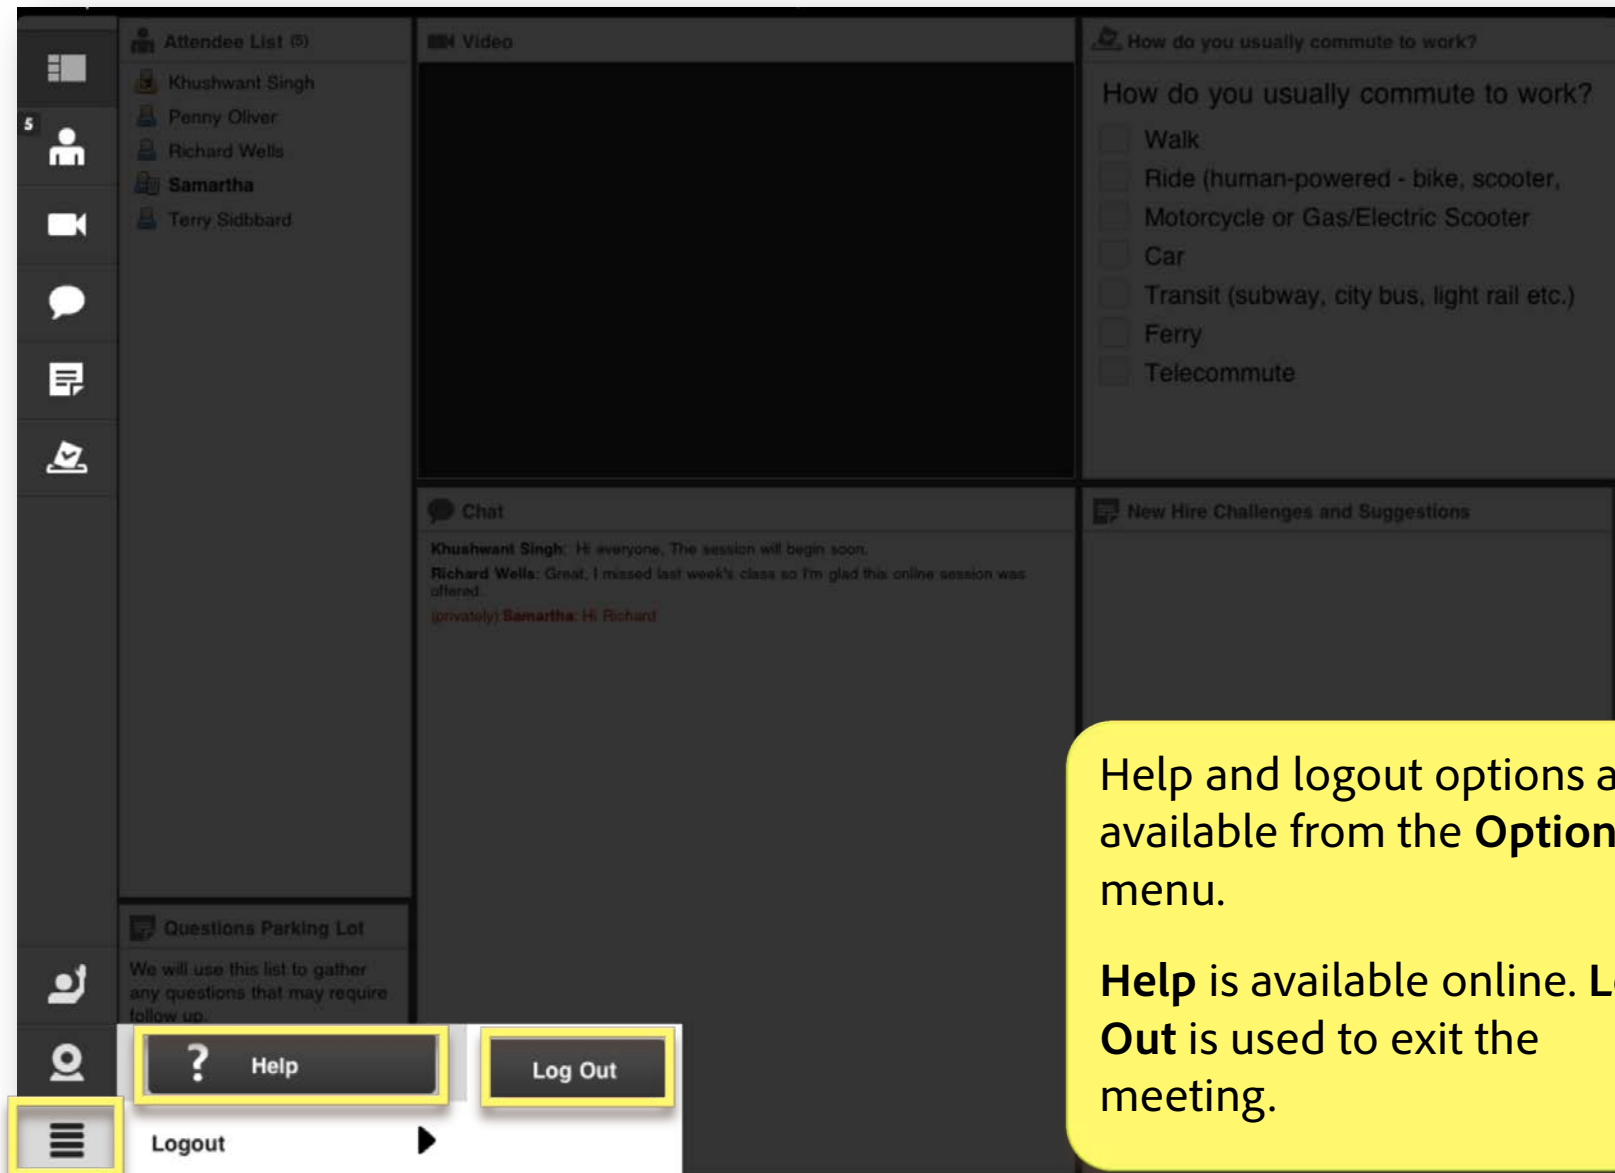

- Attendee List (5):** Lists participants: Khushwant Singh, Penny Oliver, Richard Wells, Samartha, and Terry Sidbbard.
- Video:** A large video feed showing a man in a plaid shirt.
- Chat:** A text chat area with messages from Khushwant Singh, Richard Wells, and Samartha.
- How do you usually commute to work?:** A poll with options: Walk, Ride (human-powered - bike, scooter, Motorcycle or Gas/Electric Scooter, Car, Transit (subway, city bus, light rail etc.), Ferry, and Telecommute.
- Questions Parking Lot:** A section for gathering questions that may require follow up.
- New Hire Challenges and Suggestions:** A section for new hire challenges and suggestions.

A yellow callout box on the right side of the interface contains the following text:

During a meeting the host can display new tools and pods, which may appear in new or different locations. This is called a **Layout change**.

When a host changes the layout, you return to the **Overview** of the activities taking place in this meeting.

Adobe® Connect™ Mobile: Help and Logout to Exit Meeting

Adobe® Connect™ Mobile: Additional Functions Enabled

The screenshot displays the Adobe Connect Mobile interface. On the left is a vertical sidebar with icons for various functions. The top section, 'Attendee List (5)', lists participants: Khushwant Singh, Penny Oliver, Richard Wells, Samartha, and Terry Sidbbard. Below this is a 'Chat' section with messages from Khushwant Singh, Richard Wells, and Samartha. At the bottom of the sidebar is a 'Note' section with a message about a survey. A yellow box highlights the bottom four icons of the sidebar: a person icon, a telephone handset, a camera, and a microphone. The main area shows a presentation slide titled 'New Employee Benefits' with a sub-header 'Retirement Plan'. The slide contains three bullet points. A yellow callout box on the right explains that the host can enable additional collaboration options: Telephony, Camera, and Microphone, which appear on the left panel on a tablet device.

Attendee List (5)

- Khushwant Singh
- Penny Oliver
- Richard Wells
- Samartha
- Terry Sidbbard

Chat

Khushwant Singh: Hi everyone, The session will begin soon.

