

Speech Notes.

- **Note:** Speech Notes provide a quick and easy method to dictate and produce text without any special software.

How to access it?

Speech Notes is available at Speechnotes.co and only works on the Chrome browser.

1. To **start** dictating click the **mic** (at the top-right)

2. For punctuation marks, you can either key-type them by using your keyboard, or you can dictate them.
3. For proofreading, you can click on the **speaker icon** at the bottom-right to read out loud your text.

English, US

Click the mic to start dictating (note: the dictation feature works only on a Chrome browser).

New: Click the speaker icon (at the bottom-right) to read out loud your text for proof reading.

For punctuation, you can use any of the 3 methods:
(1) Dictation of the punctuation marks. Winosbite.com
(2) Key-typing the marks using your keyboard. This is usually the fastest, as it appends the mark to the speech, even before it finalized.
(3) Clicking the mark on the screen.