Richard Wells: Great, I missed last week's class so I'm glad this online session was offered.

(privately) Samartha: Hi Richard

Note

This course is one of the three new courses our team is offering. At the end of the session we will ask you to take a quick survey. Please stay for the survey.

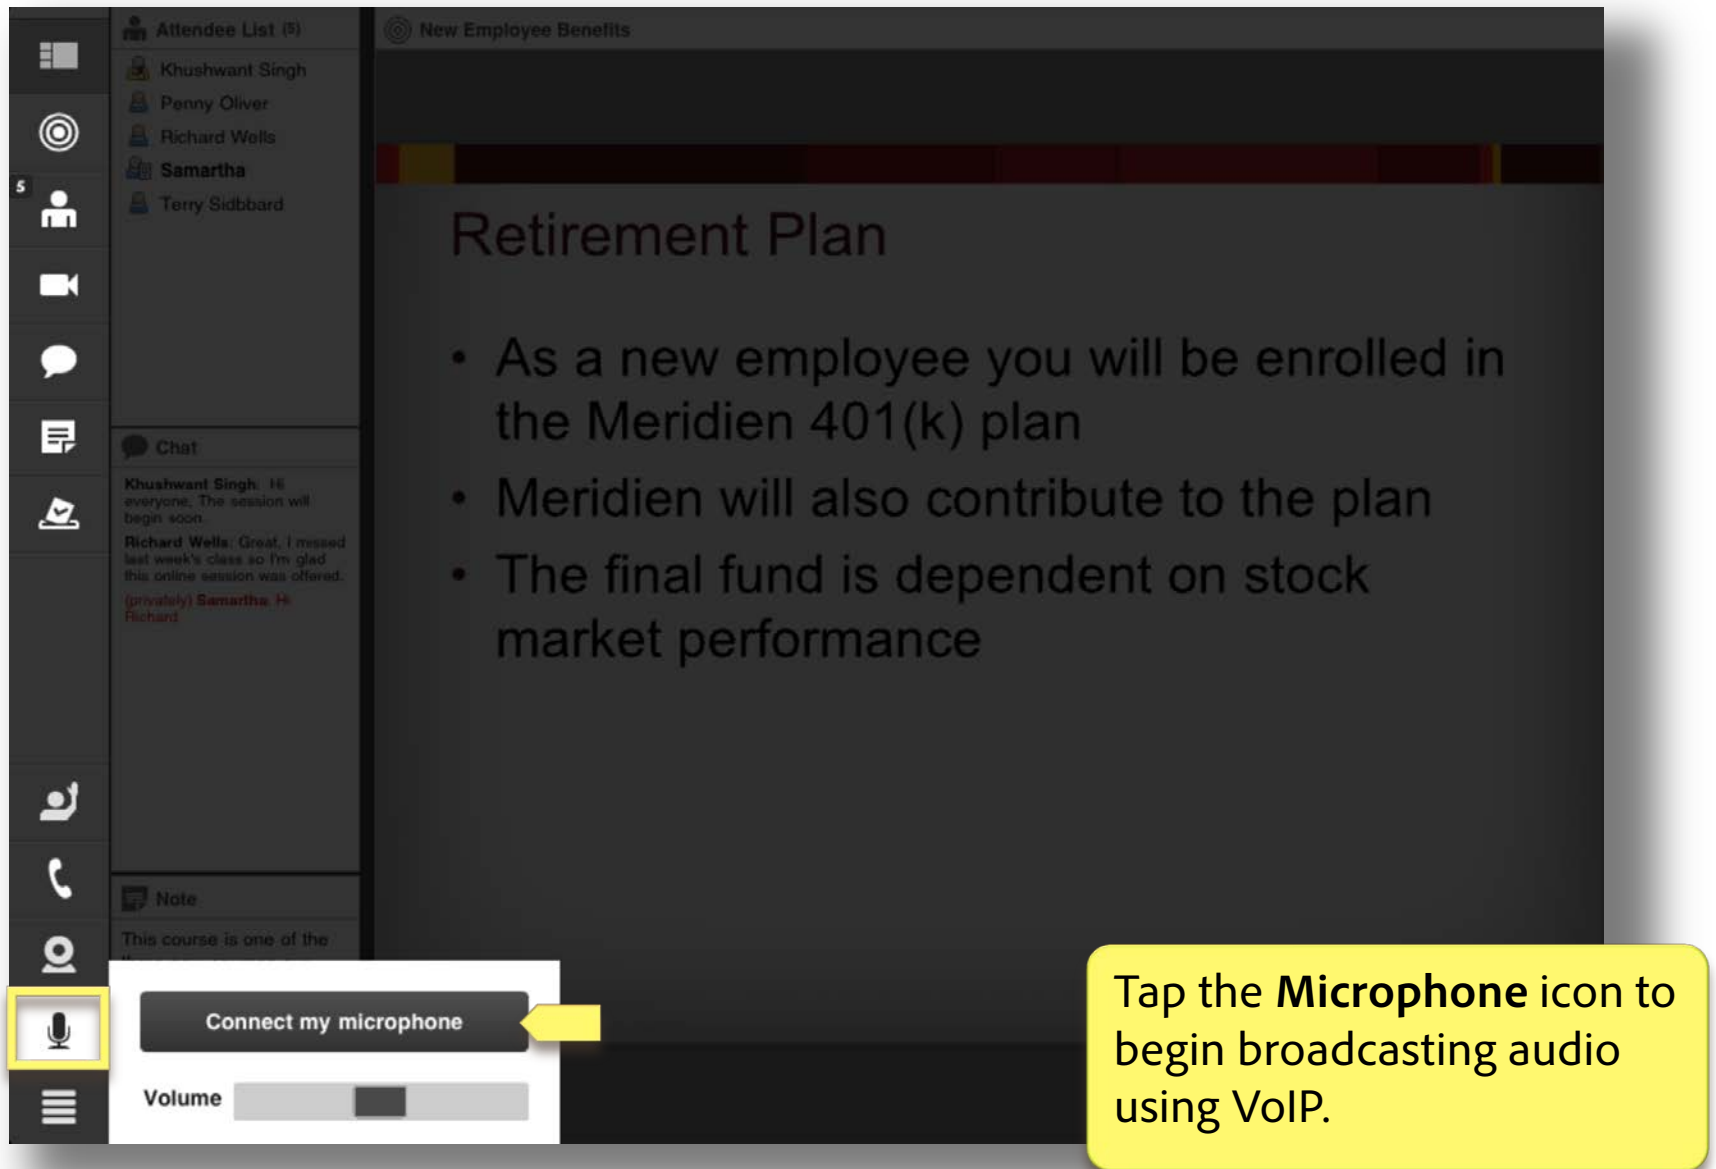

Retirement Plan

- As a new employee you will be enrolled in the Meridien 401(k) plan
- Meridien will also contribute to the plan
- The final fund is dependent on stock market performance

The host can enable additional collaboration options: **Telephony**, **Camera**, and **Microphone**.

On a tablet device, these options appear on a panel on the left.

Adobe® Connect™ Mobile: Broadcasting VoIP Audio

The screenshot displays the Adobe Connect Mobile application interface. On the left, a vertical sidebar contains several icons: a grid, a target, a person, a video camera, a speech bubble, a document, a magnifying glass, a person with a speech bubble, a telephone, a camera, and a hamburger menu. The microphone icon, located between the telephone and camera icons, is highlighted with a yellow square. To the right of the sidebar is a panel titled 'Attendee List (5)' listing participants: Khushwant Singh, Penny Oliver, Richard Wells, Samartha, and Terry Siddbard. Below the list is a 'Chat' section with messages from Khushwant Singh, Richard Wells, and Samartha. Further down is a 'Note' section. The main area of the app shows a presentation slide titled 'New Employee Benefits' with a sub-header 'Retirement Plan'. The slide content includes a bulleted list: 'As a new employee you will be enrolled in the Meridien 401(k) plan', 'Meridien will also contribute to the plan', and 'The final fund is dependent on stock market performance'. At the bottom of the screen, a white overlay contains a 'Connect my microphone' button with a yellow arrow pointing to it, and a 'Volume' slider below it.

Retirement Plan

- As a new employee you will be enrolled in the Meridien 401(k) plan
- Meridien will also contribute to the plan
- The final fund is dependent on stock market performance

A blue **Microphone** icon indicates that you are actively broadcasting audio using VoIP.

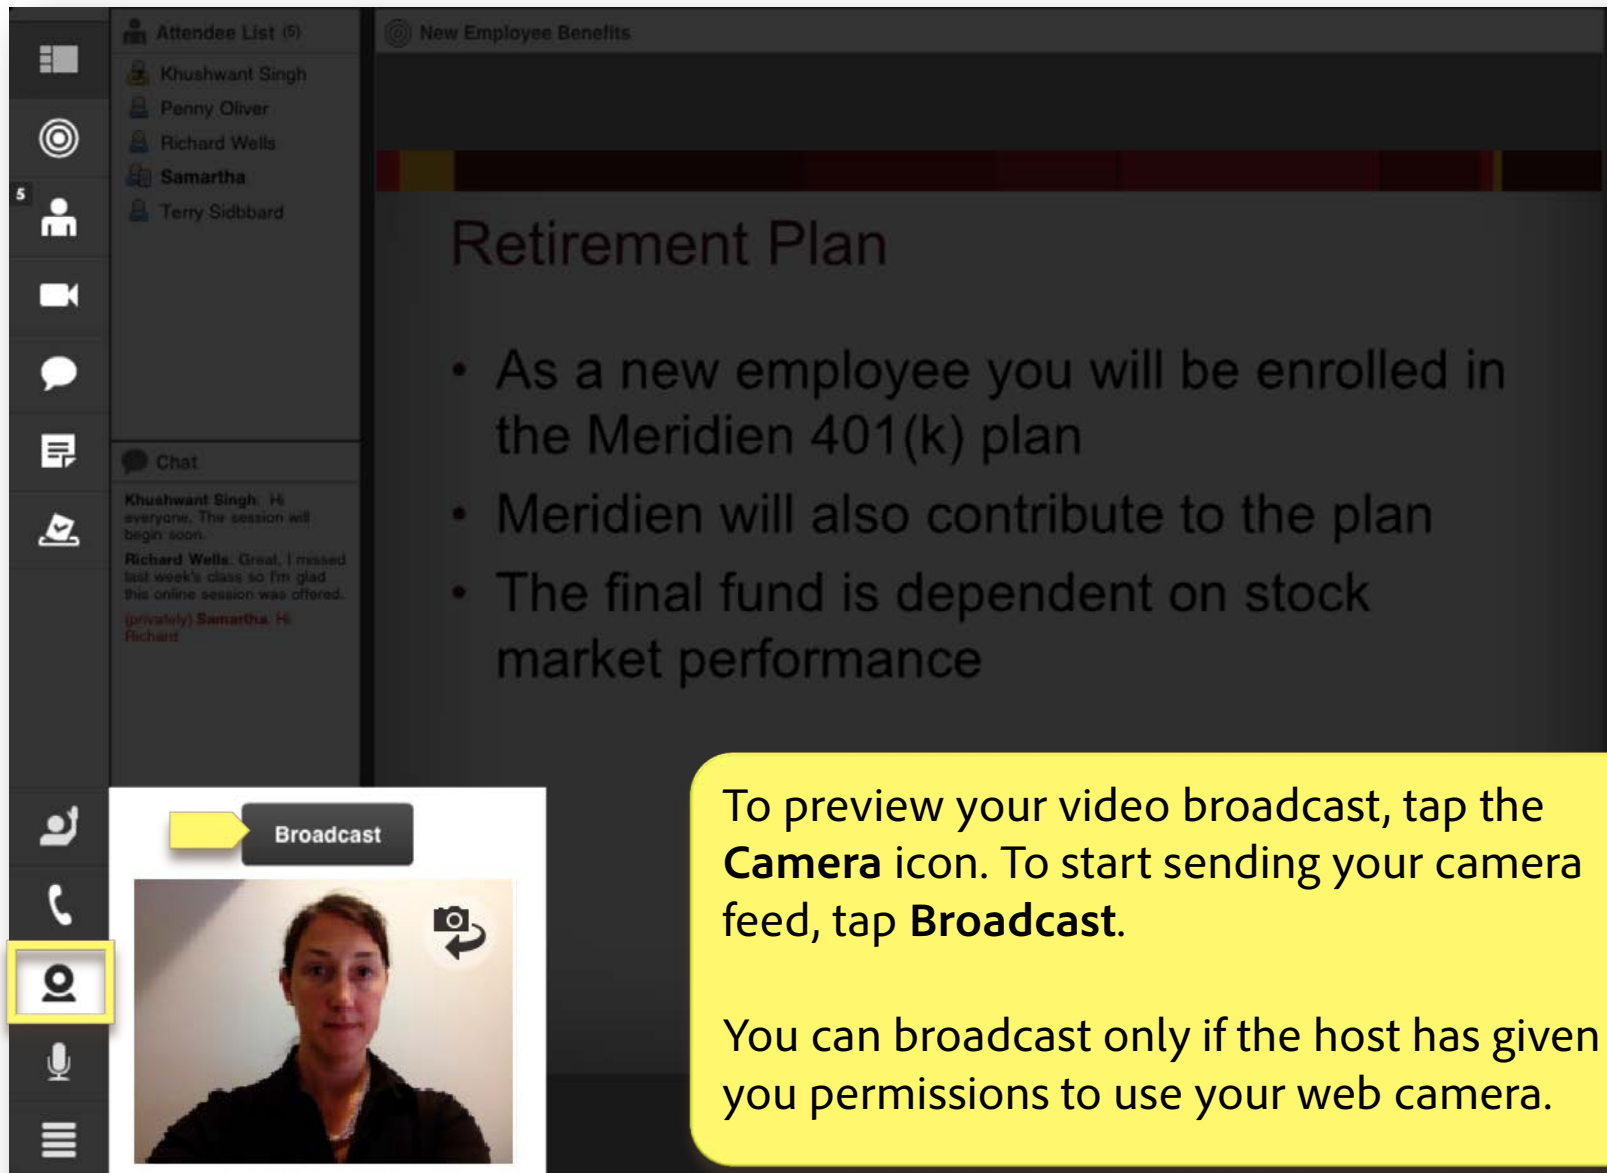

Adobe® Connect™ Mobile: Stop Broadcasting VoIP Audio

The screenshot shows the Adobe Connect Mobile app interface. On the left is a vertical toolbar with icons for screen, camera, chat, documents, and a microphone. The microphone icon is highlighted with a yellow box. A yellow callout box points to this icon with a button labeled "Disconnect my microphone". Below the microphone icon is a volume slider. The main area displays a presentation slide titled "Retirement Plan" with the following bullet points:

- As a new employee you will be enrolled in the Meridien 401(k) plan
- Meridien will also contribute to the plan
- The final fund is dependent on stock market performance

To stop broadcasting audio, tap the blue microphone icon and tap **Disconnect my microphone.**

Adobe® Connect™ Mobile: Video Broadcasting Enabled and Preview

The screenshot displays the Adobe Connect Mobile app interface. On the left, a vertical toolbar contains icons for various functions: a grid, a target, a person, a video camera, a speech bubble, a document, and a magnifying glass. The main content area is titled "New Employee Benefits" and features a "Retirement Plan" section with a bulleted list:

- As a new employee you will be enrolled in the Meridien 401(k) plan
- Meridien will also contribute to the plan
- The final fund is dependent on stock market performance

Below the main content, a video feed shows a woman's face. A yellow callout box with a "Broadcast" button is overlaid on the video feed. The "Broadcast" button is highlighted with a yellow arrow. The video feed also includes a camera icon and a refresh icon.

To preview your video broadcast, tap the **Camera** icon. To start sending your camera feed, tap **Broadcast**.

You can broadcast only if the host has given you permissions to use your web camera.

New Employee Benefits

Retirement Plan

- As a new employee you will be enrolled in the Meridien 401(k) plan
- Meridien will also contribute to the plan
- The final fund is dependent on stock market performance

A blue **Camera** icon indicates that you are actively broadcasting video.

Adobe® Connect™ Mobile: Stop or Pause Your Video Broadcast

The screenshot shows the Adobe Connect Mobile interface. On the left is a sidebar with icons for Attendee List, Chat, and a video camera icon. The main content area displays a presentation slide titled "Retirement Plan" with the following bullet points:

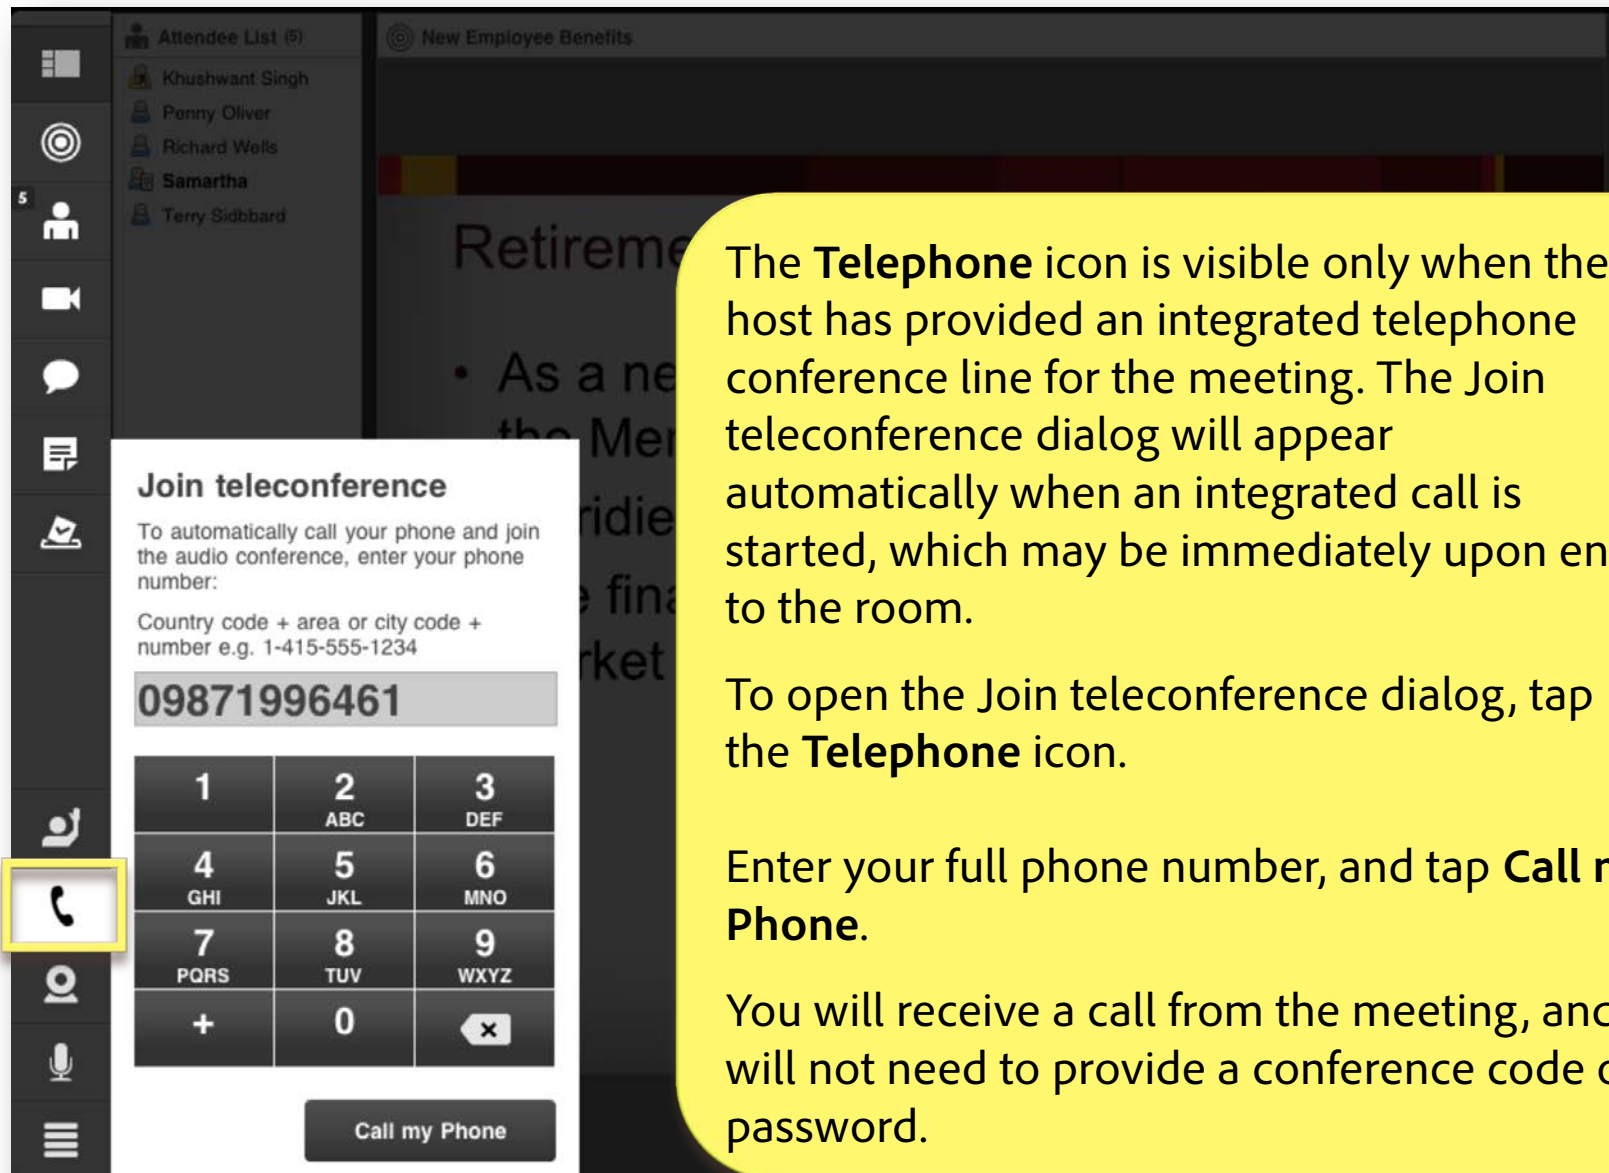

- As a new employee you will be enrolled in the Meridien 401(k) plan
- Meridien will also contribute to the plan
- The final fund is dependent on stock market performance

A yellow callout box highlights the video control bar at the bottom. It contains a "Pause" button, a "Stop" button, and a "Switch Cameras" icon (a camera with a circular arrow). The video feed shows a woman speaking.

To pause or stop video broadcast, tap the **Camera** icon and tap **Pause** or **Stop** as desired. Tap **Broadcast** to resume again, or **Stop** to end your video feed.

On devices that have both front and rear cameras, to switch between them, tap the **Switch Cameras** icon.

Adobe® Connect™ Mobile: Join Telephone Audio Conference

The **Telephone** icon is visible only when the host has provided an integrated telephone conference line for the meeting. The Join teleconference dialog will appear automatically when an integrated call is started, which may be immediately upon entry to the room.

To open the Join teleconference dialog, tap the **Telephone** icon.

Enter your full phone number, and tap **Call my Phone**.

You will receive a call from the meeting, and will not need to provide a conference code or password.

Adobe® Connect™ Mobile: Connected to Telephone Conference

The screenshot displays the Adobe Connect Mobile interface. On the left is a vertical toolbar with icons for various functions. The 'Attendee List (5)' is visible at the top of the sidebar, listing Khushwant Singh, Penny Oliver, Richard Wells, Samartha, and Terry Sidbbard. Below the list is a 'Chat' section with messages from Khushwant Singh, Richard Wells, and Samartha. At the bottom of the sidebar, a blue telephone icon is highlighted with a yellow box. The main content area shows a presentation slide titled 'Retirement Plan' with three bullet points. A yellow callout box in the bottom right corner explains the significance of the highlighted telephone icon.
